TWO SHOWS AT NIGHT
Your last opportunity to
see the greatest of all pic-
tures at popular prices

manufacturers as well as the fruit
and dairy displays, evoked a great
deal of admiration. Our expert se-
lectors outdid themselves last year
and visitors from abroad as well as
our home people were loud in their
praise of this feature of our show.
Our merchants and others who ex-
hibited, showed taste and skill in
the way they displayed their wares.
We regret that we did not have a
larger building for the purpose as a
great amount of additional space
could be rented. Three new island
manufacturers exhibited for the first
time, namely Annie L. Hunter, maker
of Chocolates; the Central Bedque
Flour Mills, manufacturers of wheat,
flour, feed and oatmeal, and W. S.
Fraser & Company, Ltd., packers of
home grown goods. They report that
great interest was taken in their
products.

The flower display was the finest
we have had, no doubt due to the
earlier dates. We are going to en-
courage this department, and hope
to have our flower show one that
every person will want to see. The
exhibit in arts was the largest for
many years. Fancy and domestic
goods also made a nice display.

The Midway
The amusement part of our pro-
gram was well taken care of. Ar-
rangements were made with the Bill
Lynch Company to bring over all
their paraphernalia and give us a
real big midway. This could not
have been effected had not the City
Council given us assurance that
there would be no competition of a
kind on the city square. We
our part agreed to cut down the
price of admission in the evenings to
the very minimum to allow young
children in free with their parents.
This great midway seemed to please
everybody, old and young.

Our horse racing program was
enlarged by the addition of an ex-
tra class and the inclusion of a
Free-For-All with a substantial
purse to attract the best class of
performers. The three best plan
which makes for snappy racing and
thrilling finishes was given a try-
out. We are glad to report that the
public were thoroughly pleased and
no doubt the same system will be
continued this year. Interspersed
between the heats of the horse races
were the performances of the Billy
Rice Trio and the Royal Pekin
Troupe, the latter the highest priced
and highest class act that was
ever brought to this province.

The Charlottetown Legion Band
specially trained for the occasion
and it rendered very fine music
during the afternoon also in the
evening when the Billy Rice Trio
and Royal Pekin Troupe performed
in front of the grandstand. These
performances we may say were
shown to the public at a very small
charge in the evening. This also
at the request of the City Council
who desired that all could get the
most entertainment for the least
money. In speaking of the evening
entertainment we cannot help refer-
ring to the beautiful electric light-
ing by the hundreds of electric lights
these made the grounds and build-
ings into a real fairyland, and it
was really interesting just to watch
the enormous crowds of people en-
joying themselves so happily.

We must not close without giving
our thanks to the Provincial Govern-
ment and to the City Council of
Charlottetown for what they have
done to make possible the continu-
ance of our Exhibition, and the
press, particularly the Charlottetown
Guardian and the Evening Patriot
for the large amount of publicity
given, and the Dominion Minister
of Agriculture, Dominion Live Stock
Commissioner, Clydesdale Horse As-
sociation of Canada, our merchants,
Banks and others who so kindly
gave special prizes. To Mr. Scarth,
Manager of the Bank of Commerce
and his staff for daily assistance
during the week and to all our ex-
hibitors and friends who helped to
make the Exhibition a success, we
offer our sincere thanks. In con-
clusion we wish to express our deep
appreciation of the services of Mr.
J. W. Boulter, Deputy Minister of
Agriculture, as Secretary. Mr.
Boulter gave untiringly of his ener-
gies without one single cent of re-
muneration. He is truly a public
spirited citizen. Exhibitors from
home and abroad, horsemen and
all others who came in contact with
him were delighted with the kind
way he treated them and it is not
too much to say that his services
helped in a large measure in mak-
ing the Exhibition of 1928 the great
success it was.

Jan. 10, 1929, Dr. Sidney will preach
at Central Bedque, Morning at 10;
Evening at 7.30. At the evening
service, roads and weather per-
mitting, the Christmas Cantata,
"The Adoration" will be sung.
There will not be service at Lower
Freetown.

S. A. ANNUAL CONCERT AND
CHRISTMAS TREE On New
Year's night the annual concert and
Christmas Tree was held in the
Salvation Army Hall at Summerside
and was as usual a very enjoyable
affair. Mr. Abel Wilson presided
over an audience that completely
filled the hall. The programme
consisted of dialogues, recitations,
songs and choruses by the Sunday School
children ending with a tabernacle
entitled "Life's Journey," which
was very beautifully staged and ap-
propriate music was played on the pho-
nograph, illustrating the different
stages of life's journey. The prettily
decorated tree was laden with
gifts and candy which was distrib-
uted among the children, every
child receiving some gift and candy.
The concert was considered one of
the best ever put on in the S. A.
Hall.—S

DIED IN HOSPITAL.—Mrs.
George Coyle passed away in the
Prince County Hospital at noon on
Wednesday under sad circumstan-
ces. She contracted influenza,
which developed into pneumonia,
from which she died only a few
hours after being conveyed from
her home in Summerside to the hos-
pital. The deceased, who was a
daughter of Mr. Matthew Howard,
of Locke Road, Lot 7. Her husband,
who died about four years ago, was
one of the best known horsemen in

the west of the province. About two
years ago, Mrs. Coyle gave up the
farm at Morningside and came to
Summerside to reside, where she
made many friends. Three small
children, all daughters, the eldest
being only thirteen years of age,
are now left parentless and to them
heartfelt sympathy is extended.
Two brothers and one sister resid-
ing in Lot 7 are also left to mourn.
The body was conveyed by Thurs-
day night's train to O'Leary for
burial at Lot 7.—S

munion service. Preparatory ser-
vice Friday evening, Jan. 4th at 7
p. m.

