

CENTRAL REALTY CO., LTD, NEW GLASGOW, N. S.

ESTIMATED PROFITS.
Assuming that the returns from income property, building and sale of houses and sale of lots will yield \$12,000 per year, and profits from purchase and sale of properties for quick turnover would be \$3,000 per year.
Based on the above, the profits would stand as follows:
From Income property, building and sale of houses and sale of lots \$12,000
From purchase and sale of properties 3,000

Interest on Bonds.....\$5,000
Sinking Fund.....2,000
Balance available for Common Stock, equal to 7 p.c. on present issue, \$7,000
Net earnings would be nearly twice the bond interest and sinking fund requirements.
In addition to the above, the assets and earnings will gradually become greater, owing to the natural increase in value of properties now owned by the Company.

Hear the New Edison Blue Amberol--The Indestructible Record

The new Blue Amberol record is a decided treat to all owners of Edison phonographs.

It is indestructible, but not like the common kind of so-called "weaver" records. The Edison Blue Amberol cannot get harsh, scratchy or screechy. It is clearer, sweeter and has a more mellow tone than the ordinary Amberol.

Before putting it on the market it was

Played 3,000 Times in
Laboratory Tests--

It was the intention of the Edison people to devote but the very best talent to making Edison records. They intended to make records on its list that you will want to play 365 days in every year.

The new Blue Amberol cannot be broken, never wears out and is so sweet, mellow, and pure in tone that you will take a new interest in your phonograph.

The best New Year's resolution you could possibly make is to say that you will not put in another year with the old style system of home heating. Persevere yourself that you will do away with the hot carrying stent, the ash shifting feat, the coal attending grid and regiment of pretty worries that attend looking after a score of stoves and carrying ashes and coal all over the house.

All you need to do is install our Hot-Air Heating System and good heat and comfort will come into your house to stay.

For full information regarding this system, write, call or phone 393-J.

AMUSING TALES OF THEATRE

BERLIN, Dec. 31 (Special)—Quite a number of amusing anecdotes, many of them hitherto unpublished and most of the others very little known, are told by Dr. W. Ahrens in a book dealing with his reminiscences of the theatre in Germany that has just been published.
One of them tells how a few lines in one of Fritz Reuter's best-known comedies came to be altered on account of a very unusual incident. Junkermann, the popular interpreter of many of the roles in Fritz Reuter's plays, was ordered to give a command performance before the Emperor William I.—the victor of 1870—at Wiesbaden. He has to play the part of a young officer who left the service on account of his debts, but later came in for the large fortune that his father left behind him. "Ah!" says the lieutenant (or rather, so he said at the initial performance, "now I can go back to the army.")
Junkermann had just got to the words and was saying them with a certain expression of joyful relief that seemed quite in the part of full-blooded youth of twenty and a few years, when suddenly the figure of the Emperor leaned over the edge of the box, and, both the actor and those of the Court who were there

Try This Home-made Cough Remedy

Costs Little, But Does the Work
Quickly, or Money Refunded.

Mix two cups of granulated sugar with 1 cup of warm water, and stir for 2 minutes. Put 1/2 ounce of Pinex (fifty cents' worth) in a 16-ounce bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis, and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualic acid and all the natural pine elements, which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equalled.
A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex or will set it for you. If not send to The Pinex Co., Toronto, Ont.

was surprised to hear the old monarch say with curt deliberation—"I shall not take him back into the army!"
The interjection, somewhat of a compliment, undoubtedly to the actor who had persuaded the Emperor of the reality of what was really only so much comedy, was, however, at the same time a sharp correction of the author. At all events, for one reason, or the other it caused something of a sensation. No doubt the Kaiser was aware of this when he ordered Junkermann to give a second performance of the same play some short time after. It was certain from the point of view of the players that it would never do to repeat the words that had led to the incident. So the prodigal lieutenant said something about going in for agriculture.
"Again the Emperor leaned forward, "Yes, I can approve of that," he said, just as plainly as before when he caused the incident mentioned. The Emperor would never approve of young officers running into debt, and ever after actors and managers took care that no approval of them should be shown in any play performed in his presence.

DISTURBANCE AT CAMP HILL

LONDON, Dec. 31 (Special)—The serenity of life in the rural detention home at Camp Hill, in the Isle of Wight, has been disturbed by the revolt of a number of the inmates, who refused to resume work after dinner as a protest against one of their number being sent to a punishment cell for misconduct. The prisoners defied and abused the officers in charge until the arrival of a party of wardens from the old convict prison, a short distance away.
Described as "the prison hotel," the home is an experiment in the reform by kindness of men sentenced to preventive detention. They mess

IMITATION OF FAMOUS PAINTING

ROME, Dec. 31 (Special)—Signor Cavenagli, the greatest Italian authority on old paintings, has discovered that the painting attributed to Raphael which was purchased by the State for \$2,000 is but a clever modern imitation, the work of a Russian painter here who has specialized in forgeries, and has succeeded in selling a considerable number of them as genuine.

SICK DAUGHTER NOW WELL

Mrs. C. Cole Tells How Her Daughter Was Restored to Health by Lydia E. Pinkham's Compound.

Fitchville, Ohio.—"I take great pleasure in writing to thank you for what your medicine has done for my daughter.

"Before taking your medicine she was all run down, suffered from pains in her side, could not walk but a short distance at a time, and had severe pains in head and limbs. She came very near having nervous prostration. She had begun to cough a good deal and seemed melancholy by spells. She tried two doctors but got little help.

"I cannot find words to express my gratefulness for what Lydia E. Pinkham's Vegetable Compound has done for my daughter. She feels and looks like another girl since taking it, and I shall always feel that I owe you a great debt. You can use this letter for the benefit of others if you wish, as I shall always recommend your medicines for female troubles."—Mrs. C. Cole, Fitchville, Ohio.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.
