MONDAY
Passed peacefully away at 182 Great George Street on Sabbath eve, 11th, 1927, Mrs. John MacLean, aged 85 years, after three days illness. All that medical skill and nursing could do was of no avail. She leaves to mourn two sons and one daughter, also one nephew, John M. MacLean, of Portland, Oregon. The funeral service was conducted by Rev. Mr. Lamont at the late Moderator of the funeral home, 11th Street, in the family plot in Belfast Cemetery.

At the conclusion of his sermon yesterday Rev. W. Bruce Muir paid an eloquent tribute to the life and work of the late Moderator of the General Assembly of the Presbyterian Church of Canada, whose death occurred a few days ago and in a report of which has already appeared in The Guardian. The Rev. Mr. Muir referred to the late Moderator as a man of culture and ability far beyond the ordinary, and was evidenced by the fact that he was elevated by his brethren of the Presbyterian Church in the dignity of Moderator of the General Assembly. He expressed his sympathy with the bereaved family and the church which had lost so useful a worker but, he declared, works fall one by one but the work goes on.

The musical service was in keeping with the solemn occasion and, after the Benediction, the Organist, Mr. Methven, played The Dead March, the congregation remaining kneeling.

WEDDING BELLS—A very pretty wedding was solemnized in St. Mary's Convent, Souris on Feb. 1st by Rev. Monsignor McLean when Mr. Edward Holland, of East Baiton, and Miss Margaret MacKenzie, one of Greenvale's most popular and highly esteemed young ladies. The bride was attended by her cousin Miss Mary A. McAulay, while the groom was ably supported by his cousin, Mr. John B. They were married in the morning and after a few pleasant hours of entertainment and musical programme the couple drove to the home of the groom, Mr. Burns Holland where they were happily greeted and a supper awaited them. The bride and groom were the recipients of many beautiful presents they received showed the high esteem in which they are held. After a few hours of enjoyment all dispersed to their homes wishing the happy couple many joyous and prosperous years of wedded life.

On Saturday morning last, Mr. G. Robinson of Robinson's Taxis, Halifax, met the Council of the Charlotte Board of Trade, and took up with them the question of re-establishing a steamship service between Boston and Charlottetown—a facility which has not been enjoyed here since the days of the old Planters.

At the afternoon he also discussed the matter with His Honor Mr. Justice Arsenault, president of the Public Association. Both the Council and Judge Arsenault endorsed this proposition as being in the best interests of the bodies they represented.

Wires were at once sent to three steamship firms which, it was thought, might be interested. It is certainly to be hoped that the matter will be advanced as any means which will help to bring tourists to our lovely Island is beneficial both to them and to us, and is worthy of every encouragement.

Mr. Robinson stated that a representative of the Board of Trade, that he saw no reason why this should not be accomplished. He thought, too, that the S. S. "Munargo," which has been in the habit of making Charlottetown a port of call on her regular route from New York to Quebec would continue to do so, but that the "Iroquois" and the "Shawnee," of the Clyde line two larger vessels which make the same route, might be induced to stop here as well.

Mr. Robinson, who as an organizer and promoter knows thoroughly all the resorts along the east coast from Labrador to Florida, is strongly of the opinion that the Maritimes in summer lead them all in beauty and general attractiveness.
