### Luminoscopy Shadow Test System

Looking into the Eye

The most advanced science of Eyesight Testing known. This system measures and corrects any hidden or latent trouble. It is especially valuable in old chronic hard cases, and those who have not received satisfactory results elsewhere. We also use in our Test room the Ophthalmometer Retinoscope, Phorometer and other delicately adjusted apparatus for determining just in what degree if any, your eyes fall short of perfection. If in need of glasses come in and "SEE" Superior Eye Service.
