

CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

The many friends of John Bevan, City, will regret to learn that he is suffering from a very severe attack of pneumonia.

Jerome McAuliffe is playing in New York in a three act musical comedy, "The Pearl Maiden." He is playing the comedy role of Gideon Slim. Exc. (Jerome is well known to theatre goers in this city.)

Miss Tessa Kosta, who played the role of the convent girl in "Madame Sherry" when it was produced here, with the other members of her company had a trying experience last week in Iowa, when they were held up for some time by a blizzard which raged fiercely near Fort Dodge, holding them back from an engagement.

A pathetic instance of maternal sorrow through bereavement is the case of Mrs. Basha, of this city, who on the accidental death of her son Joseph at New Glasgow, N. S., about a year ago, lost her reason through grief. Mrs. Basha almost idolized "Joe" and the great shock of his sudden death was too much for her. She is still suffering, though she is somewhat improved.

The Dominion Alliance issues a call for a "National Temperance Congress" in conjunction with the Ontario Provincial Convention to consider the present status of the work in the different Provinces, the question of how a Dominion organization can best help this work, and what Dominion Legislation is desirable in the interest of the Provinces, and the further advancement of the reform. Co-operating in this call are the Executive Officers of Provincial Organizations in Quebec, Ontario, Nova Scotia, New Brunswick, Prince Edward Island, Saskatchewan, Alberta and British Columbia.

Beer & Weeks, city have made some changes in the interior of their store which are on the line of improvement. The cash box, which heretofore has been well at the rear of the ground floor, has been removed to near the entrance and is much more conveniently located for customers than heretofore. The second floor has been greatly improved and the stairway has also been moved forward and is now more readily of access from the front entrance. Added to these changes is the rearrangement of the goods, principally furniture on these two floors, and the improvements are decidedly commendable. Under the new arrangement goods are displayed to much better advantage and the interior is much more attractive looking.

A very happy event took place at Rustico on Thursday, the 30th of January, when Maurice Gallant was united in the holy bonds of matrimony to May Josephine Doucette, Rustico. The bride was attended by her sister, Miss Jane Doucette, while James McDonald of St. Margaret's ably performed his duties as best man. The ceremony was performed by Rev. J. Chaisson after which the happy couple drove to the home of the bride's parents where a large number of friends were assembled to extend best wishes to them. Quite an enjoyable time was spent in music, dancing, etc., till the guests were invited to the dining room to partake of a sumptuous repast. After all had done justice to the good things provided dancing and music were again resumed until the hour of midnight. The bride was the recipient of many beautiful presents which show the esteem in which the young couple are held by their friends. Their future home will be at St. Charles.

Save your teeth—The regular use of Lister's Dental Floss to clean between the teeth is the most important factor in preventing decay and preserving fillings. Ernest A. Prowse, Brackley Point Road, has entered the P. E. I. Hospital for treatment.

The police were called out early one morning recently to quell a disturbance in a house in this city caused by a man who, through illness, had become mentally unbalanced. The patient has slightly improved under medical attendance.

The following taken from the Morning Oregonian will be of interest in this Province as Mr. Mutch referred to is a brother of James Mutch, Cymraic—E. W. Mutch, a retired capitalist of Portland, Ore., was shot and killed on the street at about 10.15 p.m. Friday, Jan. 19th, 1912. An arrest on suspicion was made and a confession secured but the usual self-defence plea was entered.

The following Ottawa despatch to an exchange will be of interest to members of the Methodist denomination here—The general conference of the Methodist church will apply to parliament for an amendment to the act respecting the union of the Methodist churches, to allow the removal of such trustees as shall fail to attend a certain number of trustee meetings and to permit five trustees to form a quorum where the total number exceeds nine.

A Bellevue correspondent writes:—Our school is progressing favorably under the able management of D. A. McPherson. We are pleased to see Miss Mary McDonald back from the West where she was teaching during the past year. While Bruce McLeod of Grand View was out schooling on McPherson's mill pond recently he had the good fortune to secure a specimen of that now almost extinct animal, the P. E. Island Otter. Mr. McLeod is to be congratulated on his good luck. Some of our young men are thinking seriously of starting a fox ranch in the near future. Success to them.

A most enjoyable time was spent a few evenings ago at the beautiful and hospitable home of L. R. and Mrs. Ings, Orwell, when a party of young people, including Capt. Leslie Murray and bride (nee Mary McLeod), were invited to spend the evening before the removal of the latter to their new home at Montague. Games, music, both vocal and instrumental, and one of the most delicious teas imaginable, while the hours all too soon. Many hearty thanks to host and hostess concluded an evening's enjoyment not soon to be forgotten by those present.

Those who assembled in St. Andrew's Church, Orwell, on Sunday afternoon last enjoyed a rare treat by having the pleasure of listening, not only to one of the most instructive and impressive sermons from the pastor, Rev. D. B. McLeod, but also to that beautiful solo entitled "Tell Mother I'll be there," sung by Mrs. W. J. McEachern, Mt. Allison. The words of this beautiful hymn will surely linger long in the minds of those who had the pleasure of hearing it on account of the sweet, expressive manner in which it was rendered. Mrs. McEachern very deservedly received many hearty thanks of appreciation from both pastor and congregation. The efficient and capable organist, Mrs. Levi R. Ings, presided.

OXO IN CUBES. EVERY mother should remember these two points about OXO Cubes. An OXO Cube, in a glass of hot milk, increases the food value of milk enormously—and greatly assists digestion. An OXO Cube, spread on bread and butter, increases the food value of bread and butter enormously. OXO Cubes are foods in themselves, and add to the value of other foods by helping digestion.

Molassine Meal The Unique and Wonderful Food FOR Cattle, Horses, Sheep, Pigs and Poultry. SUGAR has long been known to be a valuable food for animals, but it has been impossible to give it in the form of molasses except in minute quantities, in consequence of the existence of a large amount of potash salts, which, when absorbed in the stomach, are assimilated by the animal, and have the effect of decreasing the circulation, producing purgation, death frequently resulting. In Molassine Meal these potash salts are neutralized so that Molassine Meal may be given to animals in large quantities with advantage all the year round. Molassine Meal is a food of great value, and may be given to all classes of animals. When used, the same weight of oats, beans, maize, cake or other food stuff, should be deducted from the ration. It will keep all stock in perfect health, enabling them to obtain the full nutritive value of their food. This effects a marvellous economy in the forage account. AULD BROS. CARD To the Electors of Ward One. Ladies and Gentlemen:—In compliance with the request of a number of the electors of Ward One I have decided to nominate as a candidate for councillor for the aforementioned ward at the forthcoming Civic Elections. I take this opportunity of soliciting your support. As my interests are large in this ward it is only fair to suppose that I will pay more attention to its needs than if I had nothing at stake, and I feel sure that you will see that it is to your advantage to support a man whose interests are yours also. I promise, if elected, to give this Ward my best attention, and to assist in administering the general business of the City, to the best of my ability. Yours faithfully, R. H. STERNS.

CARD To the Electors of Ward Two: I herewith present myself as a candidate for Councillor in the coming Civic Elections to represent Ward Two.
