**Policyholder says:**

**"The $50 Monthly Income will be of great assistance"**

**Mr. ——— was ill for a long time, but, because he had a Confederation Life Policy with Total Disability Benefits, he received $50 a month income . . . and his insurance was kept in full force without payment of further premiums while receiving such benefits.**

Confederation Life Association,
Dear Sirs:

Please accept my sincere thanks for the prompt attention given my claim, regarding the Disability Clause in my insurance policy. The $50.00 monthly income will be of great assistance, as I have had such enormous expense in connection with my long illness.

I wish to express my appreciation for the courteous manner in which the Company has always transacted business with me.

I heartily recommend Life Insurance with the added Disability Clause, as it is one of the safest and best investments I know of.

Yours sincerely,

We earnestly recommend you to write for particulars of the Confederation Series of Policies, with Total Disability and Double Indemnity Accident Benefits, and participating in profits. They provide the most economical form of insurance to be had. The coupon above is for your convenience.

# The P. E. Island Hospital Campaign

All the way from Montreal, a great corporation has stretched the long arm of friendliness to Prince Edward Island and given a powerful upward push to the $250,000 campaign for the new Prince Edward Island Hospital, which is scheduled to close tomorrow (Tuesday) evening. This friend in need is the Sun Life Assurance Company of Canada, which is represented here by Manager J. A. Moore, with offices in the Commerce Building. It contributes $5,000 to the Hospital fund, and accompanies the generous subscription with its best wishes for the complete success of the fund-raising movement. The contribution will be reported officially at the Victory Supper by Team 5, of which Mr. Moore is an active member, and which is captained by Mr. Wilfred F. Taylor.

President T. B. Macaulay, of the Sun Life, telegraphed to Manager Moore last Saturday afternoon a confirmation of the big company's gift. Manager Moore had been in communication with President Macaulay for several days. Knowing his corporation's liberality, Mr. Moore expected a four-figure contribution, but even he was agreeably surprised when President Macaulay informed him that the Sun Life would make such a substantial subscription.

"Our company takes a deep interest in the welfare of Prince Edward Island," said Mr. Moore Saturday evening. "It also has the vision to have a broad view of the importance of hospitalization. This is an age of constructive co-operation. Modern science operates to prevent illness as well as to cure it. An up-to-date hospital is a tremendous factor in such work. The Sun Life evidently has satisfied itself as to the wide usefulness of the Prince Edward Island Hospital to the people of this Province, and realizes that the new structure will make the institution doubly effective as an agency for the conservation of the whole community's health. I am delighted to be the channel through which this fine encouragement comes to our worthy cause."

Everybody connected with the campaign is striving to reach the objective by six o'clock tomorrow (Tuesday) evening, when the Victory Supper is scheduled for the Social Hall of Trinity United Church. All Provincial District Chairmen are urged to turn in all their subscriptions and cash contributions to Allied Towns Chairman H. Hooper Horne before three o'clock that afternoon. Later returns may be telephoned to Campaign Headquarters—telephone 1094 and 1294—where a member of the clerical force will be stationed to receive reports for the Allied Towns Committee. All Charlottetown captains and other team members are requested to make their final reports at the Victory Supper. Captains who cannot attend in person are asked to designate members of their teams as acting captains to report for them. The Chairmen of the Committee on Former Residents and the Business Friends Committee also are expected to report at the supper. So is the Chairman of the Memorial Committee.

An expert in philanthropic fund-raising movements made an analysis of the present campaign on Saturday afternoon and prepared the following announcement:

"This fund-raising movement is in position to reach the objective. With seventy-two hours remaining between the present moment and the Victory Supper, and less than $80,000 remaining to be raised, the volunteer workers can roll up a grand total of at least $250,000 by Tuesday night. This may seem improbable to persons unfamiliar with campaign achievements, but every one who knows how gallantly volunteer workers respond to an emergency call and how generously contributors will give additional subscriptions when, as in this case, it is necessary to do so to make the goal, will understand the accuracy of the assertion.

