### Cut off Aerial

Compare Radios before you commit yourself. Try this among five tests that prove the Silver-Marshall more alive than any.

Remove the aerials on both. Attach a 3 foot wire. Cut in half. Check results on each make. Keep on cutting in half and checking. The winner fades down as wire's shortened, therefore the leak-proof Radio.

—SLIGHT BLAZE—The prompt action of the employees of Hall's Manufacturing Co. saved the situation in what might have been a serious fire on Thursday about 5 p. m. when the roof of the Globe Hotel, Summerside caught fire. As soon as the fire was discovered, Hall's men got their own fire hose to work and kept the flames subdued until the arrival of the firemen. The close proximity of the Cold Storage plant to the hotel made it necessary to act quickly to keep the building from catching. Very little damage was done.—S.

—MONTHLY MEETING OF CHILDREN'S AID SOCIETY—The regular monthly meeting of the Board of Management of the Children's Aid Society of Prince County was held in the Town Hall on Tuesday. President Dr. J. A. McPhee presided. The agent of the society, Mr. Vincent Harrington, stated that the three children of the parties who are living in a tent on the Rifle Range at the outskirts of the West end of the Town had been placed by him in St. Vincent's Orphanage. Since the school opening he had found the attendance good and was not bothered with much truancy except on one or two old cases which were very difficult to deal with. He felt that the School Inspectors might be compelled to bring action against the parents in one or two instances for failing to send their children to school. He reported that boy who had been committed to St. Patrick's school, Halifax, had run away from that institution and had arrived home but he would take him back in the course of a few days.—S.

—ENGLAND — KENNEDY NUP-TIALS.—A very pretty wedding took place at Springfield West, on Tuesday September 2nd, at 2.30 o'clock when Mary Isobel England, niece of Mr. Daniel Currie, and Raymond Calvin Kennedy, son of Mr. and Mrs. Murdock Kennedy, Breadalbane, were united in marriage by the Rev. Mr. Loring. The ceremony was performed at the home of the bride's uncle in the presence of relatives and immediate friends. The bride who was unattended, looked lovely in a gown of white satin and lace and veil of white tulle with coronet of orange blossoms, and carrying a shower bouquet of white roses. Immediately after the ceremony Mr. and Mrs. Kennedy left on a motor trip to Boston, the bride travelling in a brown ensemble with hat to match. On their return they will reside in O'Leary where the groom is manager of Kennedy & Kennedy, Limited.

Dear Miss Rattray:—The members of Wheatley River Institute wish to express their sympathy for you in the loss of your beloved brother, Mr. James D. Rattray. We know your sorrow, and those of us who have lost a loved one, can feel with you. As you were with him in so many of life's joys and sorrows, the break in the family circle would be more keenly felt. ROBERT STEVENSON MR. B. A. EIKHOUND
