

New Hair Ayer's Hair Vigor makes the hair grow because it is a hair-food. Feed the hair-bulbs, and the hair grows. That's nature's way, and that is all there is to it. Strong and healthy hair stays in, keeps soft and smooth, and grows thick and heavy. Then aid nature with Ayer's Hair Vigor. A little of it often does great things. There's genuine comfort in a handsome head of hair!

MISS SADIE McNEILL, who has been attending Prince of Wales College, returned Saturday to her home at Mount Hope, Cavendish.

The new steamer Empress built for the Charlottetown Steam Navigation Co., will leave probably in the early part of next month for this port.

The engraving of the P. W. College Observer Staff in last Saturday's Guardian was made from a photo taken by J. A. S. Bayer of this City.

With reference to apple blossoms being out The Guardian has received plenty of evidence that the trees are in bloom in this city. One tree in L. P. Tanton's garden is far advanced.

An interesting short copy-righted story entitled "Above the Ford" by Nora Bryant will appear in the Saturday Guardian of June 2nd. Be sure you get it as it will not appear in any other paper.

The funeral took place on Friday afternoon, from the residence of his brother Daniel, on Winsloe Road, of Alex McInnis who died at the age of 56 years. "The Irish Pawnbrokers" that ever joyous hilarity, now in the fourth year of its success, has been booked by manager Crabbe for May 28-29th. This favorite comedy, seems to improve with age. The reasons for this is apparent when it is known that each year Manager Spears at a lavish outlay has the farce re-written by some popular writer, and thus the entertainment is never stale, and its patrons know each season they are going to see something new and original. This fourth edition is the work of Edgar Seldon, and is said to be the most pretentious yet made, as it has a good story, with a well defined plot, abounding in complications and situations of the most laughable nature. The fun is natural and never forced and an auditor never loses interest in what is going on, as the action is brisk and the fun rapid. A number of high class specialties are interspersed throughout the action of the play. The company is headed by those sterling comedians Murphy and Mack who are ably assisted by an expert crowd of fun makers.

OTTAWA smart set were present in force at the wedding of Miss Maud Borden and Mr. Leslie Macoun last week, when Stadacona hall, the handsome residence of the popular Minister of Militia and his charming wife was filled after the church ceremony with a throng of beautifully-gowned women and prominent men. The bride had been so well remembered by her friends that the presents, which were as magnificent as they were numerous, overflowed the room allotted to their display, and occupied tables and a couple of large cabinets in the hall. The Ottawa Free Press describes the dresses worn on the occasion, and the following is clipped for the information of The Guardian's lady readers:—Lady Davies wore pearl gray silk, with appliques of lace, and a black and white hat. Miss Gertrude Davies was in Alice blue crepe de chene with point lace trimmings and a white hat. Miss Zillah Fielding wore pale blue broadcloth. Mrs. Joseph Pope—White homespun with Irish lace and a white orcholine hat trimmed with pink rose.

Mrs. HURT, who has been visiting her mother, Mrs. W. C. Bourke, left upon return to her home at Butte, Montana, on Saturday morning.

The young stallion, Perfect Boy attracted the attention of every lover of horse flesh, as he passed through the streets yesterday afternoon. This prize winning carriage stallion, was foaled in June 1902, stands 16 hands 3 inches high weighs 1100 lbs, rich chestnut color, and for style and action, he is hard to duplicate. He was bred by J. H. Ringwood, once owned by Andy Doyle of this city and is a grandson of Preceptor. John A. Stewart, Union Road is the proud owner.

BETWEEN four and five hundred children were present at the second free concert at Y. M. C. A., Saturday afternoon last. To say all enjoyed themselves is not expressive of the pleasure all had in hearing Robert Shaw, of Montreal, recite several pieces, and the programme of musical pieces, more especially the comic pieces which were loudly enjoyed. The Misses Smith sang two selections sweetly, and the audience gave them and Mr. Shaw three cheers that made the Hall ring with the shouts of healthy ladies. Mr. Shaw was greatly pleased at the good conduct and attention of the children, who sang Home Sweet Home at the conclusion of a pleasant afternoon entertainment.

Sin Against Health

Why the Usefulness of all Organs Is Destroyed by Costiveness.

Most important to health and comfort is proper action of the bowels.

By nature these organs are intended for the removal of the waste particles of matter which accumulate in the system.

Retain these wastes and you poison the blood, ruin digestion, bring on nervousness and anaemia.

Habitual costiveness is best overcome by Dr. Hamilton's Pills, which establish regularity that is exactly consistent with nature.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. Mr. Massey relates his experience for the benefit of others who may be similarly afflicted. If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain for sale by all druggists.