"First, let us study the Provincial situation. There are forty-six Provincial District Committees, and it is practically certain that almost all of them will reach their quotas, while some of the Committees have turned in and will turn in much more than their allotments. So far, there is about $35,000 more to come from the Province to make up its total quota of $60,000.

"Second, it is probable that the Charlottetown teams will report at least $20,000 on Tuesday evening. Captains and other team members have worked vigorously since the tenth rally supper last Tuesday night. Their later efforts are aided by a radical revision of the memorial opportunities. It is quite possible that they will have more than $20,000 of new contributions for the Victory Supper. Their success so far has been so gratifying as to warrant this belief.

"Third, there are fairly certain returns still to come from Dr. Clark's Committee on Former Residents and Chairman Wallace L. Higgins's Business Friends Committee. Both of those units have highly creditable records to date, but there is reason to believe that the results of their energy and enthusiasm are not all in.

"Fourth, the Executive Committee has yet to hear from Ambassador Charles M. Williams, who is approaching big corporations in Toronto, Waterloo and Montreal. In view of Mr. Williams's excellent achievemtn for the Sanitarium and his well known general ability as a business man, as well as his enterprise and personality, it seems reasonable to expect a five-figure total of subscriptions from his flying trip.

"Fifth, and most important, it appears to be propable that between $25,000 and $30,000 of additional large subscriptions will come from the Memorial Committee. This unit consists of twenty-four of the most businesslike and effective men in Charlottetown and Souris. Its Chairman is Mr. W. K. Rogers, who also is Chairman of the Board of Trustees of the Hospital, and who has given his time and energy without stint to the institution's development for many years. One of its members is His Worship, Mayor Prowse, a leading merchant who certainly has the health of Charlottetown at heart. Another is W. Chester S. McLure, M.P., who also is a public-spirited citizen and undoubtedly cherishes the interests of his entire constituency.

"Still another is Senator John McLean, of Souris, whose lifelong devotion to the progress of the whole Province is known to all. Then there is Mr. George D. DeBlois, whose liberality to philanthropic institutions has aroused admiration. Another prominent merchant is Mr. S. A. McLeod. Zealous for the cause is Mr. James Paton, who has been a leading citizen for decades. And the members include Mr. Alfred Pickard, Mr. H. R. Hillson, Mr. R. E. Mutch and two eminent physicians, as well as other men of high standing in the community.

"As the Memorial Committee's quota is $125,000, and it has reported perhaps $80,000 thus far through its own column and various teams, it is entirely within the bounds of possibility of Chairman Rogers to be able to announce $25,000 to $30,000 more next Tuesday night. In fact it would not be astonishing to see such a strong committee of prominent citizens exceed its quota. The revised memorials will help this unit, too.

"Here we have, therefore, an almost certainty of $35,000 more from the Provincial Districts, a probability of $20,000 from the Charlottetown Divisions, a likelihood of several additional thousands from Dr. Clark's and Chairman Higgins's Committees, a plausible hope of $10,000 or more through Ambassador Williams and what may be regarded as a strongly probable possibility of at least $25,000 more from the Memorial Committee. This indicates an additional grand total of about $90,000 against less than $80,000 necessary to success.

"Of course, every part of the campaign organization, large and small, should do its utmost to bring in as many contributions as possible. No one can predict what cog in such a mighty human machine will slip. It would be astonishing if some unit did not fall short of its expectations. All the more reason, therefore, why every man and woman should put forth the maximum of effort, to offset the possibility of disappointment in other directions. Even allowing for all slips, success is within the grasp of the volunteers. It CAN be done."

Seven Provincial Districts reported an additional total of $1,492 to Allied Towns Chairman Horne on Saturday, as follows:

| Town | Chairman | No. of Subscriptions | Amount |
|---|---|---|---|
| Bradalbane | W. J. Seaman | 16 | $ 81 |
| Bunbury | Major A. S. Robertson | 24 | $410 |
| Harrington | Charles E. Stewart | 31 | $308 |
| Little York | B. R. Brown | 2 | $ 55 |
| Murray River | F. C. Bennett | 3 | $224 |
| Stanley Bridge | HerbertMcEwen | 8 | $102 |
| Uigg | R. C. McLeod | 38 | $317 |

Chairman Bennett's $224 included a subscription of $200 from Dr. Lester Brehaut. It was reported by Chairman Stewart that a contribution of $100 from Mr. and Mrs. George Abbott, of Union Road, Harrington, had not yet been published.

