Christmas Eve and Night ABIE'S IRISH ROSE With MICHAEL CHEKHOV

EXTRA Complete News Reel of the Royal Wedding

son's life-long desire that his son marry a girl of his own faith. Rosemary temporarily poses as "Miss Rosie Muphinski," and keeps secret their marriage. So delighted is Solomon with Abie's "girl" that he has Rabbi Samuels (Art Baker) perform a second ceremony.

Complications arise when Rosemary's father, Patrick (J.M. Kerrigan) planes East from California with Father Whelan (Emory Parnell) to attend the wedding of his daughter to Abie, who he thinks is named Michael McGee. An amusing but turbulent situation ensues when Solomon discovers that his daughter-in-law is in reality a miss from the Emerald Isle, and when Patrick learns of Abie's descent. Both fathers rashly denounce their children and set about quarrelling among themselves, a situation which lends itself for some unusual frolics.

Welcomed newcomers to the screen are lovely Joanne Dru — Mrs. Dick Haymes in real life — and the most enchanting "find" of the year, and Richard Norris, who seems headed for certain stardom. Fans of Michael Chekhov (sensational as the psychiatrist in "Spellbound") will revel in his whimsical interpretation of Solomon Levy.

A sparkling supporting cast includes George E. Stone, Vera Gordon, Bruce Merritt, Eric Blore, and Harry Hays Morgan. All have joined together to make "Abie's Irish Rose" one of the rosiest comedies to appear in some time.
