The death of Gordon MacLeod, son of Roderick and Christy MacLeod, Bridgetown, P. E. I., occurred on January 20th after a lingering illness. Deceased was only 42 years of age. He leaves to mourn his father and mother, one brother, J. S., at home, and two sisters, Mrs. Stewart Hunter, Bridgetown, N. S., Geo. The pall-bearers were: Wallace MacKenzie, Neil Miller, Herbert MacLeod, Leslie Hunter, Russell Hunter, John Hunter. The funeral services were conducted at the house and church by the Rev. MRS. JOSEPH MYRA

There passed away to her Heavenly reward at her home in Souris, on December 16th, Mrs. Joseph Myra, (nee Sarah Pyke), in her 57th year.

For a number of years the deceased had not been enjoying very good health but six months prior to her death she contracted a cold from which she never recovered.

Besides her sorrowful husband she is survived by two daughters, Annie E., of Saskatoon, Sask.; Mrs. E. Mosher, Souris, and one son, William at home. Her other surviving relatives are a daughter, mother, now residing in Sydney Mines, C. B., one sister, Mrs. William Gillman, Souris, and four brothers: viz. Charles, of Winnipeg, Man.; Albert and Randolph, Saskatoon, Sask.; and John of Sydney Mines, C. B. Some with her parents from Newfoundland to Souris where she has since resided.

The funeral took place on the afternoon of the 18th, from her home, services were conducted by her pastor, Rev. H. A. Brown, assisted by Rev. A. McKay.

HILARY G. MOONEY

Again the home of Leonard Mooney of Greenville has been saddened by a visit from the Angel of Death. Scarcely five months ago his son Joseph E. died very suddenly. A month before his loving wife passed away. Now he is called upon to mourn a second son, Hilary, a bright young boy thirteen years of age. He had been ailing for some months, but good hopes were held out for his recovery, but God willed otherwise and on Friday Jan. 16th, his pure spirit passed away. Everything possible was done to bring about his recovery. Hoping that under the constant care of a physician, his chances of recovery would be increased, his father took him to the Charlottetown Hospital where he had the expert attention of Dr. Jenkins and the loving care of the Good Sisters. But death was not to be denied. On Jan. 19th, his funeral took place. Tender hands laid him by the side of his brother there to await a glorious resurrection. In life they were together in death they were scarcely divided.

His pastor (Rev. Joseph McLaughlin, V.G.) performed the last rites at church and grave. May His Soul rest in Peace.

MRS MARY ANN BEER

A very sad death occurred at the home of her daughter Mrs. Younger Kingston P. E. I., on Nov. 10th, when Mrs. Mary Ann Beer, a most respected and one of the oldest residents of Bannockburn, P. E. I., succumbed to a lingering illness of Neuritis about the heart. Her husband, James Beer, predeceased her by a year. A woman of estimable christian, character, loved as a mother by those of her community, with an ever overflowing heart of affection for all. She leaves to mourn their loss three daughters, Mrs. Hood and Mrs. Darrach of Clyde River and Mrs. Younger of Kingston and two sons, at home also a sister and her brother, Mr. Boyd Livingston of Clyde River. A member of the Presbyterian Church of long standing and an earnest and zealous worker, she will be keenly missed.

The funeral of the late Edward Kelly, of Kelly's Cross took place on Friday morning January 23rd at 9 o'clock, having been postponed awaiting the arrival of his son Albert who was delayed at Sackville for 24 hours. The deceased who was 73 years of age, has been in failing health for the past year or so and a month or so ago his condition apparently grew more serious, medical aid and kind treatment at the hands of his sons and daughters, availed not to stay the onward march of the approaching Reaper. Having been afflicted by the Sacraments of Holy Mother the Church by the pastor, Rev. Father Curran, he died on Monday morning at 8 o'clock, January 19th. The deceased Mr. Kelly was a man distinguished for those traits of character most to be desired in the life of any community—a man who was alive to the fact that he was in this world to earn a living by the sweat of his brow, that he was responsible before God to rear a family who were a joy and a blessing to him in his declining years, and best of all a man above suspicion in his private and business transactions, a man whose word was his bond, and the business community will vouch for the assertion. He leaves to cherish an unimpaired memory five sons and three daughters.—Wilfred, in Prince Rupert, B. C., Charles, in Providence, Albert, in Foxborough, Man., Jerome McGuigan, J. E. **Town's Poor Boy**

**It for \$5,000,000**

LONDON, Eng., January 27.—Thirty-seven years ago he left Huddersfield with less than \$1 in his pocket; today he virtually has completed a transaction making him at a cost of \$5,000,000, owner of the greater part of that Yorkshire town.

That is the remarkable achievement of Sam Copley, a banker of London. He is a short and sturdily built man of sixty years, yet, despite the strenuous life he has lived, he looks many years younger. Although he has been away from Yorkshire so many years there is no mistaking his accent, and Copley is as proud of it as anything he has achieved in his life. He remembers with relish that when a lad living with his father a barber in Berry Brow outside Huddersfield, he was known as the "Young Terrier" always in mischief.

Copley made his fortune in Australia. He says: "When I was a boy everyone in Huddersfield was cursing land lords. Ever since I have always thought that if I were rich enough I would buy Huddersfield and free it, and now I think the opportunity has come. It was at the suggestion of my friend, Wilfrid Dawson, a well-known stock broker of Huddersfield that I gave the corporation an offer of the property I bought. If the corporation does not accept the offer I shall give every man in Huddersfield the opportunity of becoming the owner of

## Eat Less and take Salts For Kidneys

TAKE A GLASS OF SALTS IF YOUR BACK HURTS OR BLADDER BOTHERS

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

his own freehold property. "This buying of the Ramsden estate is just one of those changes in social conditions in England to which we are now getting accustomed.

There was a period of slavery, then a period of serfdom and then a period of landlord and tenant. Today is the period when people are going to own their own freehold which is one of the greatest ties to keep men at home and satisfied men will always fight for home."

**SEVEN MORE YEARS OF TOPHEAVY PRICES**  
HALIFAX, Jan. 26.—Seven more years of topeheavy prices was the discomfiting prediction of Hector MacInnes, K.C., who addressed the Commercial Club on the much discussed subject of the high cost of living. Mr. MacInnes dealt with the effects of inflated currency.

Mr. MacInnes took as his text Sir Edmund Walker's statement that it was living in a fool's paradise to think in terms of money rather than merchandise. He spoke of many causes to which the rises in prices had been attributed, and said the authorities no longer blamed it upon profiteering. It had been believed that there would be a decline after the cessation of the war, but such had not been the case. Governments had found it necessary to inflate the currency to finance loans, and this had reduced the actual value of the dollar in the case of Canada the currency had increased almost three hundred million dollars, while the gold supply had only increased sixty-two thousand dollars. He claimed however, that Canada was in a better position than any other country. He said that it would take a long time for things to return to normal.
