The Horrid Cruelty Of Huns in Belgium

CHATHAM, Ont., April 8.—A harrowing tale of brutality and oppression was unfolded today by Mrs. Victor Venlaven, Belgian refugee who, with two small children, joined her husband here today. The woman arrived by way of Detroit and through an interpreter told of the treatment by German soldiers of women and children and old men in her home city, Termonde. After the Germans occupied the city, families were taken into fields and shot down like rabbits. German soldiers marching through the streets drove the bayonet through children and carried them along impaled on the blade. Parents were locked in their houses, and at command of the German officers their children fired the houses. If they refused they were shot down. Had it not been for the relief given by Canada and the United States, millions would have stayed. All provisions are exorbitant in price. Meat is fifty cents; flour fifty cents a pound; rice, seven-fifty cents; coal oil, fifty cents a quart; bread Seventy cents a pound; butter, twenty-five cents a half pound.

A GERMAN PATROL AMBUSHED.

PARIS, April 7.—A Havas dispatch from Saloniki, dated April 6th, says a German patrol fell into an ambush on the Macedonian front and that several officers and men were taken prisoners. General Sarrail, the commander-in-chief of the Franco-British armies will attend a Te Deum today on the occasion of the Greek national holiday, by invitation of the Greek authorities, the dispatch adds.

HOCKEY

Last night a large crowd made their way to the Arena Rink, the attraction was the return match between "A" and "B" Companies of the 105th Regiment, the game started at 8.25 and was hotly contested from start to finish. A. Co. determined to win from Hill 60 while their opponents were bound to retain it. Play waged hard and fast, the puck travelling from one end of the ice to the other neither side seeming to get the better of the play. About this time Lt. Rattee lost control of his feet along the promenade and Capt. Cook sat on him good and hard, which brought all the spectators to their feet wondering what the outcome would be, but fortunately both regained their feet and went at it again. Just about this time Lt. Allen who was evidently looking for a good swipe at the puck, came in contact with Lt. Paton's feet, for which he got a two minutes rest, amid the thunderous applause of "B" Co's admirers. Play was becoming so fast that some of the players were beginning to tire when one good Samaritan, landed the puck over the promenade, which was no doubt appreciated by the rest of the players, as it gave them time to get their second wind.

After the rubber was found, and again bullied, Lt. Jenkins sent a hard shot to McInerney the goal tender for "B" Co., but was nicely checked before it did any damage, then McInerney leaving his post came up the ice like a whirlwind, very nearly succeeding in landing a bomb in "A" Co's net, but Lt. Robertson was in the way and the puck bounded to one side, then a conversation took place as to what right McInerney had in leaving his post. After some little debating they decided that the "clink" was the only place for Lt. McInerney if he repeated the offense, needless to say he kept to his little goal hereafter.
 The first half was nearing the end and Lt. Allen and Rattee were still keeping their feet in the air, when down came "A" Co., to take a trench, each player in turn having a little push at the bomb they were carrying along, but they carried it too far and it rolled behind the net, where one of the players banged it out to centre ice. Here Lt. McDonald was standing with a little stick in his hand, there was a crash and a bomb landed fair in "B" Co's, dug-out. O' Man O' Boy what a noise. The admirers of "A" Co., gave a deafening war whoop and the referee put down number one on his note book.
 The puck was again bullied at centre ice and again there was a bang and slash, and the puck was lost over the promenade for a second time. After starting play, the bell rung for the first half the score being 1-0 in "A" Co's favor.
 Ten minutes of rest and they were at it again harder than ever, and it was a case as one player put it, as where friendship ceased. Lt. Jenkins who up to this time was pounding his stick on the ice, to see what it was made of decided it was up to him, so down the ice he goes, keeping the rub-

Rids Poisons From the Blood Clear Up the Complexion

SALLOW SKIN, PIMPLES, PAINS AND ACNES ARE SOON GONE WHEN DR. CHASE'S KIDNEY-LIVER PILLS ARE USED.

The doctor feels your pulse and looks at your tongue, but at the same time he is reading your condition in your face. The sallow complexion and tells him that your liver is not doing its work, the pimples tell him that the kidneys are not properly purifying the blood, he realizes that the bowels are constipated and the system overloaded with poison.
 You can apply this test in your own case, you may be able to add other symptoms, such as headaches, pains and aches through back and limbs spells of biliousness and indigestion. If you have not used Dr. Chase's Kidney-Liver Pills you will be surprised to find how quickly they will rid your system of poisonous impurities and thereby remove the cause of pain, aches and skin troubles.
 Mrs. F. N. Hall, 102 Queen street, St.

John, N. B., writes: "I am glad to say I have used Dr. Chase's Kidney-Liver Pills with splendid results. I was greatly troubled with constipation and pimples on the face. I tried other remedies and used liquid arsenic three times a day for a year to get rid of the pimples but received no benefit. I began the use of Dr. Chase's Kidney-Liver Pills and it was not very long before I was completely cured. The pills acted on the bowels, kidneys and liver and cleansed them of impure matter. I think they cannot be beaten as a means of ridding a person of that tired aching due to weak kidneys, and I would not be without them in the house for any money.

ber in front of him, when within a few yards of the enemies goal there was a shot, and again the referee put another mark on his book.
 Play resuming he again took the puck and again made the referee make another stroke on his pad, this how "B" Co. came nosing around "A" Co's goal. It was then that Major McNutt's stick started to fly and soon he had the enemy retreating to their own territory, again Jenkins seized an opportunity and sailed down the ice, only to make the count read 4-0 in favor of his team.
 Play started again Major Stewart leading up the ice with the puck, but shooting pucks is not in his line and he failed to score, just here Paton made McDonald do the Dip of Death stunt and was awarded a few minutes on the boards to think it over, he however came back again and went at Major McNutt, the Major drawing his sword, it sure looked like a duel but after taking a good look at each other they went back to their places. Here Cosh and Sutherland took to swinging sticks, each seeing who could go the handiest to the puck without touching it. After some terrific swings were made they finally landed a hot shot to "A" Co's goal keeper, and the board held in his hand hit the puck to one side and the puck was carried away by Jenkins to the other end of the ice, when Paton took possession of it and landed the only count for his team.
 Play being resumed "B" Co., again tried to have McInerney released from his goal but to no avail, Capt Cooked all their plans and he had to go back to the pen again. After some slashing and banging Jenkins again shoots down the ice and makes the count read 5-1.
 There was no further scoring and

thus "A" Co. took possession of Hill 60, with the above score.
 The line up was as follows: it will be noted they were only playing a six man game.

"A" CO.		"B" CO.	
	Goal.		
Lt. Robertson	Lt. McInerney		
Major McNutt	Point.	Major Stewart	
Lt. Jenkins	C. Point.	Lt. Rattee	
Lt. McDonald	Centre.	Lt. Paton	
Capt. Cook	R. Wing.	Lt. Sutherland	
Lt. Allan	L. Wing.	Lt. Cosh	

Mr. James McMillan as referee and Mr. Percy Rodd as Judge of play discharged their duties most satisfactorily.
 After the match one and one half hours skate was thoroughly enjoyed by a large number to the excellent music of the 82nd Band who kindly gave their night free of charge, as did also the Rink Managers, giving the full returns from the match to Patriotic purposes.
