THE MAYOR'S REPORT

Gentlemen of the City Council: Again we have a small surplus for the past year, reflecting credit on the Financial Committee. The collections in the past year have been good, and this has been a record year, only \$39 remaining uncollected at the end of the year.

Our new Market House which is to be completed in July is well under way and will not only be a credit and an ornament to the city but will be most convenient for our ever increasing market.
