Chicago Cubs Hand New York Giants 5-4 Defeat

By The Associated Press

New York Giants clubbed Paul Derringer for four runs in the fifth frame at the Polo Grounds yesterday and went on from there to defeat Chicago Cubs 5-4 for their 10th National League triumph in their last 11 starts.

Prior to the debacle Derringer had given up only one hit, a single to centre by Nap Reyes in the third. Reyes added another single in the sixth to make it six hits in his last six official at bats.

Actually it was Phil Weintraub's home run in the sixth with the bases empty off reliefer Bob Chipman that decided the contest. The veteran first baseman also opened the fifth-inning scoring splurge by working Derringer for a pass.

Van Lingle Mungo, who had to have help from Ace Adams, was the winning pitcher.

At Boston, Buster Adams' eighth inning homer with two aboard gave St. Louis Cardinals an 8-7 victory after the Braves had outhit them by a 13-11 margin in the series' opener.

Relief pitcher Syl Donnelly, called into action in the ninth to protect the world champions' slim lead, was greeted by Phil Masi's triple, the sixth of the Braves' extra-base blows, but the righthander then ended the game by striking out pinch-hitters Bill Ramsey and Clyde Kluttz and forced Dick Culler to pop out.

Brooklyn stretched its winning streak to 10 straight in a night game by downing the Pittsburgh Pirates, 6-3, behind the five-hit pitching of rookie southpaw Vic Lombardi before 25,828 fans.

The Brooks jumped on Lefty Art Cuccurullo, right off the reel and batted him off the mound in the first frame when they bunched four of their 12 hits and scored four runs.

Max Butcher stopped the attack but in the sixth and seventh frames he was pounded for six hits which netted the last two markers for the home forces.

Philadelphia Phillies handed Cincinnati Reds seven unearned runs and a 7-3 victory in the first arc light contest in Philadelphia this season.

Charley Schanz had the misfortune to draw starting pitching assignment and was charged with his fifth straight setback as Jimmy Fox, returning to third base after a week layoff, muffed a pair and second baseman Johnny Antonelli booted one to set up all the Cincinnati tallies.

Frank Dasso went the route for the Redlegs and recorded his second victory against two defeats. It was the Phillies' 18th loss in 23 games.

Coughing Epidemic Cuts Kentucky Derby Starters

NEW YORK, May 15 — (AP)— Kentucky Derby candidates from the east began to fade today as an epidemic of coughing spread through the barns at Belmont Park and other trainers declared their horses were not of the calibre necessary for the 1 1-4-mile race at Churchill Downs June 9.

Heading the list of three-year olds forced to the sidelines by coughing is William Zeigler's Esteem, winner of only one race last year but a colt that gave every appearance of developing into a distance runner.

Trainer Matt Brady said he had given up hopes of getting the son of Stimulus-Esposa in shape for either the Derby or Preakness and that if he had his way the colt would not face the barrier until the fall. Speeding Home from the Zeigler stable also is a Derby eligible but there is some question as to his staying ability.

The coughing epidemic also hit Earl Sande's First Stage and had other trainers worried. Sunny Jim Fitzsimmons, three times winner of the Derby with Gallant Fox, Omaha and Johnston, said his Johnsport from William Woodward's Belair stud was not a Derby horse.

Woodstock Blakes Hold Lead In Bowling Tourney

WOODSTOCK, N.B., May 15 — (CP) — The Maritime and Eastern Maine Bowling Tournament was running two hours behind schedule late tonight but with night games still uncompleted, Woodstock Blakes continued to lead the field with 18 points. Next were Edmunston, 15; Fredericton, 13; Charlottetown, 11; and Saint John Centrals, 9.

Halifax Imperials and Campbellton were tied with eight each. Yarmouth had seven, New Glasgow six, Halifax Conn and Martell and the Woodstock Bowling Club five each, Amherst two and St. Stephen one.

Yarmouth gave Blakes their closest call by winning two strings of one match but the Woodstock champions rolled a big third string and split the game at two points each.

Hush Peterson, of Blakes, held the high three, 378, and Grant of New Glasgow rolled the high single 143.

Results:

Fredericton 1529; Woodstock Bowling Club 1422.

Yarmouth 1486; Amherst 1370.

New Glasgow 1522; St. Stephen 1367.

Woodstock Blakes 1608; Charlottetown 1537.

Edmunston 1516; Campbellton 1448.

