Planning Another Big Lumber Cut

(By E. K. Carnegie, Canadian Press Staff Writer)
OTTAWA, Sept. 7.—(CP)—Eastern Canadian lumber companies, notwithstanding a United Kingdom decision to cut back lumber purchases by about one-third, plan to make another heavy cut this winter into big timber limits.
They shortly will decide how much timber they will fell this winter and the best information from the industry is that it will be about the same as last year's all-time peak.
A spokesman said that when the United Kingdom announced its cut-back of \$40,000,000 in purchases a scare was thrown into the Canadian lumber industry and there were plans to reduce operations both on the Pacific and in the east.
Since then, there have been assurances, which the industry is said to regard as satisfactory, that British imports from Canada will not be greatly reduced.
Besides assuming the export trade next year will equal this year's shipments, the industry is confident there will be sufficient lumber to meet domestic requirements.
Exact size of the cut in eastern Canada probably will be known by the end of the month. The branches of the Canadian Lumbermen's Association will hold meetings shortly, to be followed by a meeting of directors of the national body, probably in Montreal.
About 88 per cent of Canada's timber goes into the domestic market and 42 per cent is exported, the bulk to United States and the United Kingdom in about equal amounts. There has been a considerable trade with South Africa, but the demand has been greatly reduced. It is said, partly because of high prices.

FIVE YEARS BEFORE AUTOS PLENTIFUL.

Joseph Washington Frazer, the more expensive half of Kaiser-Frazer automobiles, doesn't see any drop in automobile prices for five years. "No buyer's market for three to five years," he said, estimating present auto demand at a total of 16,000,000 unbuilts cars and production at about 4,000,000 per year. Mr. Frazer flew to Toronto in his private plane two days after returning from a two-month trip to Europe.

PRIEST'S SONGS TO BUILD CHAPEL

MONTREAL, Sept. 7.—(CP)—To pay for construction of the foundation of a tiny chapel at nearby Beaconsfield, Rev. Michael MacNeill, a Jesuit priest, has on sale 1,000 records of his own voice.
Father MacNeill is a decorated veteran of the First World War and was a Royal Canadian Air Force padre in the second.
The site of Father MacNeill's chapel is Casa Manresa, a retreat house for laymen, but the chapel now is standing on cement blocks and "The Singing Priest" never wanted it that way.
A short time ago, Father MacNeill, deciding that money was needed, sat down at his piano in front of a recording machine, and sang his own composition of Ave Maria. The other side of the disk carries a hymn, words of which came from an Irish poem.
One thousand copies of the original have been made and sales are so encouraging that another record should appear in the near future. And the chapel, of course, will have its foundation.

Veterans' Loans

UNDER a recent amendment to The Veterans' Business and Professional Loans Act, a veteran may now include as part or all of his cash requirements under the Act, moneys expended in connection with a business between 1st January, 1946, and 15th January, 1947. Loans may also be made to veterans who are already established in a partnership business for expenditure by the partnership.

The following are the purposes for which Veterans' Loans may be made:

- The purchase of a business or of an interest in a business, including the purchase of a business property.
- The purchase or repair of instruments, tools, machinery or other equipment to be used in a profession, trade or business, including doctors' and dentists' equipment.
- The purchase, construction, repair or alteration of a building used or to be used in carrying on a profession, trade or business.
- The purchase of a car, truck or other motorized unit to be used for business purposes.

Enquiries welcomed. Any of our Managers will be glad to discuss these loans with veterans thinking of going into business.

POWNAL & VICINITY

Recent visitors here from the mainland were Mrs. Ferd Nichols and son Sheldon of Aylesford, Nova Scotia, who have been touring the Island during the last two weeks. They were accompanied by Mrs. Ira Stewart and daughter Miss Joan Stewart, New Perth.

Mrs. John R. Robertson, Kingsford was a recent visitor in Pownal, renewing old acquaintances. Mrs. Robertson who was formerly Miss Hazel Stewart of Red Point taught school here during the terms of seventeen and eighteen. Her many friends are sorry to know of her husband's serious illness in the P. E. Island Hospital.

Miss Donald McTavish paid a very pleasant visit here renewing old acquaintances and bidding farewell to the scholars of Pownal School District, who sat at her feet during two school years. She leaves this week for Montreal where she will enter the September class of nurses at the Royal Victoria Hospital. The best of luck Donald in this high and noble vocation you have chosen.

Mrs. Charlie Mutch, Earncliffe, and two charming sons, David and Robert were recent visitors in Jonesville.

Mrs. Joseph McEachern, Marmal, spent a few days very pleasantly with her sister, Mrs. Robert Jones.

Mrs. Rhoda Wood, Elm Ave., Charlottetown was in Pownal for several days visiting relatives.

The school has re-opened here for the coming term under the capable leadership of Mrs. Jack Pownal. Pownal school has a large attendance of all grades and we bespeak for our teacher the cooperation of pupils and parents alike.

Mrs. Arthur Godkin, Charlottetown was a visitor in Alexandria, the guest of Miss Annie Bolander.

Miss Mary Jenkins who spent the past eight months with relatives in U. S. A. has returned to her home in Pownal.

On Sunday evening in the absence of the preacher, Rev. S. Stackhouse, a song service under the direction of Mr. Earle Jenkins was held in the Alexandra Baptist Church. The singing of old time hymns was interspersed with Bible passages and a reading by Miss Annie Bolander entitled "The Power of Prayer."

The August meeting of the Pownal Women's Institute was held at the home of Mrs. F. Grant. In the absence of the President, Mrs. J. Worth presided and a very successful meeting ensued.

Plans were made for an ice cream social to be held on the church grounds. This project was most successful as was proven by the fact that many folk from town and country gathered to partake of "The Pownal Special" ice cream and delicious cakes and cookies in which she is famous. The ladies in charge were assisted by a jolly bevy of young lady waitresses.

Despite the coolness of the evening many second helpings were called for. The neat sum realized was very gratifying and will be used in the interest of the community.
