It is over fifteen years since Jack left the island and his relatives and numerous friends were much pleased to see him. They were accompanied by motor as far as Moncton by their sisters and cousin, Mrs. Kearney, Mrs. Croken and Miss Ella Hennessey of Borden.

BRIDAL SHOWER—On Wednesday evening, Oct. 4th a very pleasant evening was spent at the home of Mr. and Mrs. Neil McDougall, Upper Prince Street, when upwards of forty guests took Miss Bell Livingstone, whose marriage is to take place the latter part of this month, by surprise with a miscellaneous shower. Many valuable gifts were received including a French Ivory carving set from the staff of the Queen Hotel where the groom is employed as chef. After the gifts had been duly admired and Miss Livingstone gracefully thanked Mrs. McDougall and friends for their kindness, lunch was served and the later part of the evening was spent in games and music. Mr. Fred Duffy of the Victoria singing a solo.

ON MISSIONARY WORK—Dr. Mabel M. Manderson, medical missionary to China, who has spent the summer at her home in Hamilton, left last week for St. Louis to attend the Inter-State meeting of the Home and Foreign Missionary Society. Dr. Manderson who has been Dean of the Mission Medical College for women in Peking, China, expects to spend the winter in the Middle West in the interest for that institution. During her holiday here Dr. Manderson addressed a number of meetings in different parts of the province. She is an eloquent and most pleasing speaker and her intense earnestness in the missionary movement in China becomes contagious in her appeals on its behalf. No doubt her missionary work in the United States for this college in which she is so much interested will bear good fruit.

PINETTE MAN ARRESTED—Arrested last Saturday in connection with the shooting episode last week near Edon which resulted in the riddling with duckshot of Mr. Fred Hubley's car, John Robert Ross of Pinette appeared before Magistrate Shaw Saturday morning and was remanded for a hearing on Thursday next. Mr. Ross is at liberty on \$1,000 bail. Referring to the incident of the shooting he declared that the injury to the car was quite accidental. Mr. Hubley and party in the car had passed him and another man on the road, they had no lights working and some conversation was exchanged. After they passed and when they were fifteen or twenty feet away, he pulled the trigger of his gun which exploded, the shot striking the road and ricochetting off the road and spreading, striking the car in several places. He had no intention of hitting the occupants of the car, he said. He did not know what possessed him to fire the gun.

Death at all times and under all circumstances is sad, but when the thread of life is severed and the victim is carried off in the very prime of life, then mayest they had no feelings of deep regret that the many friends and relatives heard of the demise of Mr. John A. Henderson, formerly of North River.

The late Mr. Henderson, who for the past few years had been residing in Sydney C.B., became ill about a year ago and although there was little hope for recovery yet he was suffering with patience and confidence. A short time prior to his death Mr. Henderson came back to the island and entered the P.E. Island Hospital where he departed this life on the morning of October 1st at the early age of 43 years. The late Mr. Henderson leaves to mourn their loss, a loving wife and 7 children in Sydney; his father and mother, one sister, his niece at home, two brothers R.R. of Boston and M.E.C. of Halifax, besides a host of friends both at home and abroad. The funeral will be held today (Monday) at 2 p.m. from the residence of his father, 157 Prince St. to North River Cemetery, where interment will take place. The Guardian extends heartfelt sympathy to the bereaved family and friends.

SERIOUS LOSS—On Sunday last Mr. A. Dunphy, Horse Dealer, Millyview, let two horses loose in his barn yard. One vicious animal attacked the other causing him, in leaping over a woven wire fence to fall and break his back. As the animal was a valuable one, recently purchased, the loss to Mr. Dunphy is a serious one.

SCHOOL ATTENDANCE INCREASED—Reports of attendance at the city schools for the present year show that there are 131 more children in the schools up to this date than for the same period last year and that additional permits are being issued daily. This very encouraging statement was made at last night's regular meeting of the School Board, which was presided over by Mr. C.H.B. Longworth in the absence of the chairman, Mr. Henry Smith. The attendance which numbers this year over seventeen hundred is a source of gratification to trustees and teachers alike.