Fredericton 1520; Halifax Imperials 1499.

Halifax Conn and Martell 1502; St. Stephen 1269.

Saint John Centrals 1493; Halifax Imperials 1427.

Charlottetown 1530; Woodstock Bowling Club 1422.

Blakes 1546; Yarmouth 1472.

Edmundston 1505; Fredericton 1408.

Campbellton 1460; St. Stephen 1332.

Chicago White Sox Causing Consternation

CHICAGO, May 15 — (AP) — Manager Jimmy Dykes is singing in the rain these days, although a 10-game schedule lag by his first-place (for the moment) Chicago White Sox may give him a big headache later on.

When the weatherman again forestalled the important Sox—New York Yankee series here today, it was the 12th postponement for the Chicagoans in 26 scheduled playing days. (One twice-postponed game with Cleveland was finally played.)

All of which leaves the pale hose with seven games to be tacked onto their schedule and three hangover road tilts with the season scarcely under way.

Dykes knows that means a two-way stretch for his pitching corps when the heat finally is on. But at this reading, he is enjoying the consternation his club has caused the experts who to a man award the Sox a second-division berth in pre-season masterminding.

The White Sox' 12-6 record, topping the second-place Yankees (1-7) by 17 percentage points, is easy to explain. They are leading the league in hitting, are first in sacrifices, third in doubles and tied for second in triples.

Behind the veteran pitching of Thornton Lee, Joe Haynes, Ed Lopat and Orval Grove, the Sox defence has been amazingly alert. The hose twice worked the mother-eaten hidden-ball trick in 18 games, victimizing manager Lou Boudreau of Cleveland and Harlond Clift of Washington.

N. B. Welterweight Wins By Knockout

MONCTON, N.B., May 15 — (CP)—Jimmie Mooney, Moncton welterweight, scored a first-round knockout over Patsy Dupont of Montreal, in the main event of a fight card here tonight. Mooney floored the Montrealler with a two-fisted attack one minute and 30 seconds after the opening gong. Mooney weighed 147, Dupont 145.

REMEMBER WHEN

By The Canadian Press

Southpaw Billy Weir, with Toronto Maple Leafs on option from Boston of the National Baseball League, pitched himself back into consideration for a big-league job six years ago today with the season's first no-hit, no-run game, beating Baltimore Orioles 8—0. It was the seventh victory in 23 starts for the last-place Leafs.

WITH THE 1ST CANADIAN ARMY, May 15 — (CP Cable) — Gen. Crerar, 1st Canadian Army commander, will retire from the army after he returns to Canada, probably in August, it was learned today.

He intends to remain with the troops here until long service men and volunteers for the Far East have gone home, in June and July.

Public life holds no attraction for him and he definitely will not go into politics. He will live at his home in Ottawa.

Annual Meeting "Y" Held Last Evening

The annual meeting of the Charlottetown Young Men's Christian Association was held last evening at the City Hall. A large group of interested citizens, members of committees, and members of the directorate were on hand for this occasion.

Reports on the work of the Association for the past year were presented. T. Roy Cudmore, acting president submitted a report incorporating the report of Mr. D.J. Bonnell, the retiring president. The financial report was reported by F.F. Wotton, treasurer. The report of the work of the Ladies Auxiliary was submitted by Mrs. Ernest Anderson. Mr. S.A. McLeod reported on the progress of plans for the new building.

The following directors were re-elected: W.G. Hogg, B.F. Tinney, W.E. Scantlebury, G.M. Avard, Mr. R.J. Rupert was appointed to the Board to fill a vacancy caused by the resignation of D.J. Bonnell. Mr. S.A. McLeod was appointed Chairman of the Advisory Committee.

Board Elects Officers

At a meeting of the Y.M.C.A. Board of Directors last evening the following officers were elected for the ensuing year:

President—B. F. Tinney.
Vice-Pres.—T. Roy Cudmore.
Secretary—R. B. MacLaren
Asst. Sec'y—W. G. Hogg
Treasurer—F. F. Wotton
Chairman of Executive — Edwin C. Johnstone.

Continuing members of the directorate are: Clifford McDonald, L. J. Stacey, A. J. Haslam, E. S. Coffin, G. M. Avard, W. E. Scantlebury, K. M. Martin, J. M. MacFadyen, R. J. Rupert.

