PARALYSED AND HELPLESS
Prominent Merchant Restored to Health by "Fruit-a-tives"
Baumot, N.B., July 25th, 1914.
"I had a stroke of Paralysis in March, and this left me unable to walk or help myself and the Constipation was terrible. Finally, I took 'Fruit-a-tives' for the Constipation. This fruit medicine gradually toned up the nerves and actually relieved the paralysis. By the use of 'Fruit-a-tives' I grew stronger until all the palsy left me. I am now well and attend my store every day."

PRISONERS ESCAPED.
QUEBEC, Que., April 1.—Although the local military authorities do not admit the story, considerable credit is given here to the story of two German alien enemies who escaped some days ago from Beaufort armory by digging a tunnel from under the cellar out into the open country some hundred feet from the outposts and barbed-wire entanglements surrounding the internment camp.

To whom it may concern: This is to certify that I have used MIN. ARD'S LINIMENT myself as well as prescribed it in my practice, where a liniment was required and have never failed to get the desired effect.

A REMARKABLE STATEMENT
Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.
Englewood, Ill. — "While going through the Change of Life I suffered with headaches, nervousness, flashes, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. Sheldon, 6667 S. Halsted St., Englewood, Ill.
Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.
If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

DON'T SCOLD, MOTHER!
THE CROSS CHILD IS BILIOUS FEVERISH
LOOK AT TONGUE! IF COATED, CLEAN LITTLE STOMACH, LIVER, BOWELS.
Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.
When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile, and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.
Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember that the counterfeits sold here surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