WEDNESDAY

Something of a shock was felt by Prince of Wales College students when they learned of the death of their fellow student Miss Edith E. Stodart, which occurred somewhat unexpectedly on Tuesday 6th, instant, Miss Stodart had not been in the best of health for the past few months but was not seriously indisposed until the end of September when she entered the P. E. Island hospital for treatment. There her condition was found to be not such as to anticipate any grave outcome and therefore when she took a serious turn for the worse on the 5th, instant, and passed away quietly the following morning her relatives and friends were greatly taken by surprise. Miss Stodart it appears had been suffering from severe pains in the head and it developed that she had been subject to an internal trouble that proved fatal. The funeral service which took place on Sunday from the residence of Mr. and Mrs. J. H. Hunter, Gratton Street was largely attended. Service was conducted at the home and grave by Rev. Mr. Ryan of the Methodist Church. The pall-bearers were school and college friends of the deceased, namely Barry Tait, Eric McDonald, Roy Tanton, Roy Carter, Wilfred Large, H. Duvar.

Miss Stodart was just in her eighteenth year having been born in Honolulu on October 26th, 1903, her parents being Mr. A. G. Stodart of Lanark, Scotland, and Mrs. Ryan of the Methodist Church. The couple were unmarried at the time of her death. Miss Stodart, born in Honolulu, Mr. Stodart, who is Superintendent Engineer of a Sugar Estate, transferred later from Honolulu to Cuba where he is now in charge of the Mechanical Department of one of the largest sugar factories in that country. Mrs. Stodart and her three daughters came to Prince Edward Island in 1914 for the children's education, the girls attending Prince Street School. Edith was a remarkably clever and industrious student and a credit to her school and Prince of Wales which she subsequently entered being in her second year at the time of her unexpected demise. In addition to being popular with her fellow students, being awarded the James Paton prize as the most popular scholar in Prince Street School, she took an active interest in church work and recently became a member of the Methodist Church Choir, members of which attended for the musical service at her funeral. Miss Stodart is survived by her parents, Mr. and Mrs. Stodart, the former having recently returned to Cuba after a vacation spent partly here and partly in Scotland; also by her two sisters, Jessie in Boston and Cecilia with her mother here. The greatest sympathy is extended to the bereaved family in their great loss.

The annual Mont Carmel and Egmont Bay exhibition was held at Egmont May Church on Wednesday, the 11th inst. There was a large attendance from the surrounding country, from Summerside and other points. After a few introductory remarks by the parish priest, of Egmont Bay, Father F. X. Gallant, the Lieutenant Governor in a brief and well chosen address formally opened the exhibition. He was followed by Major Crosby, the American consul, who spoke on the benefits of agriculture as an occupation and of the desirability of growing nothing but the best. He emphasized the fact that a good market was always available for choice products. Speeches were also made by Mr. Justice Arsenault and by the Lieutenant Governor's Aide de Camp, Col. S. R. Jenkins. The exhibition was also graced by the presence of Mrs. McKinnon, wife of the Lieutenant Governor and by many other distinguished visitors.

The showing of live stock, including cattle, horses, hogs and sheep was excellent and the exhibits of vegetables, fruit and the household science department compared favorably with the larger exhibitions at Charlottetown and Summerside. The day was beautiful, the attendance large, and the people of Egmont Bay and Mont Carmel, have every reason to congratulate themselves upon the success of what proved to be one of the best exhibitions ever held here. Lot 15 and the surrounding country is progressing rapidly and bids fair to become one of the most important agricultural centers in the province. Much credit is due to the exhibition directors and especially to the president of the association Mr. Jos F. Arsenault, and the secretary, Mr. Alme D. Arsenault, who have been indefatigable in their efforts to make it the success it undoubtedly was. While attending the exhibition the Lieutenant Governor, Mr. McKinnon and party were the guests of the pastor, Rev. F. X. Gallant.
