Combs Of Yankees Was Stated For School Room

RICHMOND, Ky., April 16.—Earl Combs, speedy New York American league player, who Manager Huggins of the Yankees once called "the greatest outfielder that has broken into the American League since Cobb and Speaker made their debuts", is a modest ball-player.

Single G. Looks Good For A Winning Season

CLEVELAND, April 16.—Winner of more races than any other horse—trotter, pacer or thoroughbred—Single G., sixteen-year-old sensational pacer, apparently is due for another successful season.

Bred, owned and raced by W. B. Barefoot of Cambridge City, Ind., this will be the thirteenth year on the track for the son of Anderson Wilkes—Little Gyp. Beginning his successful career as a three-year-old, his record shows that he won ninety-eight out of 153 races and has only been out of the money twice—both times last year. In addition he has won four of five attempts against time.

Of 431 heats contested he was in front 262 times. His summary shows thirty-three seconds; tied once for second and third money; was third fourteen times; fourth three times, and placed fifth and sixth in the summary one time each but finished in the money in both, which were raced under the three heat plan.

Single G. made his fastest record and win race in 1923, when in his first start as a thirteen-year-old, he turned in miles of 1:58 1/2 and 1:58 3/4 at Syracuse. This time stands as a world's record for the fastest first and third heats in the same race; and also for the fastest third heat ever paced. He was second in the second heat in 2:01 1/2.

He also holds the world's record for the fastest three heat race paced, turning 1 mile of 1:59, 2:00 and 2:00 3/4 at Atlanta in his last race of the 1920 season. His 2:01 at Des Moines in 1918 is the world's record for a male paced on a half mile track.

Despite his wonderful record, the "iron-horse" led the list of money winning pacers only once in 1921. In that season he won thirty-six of his thirty-eight heats, his only defeats being to Peter Manning, world's champion trotter, in a match race at Hartford, Conn. Single G. was then eleven years old and Peter Manning five. His winnings total more than \$100,000.

Another feature is that until 1918 he raced consistently for different horsemen. Howard Vickery, who broke him as a two-year-old, handled the horse in 1913 and part of 1914. The remainder of 1914 he was driven by Curt Gosnell and Fred Jamison. Gosnell handled him in 1915 and until August 1916, when Walter R. Cox drove him. Jamison piloted him in 1917 and part of 1918 until he was placed in Allen Brothers' stable, where he has since remained.

During illness to Jamison and injuries to Ed Allen in 1918, however, he was driven by Ed ("Pop") Geers, Harry Stokes, William Marvin, R. McMahon, John Dagler and Hamme Allen. That year he won ten of his fourteen starts, finishing second three times and third once. He was first in twenty-eight of the forty-one heats.

Single G. started in his first race at Terre Haute, Ind., in 1913, finishing third in his first heat and second in the next. His best time was 2:11 1/4. He won his first heat at Frankfort, Ind., in 2:19 1/4, after finishing third in the first. He also finished third in the third heat of that race. He then won his next eleven heats.

Y. M. C. A. Charter Member Gets Twenty Roses

WINNIPEG, Man., April 15.—Twenty roses, commemorating the passing of 20 years since the founding of the Alpine Club of Canada by the old Y. M. C. A. Building, Winnipeg (now the Elks Building), were presented to Mrs. J. H. Parker at the 20th anniversary banquet of the club. It was largely through the efforts of Mrs. Parker that the club came into being and she was one of its charter members. Another charter member present was Mrs. W. C. McKillop.

TREE-TOP STORIES

"O dear!" sighed Betty. "I don't like to be 'fenced up'.... do you?"
"Not I don't!" Billie answered. "But Mother said to be careful of our clothes.... so we'd better, I guess." Betty sighed again.
"Will, let's play we've got the 'Stiffies'!" said Billie. He put his arms straight down at his sides and made his back and legs VERY stiff. Then he took short, stiff-legged steps up and down the wall.
"O! Stiffies!" cried Betty. "That's FUN! I've got the Stiffies, too!"

self gracefully. Then he was given his big chance. He was sold to the Yankees for a substantial sum which was later used as the basis for building Parkway Field at Louisville.

The Bicycle that Grows with Your Boy

And when Billy is seventeen, he will be able to use the same bicycle with equal comfort. Billy cannot outgrow the C.C.M. curved bar bicycle. By raising the saddle and handle bars it grows with him. The chances are your twelve-year-old Billy knows all about C.C.M. bicycles. Equipped with Famous Hercules Coaster Brake. Nothing like the new improved Hercules brake has yet been invented for the bicycle. Billy can tell you about that, too. It has a never-falling, smooth grip. It means protection for Billy, whether at twelve or seventeen. Weighing only 29 1/2 ounces, it is everything in an emergency. All C.C.M. bicycles are equipped with the new improved Hercules brake. Visit the C.C.M. dealer. Look over the new models. Investigate the easy payment plan.