Miss Alberta Brown, R. N., and
Miss Freda Brown, R. N., who have
been spending the Christmas vaca-
tion with their parents, Mr. and
Mrs. George Brown of St. Eleanor's
have returned to take up their
duties in Boston, Mass.

Eastern Guardian

EASTERN AGENT.—Mr. J. W.
Murdoch is Guardian Agent in
Montague and will be pleased to
receive new and renewal subscrip-
tions.

SUNDAY SERVICES.—Rev. J.
W. Williams will conduct services
on the Montague Circuit Sunday,
January 6, as follows: Montague 11
a. m.; Georgetown 3 p. m. and
Sturgeon 7 p. m.

PROPERTY CHANGES.—Com-
modore Dingwell has sold his large
well-appointed farm at West River
and purchased a smaller farm at
the Cross-roads, which he is build-
ing up and beautifying and making
a comfortable home for himself and
his wife. His only daughter is away
teaching school.

WELL KNOWN RESIDENT
DEAD.—Angus Ben McDonald,
Rockbarra, passed away at 1 o'clock
Saturday morning, after a short ill-
ness, and was buried at St. Colum-
bia parish cemetery, Monday morn-
ing, after a high mass of requiem.
His parish priest, Rev. Father Mc-
Donald, who consoled him with the
grace of the Sacraments during his
illness, officiating. He was probably
the oldest man in the East Point
parish, being 87 years, and, what's
more, was strong and hearty almost
up to the week of his death. Three
years ago he placed and put in most
of the crop while his son, Pius, was
fishing. He was able to do the
chores right along, and active on his
limbs as many young men. He was
a very intelligent man and a great
conversationalist, being posted on
all topics both home and abroad,
was sociable and friendly and had
many friends and acquaintances
who will regret his passing, and
doubtless say a prayer for the re-
pose of his soul. His funeral on
Monday was large and representa-
tive. R.I.P.

iting her old home friends in South
Lake.

EXHIBITION
(Continued from page 1)

as was the case in other provinces.
It would be proper to have a com-
mittee from the association represent
the government, and bring the
matter to their attention.

Mr. Best expressed the opinion
that, if the exhibition met with the
same success for a few years as it
had in 1928, the financial position
would be much improved. He, too,
commended the directors and secre-
tary for their enterprise and initi-
ative.

Mr. Paton drew the attention of
the meeting to the fact that the di-
rectors had already drawn the atten-
tion of the Government and the
City Council to the repairs which
had been made in the buildings.

The provincial report was then
read by the secretary. It disclosed
a very satisfactory position of the
association's affairs, and was duly
adopted on motion.

Judge Hazzard's suggestion re
the taking over of the plant by the gov-
ernment was on motion left to be
referred to the incoming board of
directors.

The resignation of Mr. James Pa-
ton, as president, was read by the
secretary. He was strongly urged
to reconsider it by all present, and
he agreed to do so for the time be-
ing.

On motion of Mr. Justice Hazzard
the former board of Directors was
unanimously re-elected. They are
as follows:

James Paton, Hon. G. E. Hughes,
Messrs. John B. Andrew, Lt.-Col. D.
A. MacKinnon, W. Chester S. Mc-
Lure, S. A. MacLeod, T. P. Bell, V.
E. Smallwood, James F. Roper and
T. W. L. Prowse.

The meeting was then adjourned
immediately following on this, the
Board of Directors held a meeting,
at which the following officers were
re-appointed: President, Mr. James
Paton; Vice-President, Hon. George
E. Hughes and Secretary J. W. Boul-
ter. The usual committees were
also appointed.

DIRECTORS REPORT
The Directors report was as fol-
lows:

To the Shareholders of the Char-
lottetown Driving Park and Provincial
Exhibition Association:

Ladies and Gentlemen:—
The Directors take pleasure in
presenting their Annual Report for
1928, for the reason that we believe
it has been a most successful year.
We regret, however, that we do not
see our way clear to declare a divi-
dend, because we think it very nec-
essary to endeavor to build up a
surplus before commencing to pay

dividends, and in this we will no
doubt have the approval of the ma-
jority of the shareholders.