The following were appointed to act on the Advisory Committee — S. A. McLeod, Chairman, A. Pickard, Dr. J. A. Clark, J. E. Harris, J. P. Gordon, W. T. Rowe.

ACTING PRESIDENT'S REPORT

I am particularly grateful for the hearty co-operation accorded me by the Board of Directors during the time I was privileged to preside. Their sympathetic understanding and desire to be of real help made it possible for me to carry on with let us say, reasonable success.

It is my sincere wish that the incoming president will be favored with the same loyal and vigorous support during the busy and eventful year which lies ahead.

I requested President Bonnell to submit a report covering the four months we were favored in having him in office, which report I will now read as embodied in the report for the whole year.

D. J. BONNELL'S REPORT

"I believe it is my duty to report covering four months of the past year—namely the months of May, June, July and August; and I do so with feelings of genuine satisfaction and pleasure.

"It was during the month of June that your Board in common with Young Men's Christian Associations across Canada, and in fact Y. M. C. A.'s around the world joined in celebrating the centennial of this great institution, and honoring its founder Sir George Williams.

"In this connection the Y's Men's Club and the Hi-Y Grad Club conducted an appropriate ceremony when an excellent picture of the founder was unveiled, and now graces an important room in this building.

"It was with some trepidations that your Board, early in the year, decided to launch a campaign for funds with which to provide the youth of Charlottetown and the province of Prince Edward Island with a centre and facilities comparable to other modern cities on this continent.

The public response to this appeal was spontaneous and generous beyond the fondest hopes of your Board. Leading business men and public spirited citizens responded with a generosity that made your Board and the City of Charlottetown the envy of many larger places.

"The success of the Charlottetown Y.M.C.A. campaign encouraged other centres to launch similar campaigns, and it is gratifying to know that we were able to help the Yarmouth Association in planning their effort. We rejoice with Yarmouth in the success of their undertaking.

"At this point I want to acknowledge my indebtedness to this Board — (every member of this Board) for support and co-operation beyond anything I could hope for or expect. The campaign was characterized by an infectious enthusiasm from the beginning to the very end.

"There were no half-hearted, luke-warm workers. Every member in the organization realized the need, subscribed generously, and went "all out" for the success of the undertaking. Under such circumstances, and with such a group no organization could fail. To the one acting as President at the time, I can only assure you that it was a very real pleasure and honor to be included in your organization, and to have a small part in the consummation of a dream that was dear to all.

"I would be lacking in appreciation if in addition to thanking this Board I did not include the Y's Men's Club, Hi-Y Grad Club and the Women's Auxiliary, whose support counted so much in the success of the campaign. My sincere wish is that when the building will be completed and occupied that it may meet the needs of the community, and be symbolic of the noblest aspirations of each organization named.

"It is with regret that I am obliged to withdraw from your Board and City, but I will be with you in spirit, and my ardent wish is that under the incoming president and Mr. James A. McConnell, general secretary, the work of the Charlottetown Young Men's Christian Association may grow and prosper as fulfillment of the purpose of the founder, and in the name of the Master. Respectfully submitted, D. J. Bonnell."

While the program of the Association's activities will be dealt with in detail by the general secretary in his report, it is fitting that I mention here that the same was highly satisfactory and a credit to the Association.

As usual, and possibly to a greater degree than ever, we are indebted to the Ladies' Auxiliary under the Presidency of Mrs. E. A. Anderson for their unfailing loyalty and support. The ladies of the War Service committee were tireless in their efforts to do a good job — especially in connection with the regular Saturday night house parties for the men in the armed services. They may rest assured that their efforts were much appreciated. Mrs. James McFadyen presided over this committee.

I must pay tribute to a group of Y.M.C.A. ladies who having been organized with the opening of the airport, have continued their work which will only terminate with the closing of the port. These ladies look after the mending of clothing, sweaters and sox for the airmen, and have undoubtedly contributed very effectively to the comfort of these splendid young men. This committee is under the chairmanship of Mrs. T. Roy Cudmore.

In addition to those I have already mentioned, I must extend a word of profound appreciation to the Y's Men, the Hi-Y Grads, and the Junior Y. All these have contributed greatly to the success the association has achieved during the past year. I am firmly convinced that without the loyal, vigorous, and whole-hearted support given by these bodies, our program would have been of necessity greatly curtailed.

