THREE Prohibition cases were at the Police Court yesterday forenoon. The case against John Carroll was dismissed, and the cases against Catherine McKenna and Elmira Downing, were adjourned for a week. In all the cases beer was the beverage disposed of and in the Carroll case all the witnesses swore it was non-intoxicating.

W. A. MacKINNON, chief of the fruit division of the horticultural department, who has just left for P. E. Island, has arranged for a series of orchard meetings in Nova Scotia next June, under the direction of A. McNeill, senior inspector of the fruit division of the department. Mr. MacKinnon thinks Nova Scotia is bound to be one of the greatest fruit growing spots in the world in the near future, and thinks most enthusiastically of the prospect.—Halifax Herald.

THE basket social and entertainment held recently at York was well attended resulting in a decided success. The program consisted of music, songs, recitations etc. each being well performed. The Scotch songs rendered by Jno Calder especially merit praise. F. H. Horne and Beni Carter then auctioned the baskets, and the committee wish to thank those gentlemen who were present from Charlottetown who bid so liberally, the proceeds amounting to \$60.00.

ALEX. J. McLeod, who for some months past has been visiting his home in Orwell after an absence of fifteen years, left Wednesday on his return to Honolulu, Sandwich Islands. The earlier years of Mr. McLeod's sojourn were spent in California where he was a successful Milling Superintendent. Time, however, turned his thoughts westward consequently for some eight years he has resided in Oahu, Honolulu, S. I. where he has been most successful as Overseer on extensive sugar plantations of that place. His duties in this sphere are extensive, arduous and exacting, necessitating much energy and tact. The fact that Mr. McLeod has successfully disposed of the requirements of his position for an unusually long term is sufficient evidence of his ability and worth. Before returning Mr. McLeod will visit the principal American cities. He expects to resume work early in April.

ON Wednesday evening Jan. 27th, at 7 o'clock the residence of James M. and Mrs. Stevenson, Fredericton, P. E. Island, was the scene of a very interesting event when their daughter Mary Evelyn was united in marriage to Nelson S. J. Murray of the same place. The ceremony was performed by Rev. A. N. Simpson of Summerside in the presence of a large number of the immediate relatives of the contracting parties. The bride who was given away by her father was charmingly attired in a suit of gray ladies' cloth with white silk trimmings and ribbons to match. She was attended by her niece Miss Debbie Linkletter of Linkletter who was similarly attired. The groom was supported by his brother Pomroy E. Murray of Braintree. The parlor was artistically decorated for the occasion, the bridal party standing under a wreath of green with white blossoms. After the ceremony the happy couple were greeted with hearty congratulations. The company then retired to the dining room where they partook of the many delicacies prepared for the occasion. A very enjoyable evening was spent in social games, singing and music. The bride was the recipient of a beautiful and costly array of useful presents. The Guardian in common with Mr. and Mrs. Murray's host of friends join in wishing them a happy and prosperous journey through life.

HIS OWN FREE WILL.
 Dear Sirs,—I cannot speak too strongly of the excellence of MINARD'S LINIMENT. It is THE remedy in my household for burns, sprains, etc., and we would not be without it.
 It is truly a wonderful medicine.
JOHN A. McDONALD,
 Publisher Annaprior Chronicle.

THE first college hockey game of the season will be played on Tuesday night next between S. D. C. and P. W. C. both of which have strong teams. The same night a match game will be played between the Commercial Travellers and the famous Heavyweights.

THE pie social and entertainment held in the French River Hall on Thursday, January 28th, in aid of St. Thomas' Church proved a social and financial success. Owing to the stormy weather and the bad roads the amount realized was beyond all expectations. The chair was occupied by John Stewart. Miss Eveline McLeod presided at the organ. The following program was well rendered and well received: Instrumental music by Messrs. Marks and Meek; solo by Miss Jennie Orr; recitation by Miss Bessie Harding; reading by J. A. Meek; recitation by Miss Maud Cole; instrumental music by Messrs. Marks and Meek; solo and chorus by the choir; dialogue, entitled "Old heads on young shoulders," by Mrs. James Profit, Miss Eveline McLeod, Miss Stella Orr, J. A. Meek and Reagh Meek; recitation, Miss Maud Fidgeon; recitation by Miss Lucy Cole; solo by Miss Winnie Marks; recitation by John Marks; recitation by Miss Mille Harding; instrumental music. After this the pies and bakkes were auctioned off to the satisfaction of all present.

POWELL—Considerable merriment has been indulged in of late by the local "sports" at the expense of a certain gentleman of "lady killing" propensities who has been wont to endow periodical visits to this part of East Queens—George Carver, the popular proprietor of the Forester House catered to the wants of the inner man at the C.M.B.A. ball on Tuesday night.—Miss Ada Campbell has returned from an extended visit to Charlottetown, where she was the guest at the home of Geo. H. Cook, Fitzroy St. Miss Amie Cook is returning the visit here at Mrs. Campbell's.—Miss Loisa Carver, who has been in Moncton during the last few months has returned to her home at the Forester House.—Despite the fact that the last concert was a dismal failure it is understood that another attempt is to be made to hold another. Let us hope that it will be conducted differently as far as letting every person in who has the required amount of currency. It is certainly too bad that no kind of a public entertainment can safely be given in Powell Hall, because of the fact that there are a few out-lawed individuals in this section of the country who try to raise rough house at every place they go.

THE STORY OF MORNING TIREDNESS

Is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a healing tonic like Ferreroze, an energetic invigorant and builder. Ferreroze will give you a sharp appetite, promote good digestion and sound sleep; it strengthens and energizes the enfeebled organs, strengthens the nerve and vital forces, and regulates the heart. Ferreroze changes that tired feeling into vigor, strength and ambition and does it quickly. Remember the name and insist on having only FERREROZE; it's the best tonic for 25¢ at druggists, or N. C. Polson & Co., Kingston, Ont.

A startling improvement is noticeable in Miss Jones' singing. Her voice is stronger and sounds clearer and sweeter than before using Catarrhzone, which is a wonderful aid to singers, speakers and ministers.
