Cure That Cough!

YOU CAN DO IT BY USING

Dr. Wood's Norway Pine Syrup.

The Most Perfect Throat and Lung Healer in the World.

Dr. Wood's Norway Pine Syrup gives prompt relief from that choked up, stuffed up feeling which is so distressing, it loosens the phlegm, checks the rasping and useless cough, and heals and soothes the irritated breathing organs. It is a pleasant preparation to take and is therefore specially adapted to the coughs and colds of children and those who dislike nauseous mixtures.

This is no vain boast, but a fact that can be backed by unimpeachable testimony. One 25 cent bottle, indeed, a trial dose, will prove its merits.

Mr. Frank K. Purdie, Brandon, Man., writes: "I have used your Dr. Wood's Norway Pine Syrup for some years and have always found it a sure remedy for all colds, coughs, sore throat, hoarseness, etc. I cannot too highly recommend it to anyone suffering from any effect of cold."

George Cresceus (2 yrs) 2.28 1-4

Something about the great Cresceus King of trotters and Sire of George Cresceus.

In the first place there is the fact that Crescaus is Cresceus. His mere name, when flung in the balance, outweighs those of all the other trotting stallions "whose names the golden tongue of fame has uttered." His deeds, his achievements—they are household words wherever equine speed is known or prized. The gap that separates him from all others of his gait and sex is so wide that it is, in very truth, the case of "Eclipse first and the rest nowhere," over again. It is unnecessary to stop and enumerate his long list of world's records. Everybody knows them by heart. For one great thing that any other trotting stallion has ever done, he can show a dozen greater. His crown is thickly gemmed with stars, but one of which would be sufficient to confer celebrity on any other horse. With him they are only parts of a "stupendous whole"—a greatness so colossal as to be without precedent or parallel. He was—or is—not alone a speed marvel; but also a giant in strength, a lion in courage, a phenomenon in consistency and wearing power. In the sum of their attributes, some horses—as some men—seem to transcend the limits which nature, as we conceive it, has set. Of these is Cresceus. Everyone readily admits this. It can not be denied. And out of it all stands this one important fact, that he is a stallion—THE ONLY STALLION THAT EVER HAS HELD THE WORLD'S TROTTING RECORD.

George Cresceus 42246, whose 2—year- old cut appears above, is a handsome chestnut horse of splendid conformation, Sired by Cresceus and is gaited and looks like his noted Sire. He holds the Provincial 2 year old trotting record for 1907 which he won at Halifax after a few weeks training, thus proving that "blood will tell." Below are some remarks made by the Halifax papers about this fine colt when he raced there.

"The big share of the stake went to the chestnut colt from Charlottetown George Cresceus by Cresceus 2.02 1-4 the champion trotting stallion of the world, and George bears a MARKED RESEMBLANCE to his noted sire. "The Cresceus Colt had the speed of the quartette. The Cresceus colt's speed again gave him the lead. The Halifax Chronicle Oct 1907.

After the second heat there was nothing to it but the Fredricton mare and the son of the great Cresceus whose SUPERIOR BREEDING seemed to tell in the two final heats which he captured in rather easy style. The Halifax Herald Oct 1907.

Before training for the fall races this richly bred young Stallion will make a short season in the stud.

Whooping Cough, Croup, Bronchitis Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organ than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.