It is fitting that particular reference should be made to the generous support given to the Association by the various church committees, who from time to time are called upon to assist the Ladies' Auxiliary. Their unfailing courtesy and co-operation is sincerely appreciated.

The usual courtesies were at all times extended to the Association by the Guardian and the Patriot, in publishing the activities of the "Y" in all its phases. Frequent mention of these activities was also made over CFCY. We may well express to these mediums of publicity the thanks which is so justly due.

Every institution, no matter how vigorously supported by its members, cannot properly function without a loyal, trustworthy, and efficient staff. I am sure that we are particularly fortunate in this respect.

Mrs. Douglas has been untiring in her efforts to meet the exacting demands of her position as general secretary, and in this with the able assistance of Miss Pearle Burns, she has been highly successful.

The work of Mr. W. E. Scantlebury as Physical Director, left nothing to be desired, and measured up to the high standard he set last year.

Mr. Lorne Storey in his various craft classes for the juniors produced a program that was very gratifying.

The work of Mr. Ivan Watters, our caretaker was at all times efficient.

And now to the future!

You will recall reference was made by President Bonnell to the organization of various committees, and the splendid results of our new building campaign. It is now fitting that I endeavour to bring you up to date with respect to the situation with regard to the construction of the new building.

The Y. M. C. A. Building Bureau of New York, in co-operation with our local architects Mr. J. E. Harris and Mr. E. S. Blanchard have plans well underway.

A feature of the new building will be the additional facilities, whereby provision is made for a full program for girls and young women.

The building throughout will be modern in every respect, and will fulfill all the requirements of an up to date Y. M. C. A., including gymnasium, craft and club rooms, swimming-pool, bowling alleys, lounge, social and games rooms.

As it is now generally known, the property on Grafton St. originally purchased as a site for the new building, proved to be on examination by experts in this line, totally inadequate for the object we had in view. In fairness to the citizens who so liberally contributed to the campaign, we felt justified in making other arrangements necessary to the success of the project.

With this in view, three committees, namely the property, the finance and citizens made a thorough survey of various properties, and their unanimous conclusion was that the best site available was the Rogers' property on the corner of Prince and Euston Sts. This site was also approved by the architects.

Although naturally the final sight cost more than the Grafton Street property, you will be pleased to know that the latter has been sold at a profit which enabled us to secure the more desirable location without additional expenditure.

When the plans are completed, they will be at once forwarded to Ottawa, in order that the necessary priority be granted for steel etc., necessary for the construction of the building.

Be assured that your Board of Directors will exert every effort to have the building under construction at the earliest possible date.

And now as to the interval between the time of leaving the old building, which has so many gripping and tender memories in the lives of all of us and many who have departed, and the completion and occupation of the magnificent new building we have in mind, there is much to think about.

The work must go on — the Y.M.C.A. cannot mark time—we must be up and doing, fulfilling the needs of those we are destined to serve in this community. No doubt it will be necessary to approach other organizations and churches for the use of premises and other assistance, in order that our work and usefulness may not be curtailed or interrupted. This will call for study and deep consideration on the part of your new President and Directors. In this connection it is gratifying to feel that we have in our new general secretary, Mr. James A. McConnell, one who will give all that is in him to forward the interest of the "Y" in accomplishing the work necessary to maintain contact with our citizens and further the interests of the Y. M. C. A. to which he has pledged his loyalty.

A grave responsibility has been placed upon us by the citizens of Charlottetown. It is imperative that we invest the funds which they have entrusted to us to the best advantage for the youth of today and the coming generation.

I have every confidence in the ability and determination of the incoming Board of Directors to see to it that this is done.

SECRETARY'S REPORT

The year ending April 30, 1945, was a busy one for the Charlottetown Young Men's Christian Association, according to the report of the general secretary which was read at the annual meeting of the Association last night.

Maintenance work, in the way of repairing and re-decorating lobbies, offices, bowling alleys, and locker rooms, was undertaken completed.

The ladies' branch of the Association, through their War Services Committee, did a great deal toward supplying entertainment and comforts to service men, dancing and refreshments being provided them without charge.

Athletics were not neglected during the past year. Girls' classes under Mrs. Stephenie G[illegible] were held regularly and gymnasium classes for junior, intermediate, and senior boys were held under the direction of W. E. Scantlebury. A boys' hockey league was formed and games were played at the Charlottetown Forum. A basketball team was also formed and played several games with other City teams throughout the season.

