**ST. VITUS DANCE**

A Trouble That Usually Attacks Young Children.

St. Vitus dance is the name generally given to a disease described by medical men as chorea. This trouble usually attacks young children, though older people may be afflicted with it. The most common symptoms are a twitching of the face and limbs. As the disease progresses the twitching takes the form of spasms, in which the jerking motion may be confined to the face or all the limbs may be affected. Presently the patient is unable to hold anything in the hands or walk steadily. In severe cases the speech is often affected. The disease is due to debility of the nerves and relief comes through an enriched blood supply. Dr. Williams' Pink Pills have been most successful in reaching this trouble through their enriching action on the blood, which in turn enriches the nerves. The following instance proves the value of Dr. Williams' Pink Pills in this trouble. Mrs. Thomas Bowen, Bath, Ont., says: "Dr. Williams' Pink Pills have been in use in my family for years and always with good results. I believe they saved the life of my only son. At ten years of age he grew very nervous and the trouble developed into St. Vitus dance. His legs and arms would jerk and twitch then his speech was affected, and his condition was pitiable. Just then there came to me a little book telling of Dr. Williams' Pink Pills and I decided to give them to him. By the time two boxes were used there was an improvement in his condition and by the time the third box was taken all traces of the trouble had disappeared, and he was well and strong. I have also given the pills to my growing girls, and I know of no better strengthening medicine. I may add that the same applies to grown-ups as well."

You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**MR. NEIL LESTER MACDONALD**

At the family home, Rice Point, P. E. I. on Aug. 10 1928 there passed away peacefully a young man of sterling industry and character in the person of Neil Lester MacDonal, aged 25 years. He bore a long illness of almost two years with the deepest sympathy with the bereaved.

There are left to mourn, his mother, Mrs. Allan MacDonal, a sister, Grace and a brother, Donald, all at home. Also a brother, Hugh in British Columbia, and a sister, Mary, in Providence, R. I. The funeral service was held at the house on Sunday afternoon at 2 o'clock, with interment in Canoe Cove cemetery, and probably the largest attendance ever seen in the community. Rev. M. C. MacKinnon M. A. B. D. of St. Paul's United Church, Perth, Ont. conducted the service. The pall-bearers, cousins of the deceased, were: Robert MacDonal, Norman MacDonal, Donald MacDonal, R. S. MacDonal, Fletcher McEachern and Leslie Mitchell. Many friends extend through the Guardian the deepest sympathy with the bereaved.

**LETTER OF SYMPATHY**

To Mrs. Angus W. Docherty: We, the members of the Mt. Buchanan Women's Institute do hereby tender you our sincere sympathy in the sorrow you have been called upon to pass through by the death of your beloved mother. She will be missed in the community, where she always took an active interest in all the current events of the day and won by her thrift and industry the respect of all with whom she came in contact. But it is in the home she will be missed most where she always had a pleasant smile to greet all who came to visit her. We feel that mere words of ours can be of little comfort to you but we will commend you to Him who is the Great Comforter and would ask you to look to him for comfort and consolation.

Signed on behalf of the Mt. Buchanan Women's Institute.  
Mrs. J. D. Murchison  
Mrs. D. N. Buchanan  
Mrs. Dougal McKinnon.
