KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensation when urinating, etc. Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Miss Albertha B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them." Price 50 cts. per box, or 3 for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont. When ordering specify "Doan's".

The beautiful new \$150 Pipe Tone Bell Organ, in quartered oak case, specially ordered by C. P. Fletcher of this city, which will be given as a "Special" prize in The Guardian's Mammoth Canadian Tour Contest open to single and married Provincial ladies of over sixteen years of age. Other "Special" prizes will be a magnificent new \$350 Mendelssohn Piano, in Mahogany case, specially ordered by Miller Bros of this city, and a new Edison Phonograph with two dozen records in case, almost \$100 in value, from A. E. Toombs of this city.

Everything She Ate SEEMED A BURDEN TO CARRY. HAD STOMACH TROUBLE FOUR YEARS.

When your food has not been properly digested, your body has not received the benefit it should. The exertions of the gastric juice have been confined entirely to removing the unassimilated undigested portions of food which they cannot properly digest as speedily as possible from the body, thereby only giving the blood a small percentage of nourishment with which to feed the tissues. Burdock Blood Bitters regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health and strength to the debilitated system. Mrs. D. A. Francisco, Rosland, B.C., writes: "I was suffering from stomach trouble of the worst kind for about four years. Everything I ate seemed a burden to carry. I always arose in the morning with a sickening and feverish taste in my mouth and was also troubled with swellings in my hands and feet, which my physician said was due to the disordered state of my stomach. I tried everything that was purchasable, and also consulted two or three physicians, but could find no relief until one of my neighbors told me of a wonderful cure by Burdock Blood Bitters. I used altogether ten bottles and am now perfectly cured. I wish to recommend B.B.B. to anyone who may be so unfortunate as I was. For sale by all dealers."

CONDITIONS OF THE BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course answer the 50 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.
2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.
3. Each contestant in this Local Club, must answer each of the written questions for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.
4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 inches.
5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut off so the examiner may know it by number only.
6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the question is based upon which the answer is based.
7. The answers from this Local Club must be delivered to the office, and they will be collected at once to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out to-day.

AN IDEAL TOUR

To the Pacific Coast and the Alaska-Yukon-Pacific Exposition.

Because of the fact that the Alaska-Yukon-Pacific Exposition is being held in Seattle this year crowds of people from the east will be attracted to the Pacific Coast. In fact many who have long wanted to visit the coast will make an effort to do so this year, because of the extra attractions which the west will have to offer and the low rates which have been established, because too, that many have learned by experience that the personally conducted tour is the ideal way to travel and get the most real enjoyment and value out of a trip many are naturally looking for such a tour. The same has been provided for by the Grand Trunk Railway System, and on July 16 a special train party will leave Montreal. The party will be made up of people from New England, northern New York and Canada and will be composed of teachers, business and professional men. The fact that the service of this road which is easily one of the finest equipped railroads in the country, with the only double track between Montreal and Chicago and one of the finest roadbeds in America, is at the disposal of the party, and that the party is to be personally conducted by E. C. Bowler of Bethel, Maine, who has long since established a reputation of making his tours truly ideal, is sufficient guarantee that those who take this tour will get the tour of a lifetime. No effort has been spared by the railroad or Mr. Bowler to this end, the route from start to finish is the best that can be had between ocean and ocean; every possible detail looking to the comfort and pleasure of the party have been considered, and a rate which seems almost insignificant with the service has been made. The party will be limited to the capacity of the train, and any desiring to secure accommodations should apply at once for full information to
