GRAND DISPLAY OF MILLINERY

The Millinery openings held in this City usually mark the beginning of each season. It reveals to the lady folk the trend of fashion for the incoming season; and at no time in our recollection have the styles been so extremely pretty as they are this season. Dame Fashion has been very gentle indeed to the feminine sex, in introducing a ray of new millinery which is not too extreme, and seem to have struck the happy medium.

S. A. McDonald's openings have been viewed with great interest for many seasons, owing to the important part they have played in the millinery trade of this Province. The only new milliner taken to Charlottetown this season is now engaged by S. A. McDonald. Miss Bessie Smith, the new designer for the firm has the reputation of turning out the most stylish display in Canada. One of the leading Millinery establishments in writing about Miss Smith states the following: Miss Smith has worked in our copying rooms along with hundreds of others for a number of seasons past, and our head designer considers Miss Smith the peer of them all. A natural born artist whose work has been admired wherever she has been engaged, and her services have been in constant demand. We feel the people of Charlottetown would be ready to appreciate a lady of such natural born skill. The ladies of this province are asked to pass judgment on her exhibit this evening when S. A. McDonald's Millinery show room will be thrown open to the public for the first time this season at 7.30 p. m. 1825

Everything is kept under glass covers. The prescription counter is spotlessly clean, the most improved weighing machines are used and only expert pharmacists take part in any of the work. Add to these factors our prompt services, quick delivery and reasonable charge—These are all you need in good prescription service. McKinnon Drug Co., Cor, Great George and Kent Sts. MEtf.

Constipation Relieved Entirely at Our Risk

Unless Rexall Orderlies relieve your bowel troubles and make you feel like coming back to thank us for telling you about them, then come back anyway, and ask us to give you back your money. This is just as strong as we can make this guarantee, and we want to make it strong, because we believe that Rexall Orderlies are the best bowel remedy made.

Soothing and easy in action, they cleanse the bowels, thoroughly toning and strengthening them, and make you feel great. They promote easy and regular bowel action, help to promptly relieve constipation and overcome its cause. In these things they differ from old-fashioned, harsh, disagreeable salts and other physics which usually give only temporary relief and often leave the bowels in worse condition than ever. They taste like candy and even children like them. They are particularly good for children and for delicate and aged people. In vest pocket tin boxes; 10c., 25c., 50c.

You can buy Rexall Orderlies only at The Rexall Stores, and in this town only of us. McKinnon Drug Co.

MAGNIFICENT SHOWING OF FAT STOCK

There was weighed on the City Scales Saturday morning six of the choicest steers seen in Charlottetown for some time. They were from the barns of Blake Brothers and are intended for their Easter trade. The lot comprised five Shorthorns and one Polled Angus all pure bred and certainly showed the great care and expert feeding for which this old established firm is noted. Some idea of their size and quality may be had from their individual weights.

A great many farmers and others enjoyed viewing these handsome animals as they were an object lesson to the Stockmen of our Island showing the perfection of breeding and feeding. These steers were selected out of a lot of sixty brought from Toronto by the firm last June. Their carcasses will be on view at Messrs. Blake Bros Store in the Market building the latter part of this week. 1817.
