The Fredericton Daily Herald of Sept. 16th gives a lengthy account of the wedding, looked forward to with more than usual interest by Fredericton society.

Rev. George D. Ireland, the popular and able pastor of St. Paul's Presbyterian Church, Woodstock, and brother-in-law of John Agnew, M. L. A., Alberton, to Elizabeth Caroline, eldest daughter of E. Byron Winslow, K. B. The ceremony was performed by Rev. T. W. Street, sub-dean, assisted by Rev. Canon Roberts. The bride was attended by her sister Miss Marguerite Winslow and Miss Lenore Allen White. Rev. Dr. D. J. Fraser, of the Presbyterian College, Montreal, was the best man. The wedding was undoubtedly one of the most brilliant ones seen at the Cathedral for a number of years. The stately edifice was very tastefully decorated with cut flowers and potted plants, the work having been performed by the lady friends of the bride. At the conclusion of the ceremony the bridal party left the church to the strains of Mendelssohn's wedding march, and with the invited guests which included only relatives and intimate friends, proceeded to the home of the bride's mother where a reception was held. The bride, who was one of the most charming and popular of Fredericton's young society women, was the recipient of a magnificent array of bridal presents in cut glass, silverware, etc. Her gift from the bridegroom was a gold locket and chain set with pearls, which she wore during the ceremony. The bridegroom's present to each of the bridesmaids was an initialled pearl pin. After the wedding the happy couple left on a two weeks' trip to the upper provinces.

The marriage took place on Tuesday morning last at 5 o'clock at the home of J. P. Irving, Cape Traverse, of his daughter Miss Janie Irving to Eugene McEachern of the Examiner, Charlottetown. The ceremony was performed by Rev. Neil McLaughlin, the bride being unattended. Quite a number of presents were received not only from friends in Cape Traverse and vicinity, but also in Charlottetown and Summerside. The happy couple left same morning on a trip to Halifax, Boston and St. John.

A correspondent from Beque sends the following:—During past years the practice of shooting wild geese and other wild fowl on their feeding grounds in Beque Bay has been indulged in by oyster fishermen and other persons from Summerside. It may be that those who have been indulging in such practice are not aware of there being a heavy penalty for the same. Knowing or not knowing it would be well for such persons to take timely warning and leave their guns at home as some of the Beque sportsmen have determined that such violation of the law must be stopped and will prosecute the first—as well as the last man caught in the act.

JUST THE THING TO BROIL OR TOAST

There is nothing so sweet and digestible as a piece of broiled meat. The old way of broiling on top of the range by taking off the cover is all right if you can stand the smoke and smell. But the method by the Enterprise Steel Monarch, made by the Enterprise Foundry Co., Sackville, carries all smoke and odor up the chimney as will be seen by the accompanying illustration. It is as easily done as lifting a cover. This range has many other advantages which will be enumerated in later announcements. It burns either coal or wood and will be supplied with hot water front instead of tank if desired.

Call and see this range at Fennell & Chandler's, Charlottetown, or Brace, McKay & Co's, Summerside. 5-16 tds and w 1 yr