You will remember that a few
years ago we had a rest fund of
nearly \$10,000, but owing to un-
favorable weather on several Exhi-
bition weeks and the large outlay
made in erecting new buildings and
repairs, this was entirely used up
and not only that but we were com-
pelled to borrow from the Bank to
meet our liabilities. At the begin-
ning of this year the outlook for the
continued holding of our Provincial
Exhibition was dark.

A meeting of the Directors was
called early in the spring to which
members of the Government and
City Council of Charlottetown were
invited. Hon. W. M. Lea and J. W.
Boulter represented the Govern-
ment, Mayor J. J. Yeo and Councillor
Samuel Kennedy the City. The
Directors placed the position of the
Exhibition Association plainly be-
fore them. We are glad to say that
once these gentlemen realized the
position of affairs, they were quick
to evidence sympathy and give prac-
tical support.

The Government through Mr. Lea,
offered the use of an office in the
Provincial Building and the services
of the Deputy Minister of Agricul-
ture, Mr. Boulter as Secretary, free
of charge, and have put up with our
poor system of water supply. This
year a new system must be install-
ed. Another needed improvement
must also be made. We refer to the
lavatories. These are absolutely es-
sential. Last year we were asked
by the Poultry Association to en-
large their building and make other
necessary improvements. We were
entirely in sympathy with the re-
quest but owing to the position of
our finances we could not do so at
that time. This matter will have
to be attended to the coming year.

To partially meet the payments of
proposed improvements we have
placed in reserve account the sum
of \$2,194.32, leaving a small bal-
ance of \$325.04 for working expen-
ses. The real estimate of improve-
ments shows that we will require at
least \$4,500.00. We may here draw
the attention of our Government
and City Council to the fact that in
other Canadian provinces all re-
pairs and new buildings are paid
along by Provincial Governments and
cities where exhibitions are held.

1928 Exhibition a Great Success
And now to our Exhibition. The
dates August 20th to 24th were
splendid and the Exhibition was a
grand success. Beautiful weather,
every day fine. Lovely evenings and
the largest attendance in history.
At the request of our Government
and the City Council of Charlotta-
town a reduction was made in the
admission to the exhibition. The
main gate during the day was

twenty-five cents for adults and
only a nominal charge was made
during the evenings, the idea being
to encourage as many people as pos-
sible to come to the exhibition and
see the products of our farms, fac-
tories, stores, etc., and to enjoy the
entertainment provided. In fact, to
make this a great annual holiday
week where all can meet with
pleasure and profit.

The formal opening of the Exhi-
bition took place on the evening of
the 20th, and the Directors were
delighted with the large evening
attendance, the largest we have ever
had. A letter of regret was re-
ceived from His Honor, Lt.-Govern-
or Hertz, stating that it was im-
possible for him to attend, owing to
a previous engagement with the
Admiral of the Fleet then in our
harbor. After the President's ad-
dress the Hon. W. M. Lea in a very
fine address declared the Exhibition
open. A splendid program of vocal
and instrumental music was ren-
dered, and excellent addresses de-
livered by Hon. Premier Saunders
and His Worship Mayor Yeo.

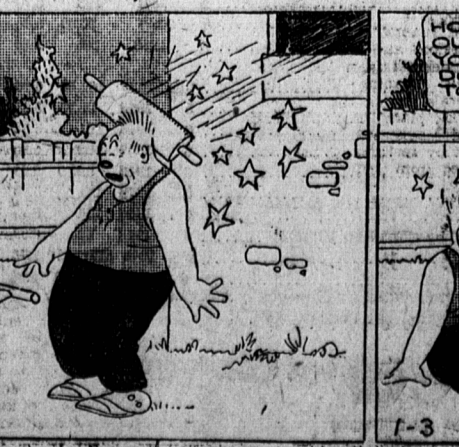

A report of our Exhibition. We are
proud to say that the cattle exhibi-
ts for 1928 were the largest and
best ever shown on the Charlotta-
town fair grounds. So great were
the numbers that at one time
looked as though it would be a dif-
ficult matter to house them, but all
were successfully accommodated. The
horse exhibits also showed a great
improvement. The animals were
better turned out and more atten-
tion paid to details of harness, ve-
hicles, etc., than in previous years.
The classes, particularly the heavy
classes, were better filled than the
previous years. We look to see our
horse exhibits improve from year to
year, now that the exhibition dates
have been moved forward. The ex-
hibit of sheep was really good and
the judge of the hog division stated
that he never saw better. The poultry
exhibit has been improving for
years and this year saw its high
water mark. With better accommo-
dation which will be provided for
the coming year we expect to see
poultry one of the big drawing
cards at our future exhibitions. The
dairy industry was well represented
in our butter and cheese division
and the judges state that they were
of a higher standard than in pre-
vious years. The competition was
extremely keen and great difficulty
was experienced in many cases in
arriving at a decision as to whom
the prizes should be awarded. It
was thought that the early dates
would prevent the inclusion of fruit
in our program, but such was not
the case and there was a fairly good
showing of apples, plums and small
fruits. The root and vegetable ex-
hibits were the best for some years.
The main building which housed
the exhibits from merchants and