The day's returns from six of those seven Districts carried their grand totals to the following amounts: Bradalbane, $362.45; Harrington, $902 ($202 above quota); Little York, $1,057.25 ($357.25 above quota); Murray River, $733; Stanley Bridge, $202.20; Uigg, $372.

Bunbury's additional $410 apparently carried that District's grand total to $916, but Major Robertson says his total to date really is $2,272, and explains that many of his subscriptions have been reported by other units. Chairman Roy S. McLean telephoned from Souris that he was sending $1,811 to Chairman Horne by Monday's early train. This will be included in the Allied Towns Committee's next report.

### IN FLANDERS FIELDS

In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly,
Scarce heard amid the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders Fields.

Take up our quarrel with the foe!
To you, from falling hands, we throw
The Torch. Be yours to hold it high!
If ye break faith with us who die,
We shall not sleep, though popies grow
In Flanders Fields.

— John McCrae

### CANADA NOW GROWS OWN GARDEN SEEDS

The demand for registered grades of Canadian grown seed of roots and vegetables in increasing noticeably, particularly in Ontario and Quebec, reports the Seed Branch of the Dominion Department of Agriculture. Vegetables growers, gardeners and farmers find that the extras cost of high quality certified seed is slight in proportion to its actual superiority. Two factors made for quality in Canadian grown seed. These are the inherent advantage of careful selection in foundation seed stock, and the important fact that seed produced in Canada is acclimated, giving results. Heretofore the most of the field root and garden vegetable seeds used in Canada have been imported for the United States and Europe. Field tests are indicating that often this important seed is of poor quality—much of it of questionable quality.

### A MARITIME DITTY

Sung at the Maritime Association reunion in Toronto:

1.

Let's sing us a frivolous ditty
Of Maritime Provinces three;
The pride of our loyal Dominion,
N. S., P. E. I., and N. B.

Refrain:
We're Maritimers, Jolly Down-Easters are we (we, we)
We love our home-land the Provinces down by the sea.

2.

We all love the Gulf's fairest jewel,
The Province we call P. E. I.
When R. B. Bennet builds 'em a tunnel,
That's where all our "praties" we'll buy.

Refrain:
Praties! Praties! Cook 'em, and eat 'em, and smile, smile, smile!
Where else grow praties as good as Prince Edward Isle?

3.

We all love the land of the Bluenose,
An-apple-ous Valley divine;
A climate that's death to hay-fever;
While herring-bones sprout on the spine.

Refrain:
We like cod-fish, lobsters and haddies, and mack'rel too;
Ben's Beans, Clam-Chowder, are the true Maritimers' "home-brew."

4.

The Restigouche Salmon we're proud of,
And big moose that fall to the gun;
Fresh lobsters from Old Bay of Fundy
And oysters that please every one.

Refrain:
Lovely, Lovely, Pleasant old places to see-e-e
Take me, Take me, Oh take me back to N. B.

5.

Where else grow Canadian leaders,
A college or Province to boss?
We've given 'em Faulkner and Whidden,
And Lieutenant-Governor Ross.
Refrain:

Refrain:
Fielding, Borden, Tilley and Tupper, and How (Joe Howe)
Bennet and Rhodes are faithfully serving us now.

6.

We're proud of our own Trade Commission,
They'll pilot us out of the fog;
No more need we "cuss" the "Yank" tariff
While Burnaby stays on the job.

Refrain:
We're Maritimers, Loyal down-easters are we (we, we)
We'll buy the good things they send us from down by the sea.

7.

We've sung us a Maritime ditty,
And end now with every good wish;
May each—whether "Tory" or "Grit-ty"—
E'er vote for the right "politish."

Refrain;
We're Maritimers; jolly and loyal we'll ever be;
We love our home-land, the Provinces down by the sea.
(Tune of "My Bonnie Lies Over the Ocean.")