The general secretary's report also revealed that the services of the Y. M. C. A. Building Bureau of the United States and Canada had been obtained to assist in the completion of plans for the erection of the new Y. M. C. A. building. The report intimated that construction of at least part of the new building will begin within the next few weeks, and that reasonable assurance of this construction during the coming summer months was made possible by Messrs. S. A. McLeod and J. W. Boulter journeying to Ottawa, where, on behalf of the Y. M. C. A., they interviewed the Controller of Construction.

S'side Athlete Wins Medal At U. N. B. Meet

FREDERICTON, May 15 — (CP) — T. Edward R. Mitton, Summerside, P.E.I., was announced as 1945 winner of the Sir Frederic Williams-Taylor Gold Medal for the most outstanding athlete at University of New Brunswick. A senior engineering student, Mitton won 14 points today at a track and field meet—one of the features of Encaenia Week at the University.

Rain Of Value Despite Delay To Field Work

Although wet weather was delaying field operations on P.E.I. farms the rain was of great value, Dr. J. A. Clark, superintendent of the Charlottetown Experimental Station said yesterday. The rain was balancing up an unusually early spring break-up and was taking the place of a later season.

Earlier Dr. Clark said that records kept at the Experimental Station indicated that an early spring was usually followed by a hot, dry summer and by a lower than average yield of most field crops. Only the hot weather crops —such as fodder corn—did well in such a season.

The snow disappeared from the fields early this year and in some sections fields were dry enough to cultivate in April. Dr. Clark said that some wheat, oats and barley plots were planted at a Dominion Illustration Station at Alliston on April 27. The first grain went into the ground at the Charlottetown Station on May 10.

Last year grain was seeded at the Charlottetown farm at about the same date in May and Dr. Clark said the yield was excellent. It always was with early planted grain, he continued. Wheat and oats should be seeded now as soon as the ground can be worked. There wasn't quite so much hurry for barley.

Meanwhile the average farmer in this Province had hardly started field work and the indications were that seeding of the bulk of the grain crop would be later than average.

LIVERPOOL, England — (CP)— Rev. Samuel Turner House, known as the "father of Methodism," has just celebrated his 100th birthday. He estimates he has preached nearly 4,000 sermons.

K. Of C. Monthly Meeting Is Held

The regular monthly meeting of the Knights of Columbus was held last evening with a large attendance of members. The Grand Knight R.A. MacDonald presided.

After the routine business was disposed of the Grand Knight called on the Lecturer Robert Bradley to take the chair for the good of the order and he introduced Rev. Father Crowley of the Holy Redeemer Parish who gave a very interesting and impressive talk on his experiences in Newfoundland.

A hearty vote of thanks was moved by Mr. W.J. Brawders and seconded by the Grand Knight and tendered to Father Crowley by the Lecturer.

The main feature of the meeting was then introduced by Dr. J.A. MacMillan who explained the progress of the Knights of Columbus Memorial Boys Camp so far and outlined the future operations. He was followed by Messrs Wm. Hennessey, M. Alban Farmer, Dr. J. T. Croteau, Frank Shanahan, D. E. Noonan, W.J. Brawders, Leo Corcoran, Vernon Maddigan, Ben Gallaghen, Wilbert Smith, Louis Butler, Robert Bradley, Wilbert Croken and Alf Doyle.

After the discussion a standing vote was taken and 100 per cent responded for operating the movement.

The meeting closed with prayer by Father Crowley.

Plan Transfer Of War Equipment To Pacific Area

BY AUSTIN BEALMEAR

ALLIED SUPREME HEADQUARTERS, Paris, May 15 — (AP) —All usable American war material no longer needed in Europe will be transferred to the Pacific as quickly as possible, most of it being shipped directly, Brig.-Gen. Morris W. Gilland, deputy chief of staff for supply in the European theatre of operations, disclosed today.

Troops going directly to the Pacific will take all their equipment with them, Gen. Gilland said. Those going to the United States will carry only their maximum essential equipment, leaving the rest behind to be serviced and then sent directly to the Pacific.

The end of the war in Europe found the American armies with more than 5,500,000 tons of supplies on the continent. This included 700,000 tons of ammunition and more than 1,000,000 separate items ranging form locomotives to watch repair tools.

The bulk of all the equipment in Europe will need some repairs, Gen. Gilland said. Most of the repair work as well as the packing, weatherproofing and the like will be done by army personnel.
