At the police court in Charlottetown yesterday F. Mahar, charged with being drunk, was discharged. A. Stanley, charged with fighting on the street on March 3rd, was fined \$10. A number of young men charged with the same offence on that night will appear later, summonses having been issued.

Daniel Fraser, Kingston, is expected to visit Winsloe Road next week in connection with the proposed construction of a rural telephone system in that locality. Mr. Fraser has had much experience in these matters, having had much to do with the construction of a rural line at Kingston and New Haven and he will confer with those in Winsloe Road who are influential in the present movement.

The Orioles and West End Baptist hockey teams were to have played at the Arena last night from nine o'clock to ten o'clock, and many people had gone to the rink to witness the game, but in the eleventh hour, Manager Mahar, was notified that the game had been postponed. This was the first time for such a thing to happen this winter, and many people, as well as Mr. Mahar, were disappointed.—Halifax Exc. (The Orioles played in Charlottetown recently.)

The "Kelsey Kids", who visited Charlottetown last fall, are still on their walking tour of 48,000 miles around the world in 48 months, the task which the Kelsey Kids, Harry and Mrs. Humphries, of New York have set themselves. They started from New York in July, and have already toured 1,900 miles of the United States, 1,500 miles of Canada, 275 miles of Labrador, and 1,100 miles of Newfoundland. With his wife, a fair, fluffy haired woman with a bright, laughing face, Humphries arrived in London. "The round the world walk is for a wagger," he said, "we are to take no money except for souvenir postcards of ourselves. We must not accept rides. We shall receive \$10,000 from a magazine on our return if the journey is completed according to the terms."

"Christianity a Finality, and the Hope of the World" was the subject of an able and eloquent lecture yesterday afternoon by the Rev. Dr. Sprague, of Mount Allison College in the Y. M. C. A. Owing to the severe storm the attendance was very small, and the meeting was held in the library. In opening the lecturer gave a brief survey of the old religions, how they stood the test of time as compared with Christianity. He then in a very lucid way spoke of the place of Christianity in the world, and how it has been admired by men of other religions. In his description of Christ, the speaker gave a very beautiful picture of the man perfect qualities with which He was endowed. He also mentioned the opinions of famous infidel writers of Christ and Christianity showing that these writers admired the ideals of the religion and of its founder. Rev. A. B. Cohoe moved a vote of thanks to the speaker for his excellent address, which was unanimously passed.—St. John's Exc. (Rev. Dr. Sprague is well known in Charlottetown.)

Mrs. George Jenkins, Millview, is visiting at Orwell, the guest of Albert and Mrs. Jenkins.

Ex-Mayor Compton, Summerside, was a visitor to Charlottetown yesterday.

A good time is promised to all who attend the concert and social in Cornwall Hall on March 20th.

Miss Emily Martin, Kinross, is visiting at Vernon, the guest of W. A. and Mrs. Jenkins.

The "Old Deestrick Skule" to have been given in Pownall Hall, has been postponed till the latter part of March.

The many friends of Mrs. Phillip Irving, Cherry Valley, will be pleased to hear she is recovering from her recent severe illness.

There will be services in the Presbyterian churches at North Rustico at 11, Stanley at 3 and New Glasgow at 7 p. m. next Sunday. The offering will be for the famine sufferers in China.

The residents of York Point and West River have organized a local Telephone Co., and are having a concert and social in Cornwall Hall on March 20th, to help along the good work.

There will be a special meeting tonight at the Salvation Army Citadel at the close of a bright and interesting sermon a piece of pie and a cup of tea will be served. Admission will be 7 cents.

The Woman's Missionary Aid Society of Cherry Valley met on March 7th at the home of Mrs. J. D. Jenkins, Vernon. There was a large attendance. Deep interest is taken at these meetings. May the good work go on, and the whole world be won for Jesus. Mrs. Jenkins was appointed corresponding secretary for the coming year.

The following is copied from Dexter, Maine, exchange.—James A. and Mrs. McQuarrie of this town are the parents of a baby boy which arrived at their home on Saturday and which is said to be one of if not the largest living child ever born in Maine. The youngster tipped the scales immediately after his birth at 15 pounds and two ounces. Both mother and child are doing nicely. Mr. McQuarrie is a Scotchman, while Mrs. McQuarrie is English born, being a native of Birmingham, Eng. Both are young people. Mr. McQuarrie being an employee of the Fay and Scott machine shops, and known to many in this Province.

A popular horse medicine, MacKinnon's Condition Powder is one of the most popular horse medicines sold here. We honestly recommend it as a superior all round medicine for horses. It cleans the blood, strengthens the stomach and improves the coat. 25c a large tin. The MacKinnon Drug Co., corner Great George and Kent Streets. dtf.
