White, who recently said: "The foundation for my present excellent health was laid by Tanlac. For months I had been run-down. I had lost all enjoyment for food and suffered great discomfort from indigestion. My liver was sluggish and that tired feeling was on me all the time. "Three bottles of Tanlac relieved my troubles and started me off with a system so thoroughly toned up and renewed that I soon found myself feeling like a new man." Presentation To Bishop O'Leary

The Altar boys of St. Dunstan's Cathedral presented His Lordship Bishop O'Leary before his departure for Rome with the following address and a purse of gold. His Lordship who was taken by surprise thanked the boys in a pleasing reply which they appreciated very much. To the Right Reverend Louis J. O'Leary.

Bishop of Charlottetown. Right Reverend and Dear Bishop: We, your faithful children, the Altar boys of St. Dunstan's Cathedral, on the eve of your departure to visit the Chief Pastor of the Catholic Church in the Holy City of our faith—the see of Peter—seize this opportunity to give expression to our feelings towards Your Lordship.

We cannot forget Your Lordship's friendliness and fatherly interest in our behalf at all times. With kindly heart you overlooked our shortcomings. We wish to offer the homage of our love and affection to our Dear Bishop, praying that Your Lordship may have an enjoyable trip and safe return. We know you will remember us in your prayers. In the City Sanctified by the blood of the early martyrs of Holy Church, permit us to ask Your Lordship's acceptance of the accompanying gift only a slight remembrance of our regard and esteem.

The bestowal of your blessing, which we solicit will be treasured in our hearts as a sweet remembrance until your return. In behalf of the Altar boys we the undersigned committee subscribe ourselves Your Lordship's dutiful and obedient children. A FAIR COMPLEXION. Weather your complexion is fair or olive makes very little difference from the beauty standpoint. As long as it is clear and free of blemishes you have no cause to complain. But a sallow skin is a tremendous obstacle in the beauty race, no matter what your other qualifications. It gives you an unhealthy, unattractive look that detracts immensely from your appearance. Sallowness is a fault that lies deeper than the surface. It requires internal as well as external remedies. In the first class is the duty of keeping your blood pure and healthy by eating the proper food and drinking plenty of water. An important matter is the quantity of water you drink daily. Some people find eight glasses a day a good quantity, two glasses at a time, between meals. Keep the system clear of all impurities and you are started on the road to banishing your sallow complexion. But you must do more than this. You must try to bleach your skin to a more attractive shade. There are a number of ways of doing this. You will be the best judges of the most effective one for you. A mixture of equal parts of peroxide and lemon juice will help you to accomplish this. This is one of the best bleaches known. You should mix it fresh each time you use it. If your skin can stand strenuous treatment, it would be well to leave the mixture on overnight. But sensitive skin will not be able to withstand this, and you will find it best to wash it off about twenty minutes after application. Rub the scalp with Minard's Liniment.

The Protection that light affords

An unlighted house is an invitation to unwelcome callers. And yet for less than the price of a car fare, you can protect your home with light, during an entire evening's absence.

A home half lighted is like a home half warmed—poor economy at the cost of comfort. Electric light is the least expensive of all modern conveniences, and costs even less to-day than it did before the war.

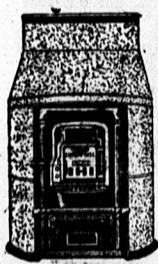

Whether you own or rent your home, you are the one to light it properly. But don't regard that as a problem—just use Edison Mazda Lamps generously throughout the house.

Near you is an Edison Mazda Lamp Agent. There you can obtain real information about good lighting.
