THE CAPITAL OF THE WEST

The steamer Northumberland did not leave port yesterday on account of the thick snow storm.

THOUGH a heavy snow storm raged all day yesterday, Joseph Read & Co., had delivered them from country districts 160 live hogs which they shipped to the Dominion Packing Company, Charlottetown.

A team belonging to the Queen Hotel while at work yesterday clearing snow from the yard got clear of the driver, the snow scoop having come in contact with the horses, feet causing it to run. The animal went at quite a fast rate down the north sidewalk of Water Street and while passing Ching's Confectionary store the scoop struck the plate glass window smashing a large part of it. The accident is an unfortunate one particularly at this time of year when it is practically impossible to have the glass replaced.

SHORTLY before eight o'clock Thursday evening the last end fire bell was rung for a few minutes for a slight blaze in the chimney in a small house near the railway station. Fortunately the fire was not serious enough to require the services of the fire department; and fortunately it was too that the bell in the market house was sounded, as the hall at the time was not crowded with people at the Conservative meeting. But for the presence of mind of some of the town officers the bell would have been rung and most likely serious accidents resulted.

AT the regular meeting of the Court Chantauqua, I. O. F. held last evening the following officers were elected for the ensuing year.

"Seldom or ever has a larger or more appreciative audience assembled in Irishtown hall than on the evening of Nov. 30 ult, when the Rev. E. Smith, M. A., of Kensington, delivered his excellent lecture on Canada "From ocean to ocean." Long before the time appointed standing room ceased to stand even at a premium. The lecture which was both descriptive and extremely interesting was one which not only elicited a deserving tribute to the Rev. gentleman's ability as a lecturer but was a thorough exposition of his travel in a recent trip to Vancouver, B. C. The views which were illustrative of the many Canadian places visited were shown to good advantage on a spacious sheet which extended from the upper part of gallery to the rear of the stage, many of which were an enlivening impetus to all lovers of Canadian scenery, and in many instances called forth intense enthusiasm and admiration. The Rev. gentleman eulogized in highest terms our Canadian home, and its prospects of yet becoming the abode of many happy millions of people. He spoke of the railways, resources, industries and trade relations of our great Dominion, which were interspersed with views of our most notable cities such as Montreal, St. John, Winnipeg, today the greatest wheat producing mart on the North American continent; Carmen, Deloraine, Banff, with its magnificent parks, Revelstoke, Nelson, Rossland, Yale, Vancouver, the glaciers while the views of the Manitoba wheat-fields, houses, cattle, horses, sheep made made it extremely interesting to all present. At the close a vote of thanks, moved by Samuel Bernard seconded by Andrew McLeod was warmly tendered the lecturer to which he replied in touching and fitting words. "God Save the King" then brought to a close a very pleasant and profitable meeting.

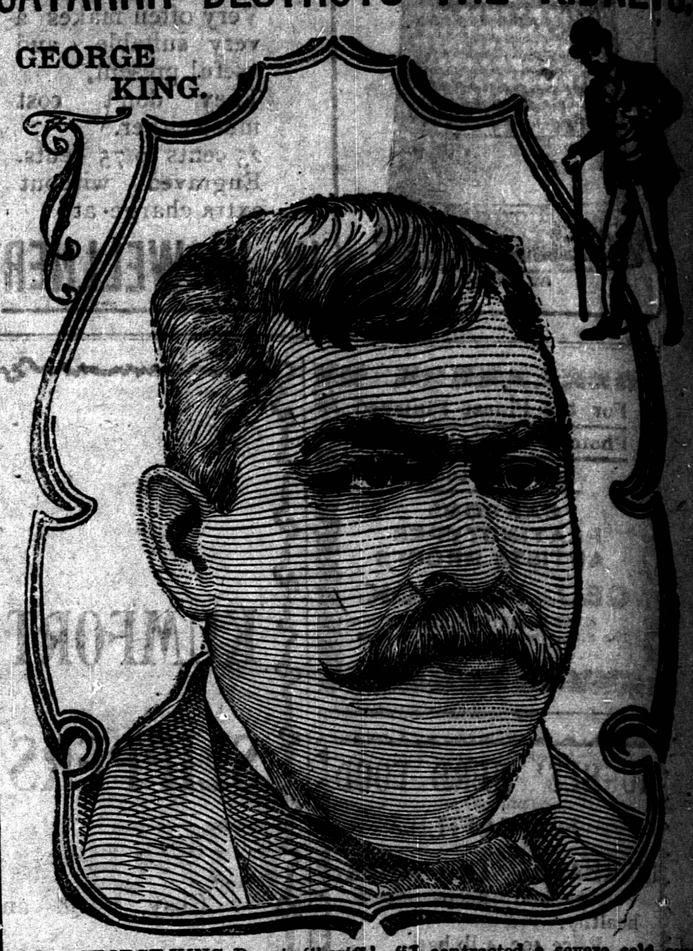
CATARRH DESTROYS THE KIDNEYS.

GEORGE KING.



MR. GEORGE KING, Deputy Sheriff of Rensellaer Co., N. Y., for years was a well known merchant of Troy. In a letter from No. 45 King St., Troy, N. Y., he writes:

"Peruna cured me from what the doctors were afraid would turn into Bright's Disease, after I had suffered with catarrh of the bladder and kidney trouble.

"Peruna is a blessing to a sick man. Eight bottles made me a well man and were worth more than a thousand dollars to me. I cannot speak too highly of it. It is now four years since I was troubled, and I have enjoyed perfect health since."—George King.

Prominent Member of I. O. O. F. Threatened With Bright's Disease.—Peruna Restored Him to Health.

O. Fred Lindstrom, Past Grand Master Independent Order of Odd Fellows, writes from 1923 University Ave., St. Paul, Minn.:

"I contracted a severe cold several years ago, which from neglect developed into urinary trouble, and threatened Bright's disease. I used Peruna faithfully for three and one-half months, when my health was perfect once more. I have never had any trouble since."—O. Fred Lindstrom.

Catarrhal inflammation of the mucous lining of the kidneys, also called "Bright's disease," may be either acute or chronic. The acute form produces symptoms of such prominence that the serious nature of the disease is at once suspected, but the chronic variety may come on so gradually and insidiously that its presence is not suspected until after it has fastened itself thoroughly upon its victim.

At the appearance of the first symptom Peruna should be taken. This remedy strikes at once at the very root of the disease.

A book on catarrh sent free by The Peruna Medicine Co., Columbus, O.

"There is a SOMETHING about VIM TEA that is to be found in no other tea," said a Saint John lady to grocer the other day. She did not know exactly what or how to describe the difference, only there was "something" VIM TEA had that other teas lacked. That something was a little more QUALITY.
