SILLY ST. LOUIS.

St. Louis is clamoring for an honest police force.

Dear Sirs.—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to anyone suffering from throat or lung trouble.

BELIEVE IN PRACTISE.

Probably the Chinese would take a little more kindly to Christianity if they realized that you can believe in it without practicing it.—Puck.

McLEAN'S VEGETABLE WORM SYRUP is the same safe, pleasant and effective remedy for children as when introduced years ago. The first Worm Syrup was McLean's, beware of imitation. Get the original and Genuine McLean's Vegetable Worm Syrup.

IS IT CHRISTIANIZING AFRICA.

PAY UP AND LOOK PLEASANT.

The insurance companies are undoubtedly being hard hit in Canada. But they are expected to meet heavy losses at times, and the average on which their rates based include such losses. So it hardly seems appropriate to follow up a heavy fire anywhere with a boost of the rates in that locality.

Wanted a case of headache that Kumfort Headache Powders will not cure in ten minutes. Price 10 cents.

THE QUEBEC BOERS.

BEHIND ALL ROUND.

Lord Rosebery ventures to say that our commercial classes require educating and training scientifically from the bottom to the top. But perhaps it is not they alone who are in need of education. Many people think that our governing classes, our political classes, our men of light and leading, are quite as far behind corresponding classes elsewhere as our merchants and manufacturers.—London Times.

DISEASES OF CHILDREN.

Measles, Scarlet Fever and the many exhausting diseases of childhood, frequently leaves the little sufferers in a weakened and debilitated condition of health from which it is difficult to rescue them except by the regular use of Dr. Chase's Nerve Food. This preparation is admirably suited to the requirements of children, and has such an invigorating and restorative influence on the system as to make weak, puny children bet they, plump and active.

THE 20TH CENTURY BICYCLE.

The most notable improvement in bicycles for the coming season seems likely to be in the direction of lighter weight. Those weighing from 20 to 23 pounds will be as common on the road next spring as were those of 26 and 28 pounds last season, and there is a marked reduction in the weight of chainless wheels, hitherto a barrier to their popularity.—Boston Herald.

People who talk, and when neighbors get together there is very likely to be something said about Dr. Chase's Ointment, and the surprising cures it is effecting among sufferers with piles and itching skin diseases. It is by word of mouth, from friend to friend, that the fame of this great ointment has grided the globe. It stands to-day as the only actual and guaranteed cure for every form of itching, bleeding and protruding piles.

THE SUNDAY STREET CAR MEN.

Christianity without a Sabbath is being offered to the street car men of this country as a matter of charity. I think if I were tied to a trolley pole all day Sunday for the benefit of easygoing church members, as well as for the people who do not attend church, I should decline with thanks that remnant of Christianity which these same church members should see fit to offer me on a week-day evening at some rescue mission.—Worcester Paper.