"Tell me, Doctor, why you address your congregation as 'Dear Brethren'? You seem to forget the ladies."
"But the one embraces the other."
"Yes, but not in church."

# P. E. ISLAND HOSPITAL CAMPAIGN

**From Saturday's Guardian**

The Executive Committee met in headquarters at four o'clock, with Executive Chairman W. F. Tidmarsh in the chair. Commander Charles H. Black, of the Men's Division, and Mrs. H. Hooper Horne, Commander of the Woman's Division, presided at a joint meeting of the team captains of the two divisions in headquarters at four o'clock yesterday. The two commanders and twenty captains, aided by many team members, went over scores of prospect cards with a view of giving generous subscribers opoprtunity to lift their contributions to memorial grade. Cards were taken freely, and a lively supplementary canvass is promised for today.

Allied Towns Chairman Horne yesterday received the following additional reports from Provincial Chairman and Vice Chairman Raymond busy compiling totals until late in the evening:

| Town | Chairman | No. of Subscriptions | Amount |
|---|---|---|---|
| Brookfield | Charles E. McDuff | 5 | $ 70 |
| Cornwall | W. W. Crosby | 37 | $ 753 |
| Emerald | J. W. Fyfe | 17 | $ 103 |
| Fredericton | J. A. Cutliffe | 1 | $ 5 |
| Kingsboro | J. A. Fraser | 2 | $ 7 |
| Little York | B. R. Brown | 21 | $ 144.25 |
| Milton | Hammond Hooper | 12 | $ 90 |
| Mt. Albion | W. J. McEachern | 5 | $ 7 |
| Murray Harbour | Samuel Prowse | 29 | $ 83.25 |
| Murray River | F. C. Bennett | 2 | $ 16 |
| Totals for last night | | 131 | $1,283.50 |

The foregoing aditional reports carried the grand totals of the above ten District Committees up to the following figures:

Brookfield, $380; Cornwall, $1,203; Emerald, $507; Fredericton, $354.50; Kingsboro, $435; Little York, $1,002.25; Milton, $1,245; Mt. Albion, $583.50; Murray Harbour, $624.25; Murray River, $599.

Through an error on the part of some member of the Allied Towns Committee, $161 that should have been credited to Murray Harbour was placed to the credit of Murray Harbour North. Restoring that amount to its proper place, and adding yesterday's report, makes Murray Harbour's grand total to date $624.25. It also puts Murray Harbour North back among those centres from which Chairman Horne has not yet heard. The prophecy is made that Chairman Oswald Graham will come in at the eleventh hour with a satisfactory report. It is understood he has experienced unavoidable delay.

Readjustment of the Long Creek situation gives Chairman Currie a grand total of $628 against a quota of $1,800, which it is predicted he will reach before Tuesday.

An extra important meeting of the Memorial Committee was held in campaign headquarters at seven o'clock last evening, Chairman Rogers presiding. One of the most zealous of the committeemen present was His Worship, Mayor Prowse. Another who showed keen interest in the proceedings was Mr. James Paton, who, besides his work on the Memorial Committee, has filled three other valuable posts in the campaign. Still another was Mr. H. R. Hillson. Chairman Rogers apportioned among his colleagues many cards of prospects who are expected to increase their contributions substantially.

His Honour, Lieutenant-Governor Frank R. Heartz, Honorary Chairman of the campaign, is keeping in close communication with Executive Chairman Tidmarsh and other leaders of the movement, and is showing marked interest in the success of the undertaking. Governor Heartz was Executive Chairman of the 1923 Hospital campaign, and Honorary Chairman of the 1924 movement for the Protestant Orphanage. Mrs. Heartz has given much assistance to members of Team 16, of which Mrs. F. W. Tidmarsh is Captain, and Miss Ruth Heartz is an active worker on one of the teams. It was remarked yesterday that every public fund-raising movement with which His Honour has been connected has been a conspicuous success.

**For November Funds**

Our November Offering List includes many attractive bonds and preferred stocks grouped as follows:

| | Yielding from |
|---|---|
| Government and Municipal Bonds | 4.50% to 5.25% |
