

"Tea Leaves"

Yes, but not the worthless "Faked" and mixed up rubbish that Eastern Canada seems to be particularly unfortunate in being flooded with. There are "Teas" imported for this market that are worse than worthless, and should be seized and destroyed. Pure food will benefit a whole community, impure food will demoralize it.

WOMEN NEED NOT SUFFER

From Those Terrible Pains in the Back and Side—Doan's Kidney Pills Never Fail to Relieve and Cure.

There are two many women who are dragging out a life of misery. The pains and aches in the back and side they endure from day to day are bringing gay hairs and wrinkles, which should not be. Women who are sufferers! Listen to the sensible advice of a St. John, N. B., woman, Mrs. E. Brown, who lives at forty-two Garden Avenue. She says that some time ago she was exposed to the cold and as a result her kidneys were affected. The pain in her back became so severe that she could scarcely stoop, and suffered intensely at every moment.

Hearing that Doan's Kidney Pills were a good remedy for backache and kidney trouble, she determined to try them and procured a box. She considers the results wonderful. The backache quickly disappeared, and now she hasn't a pain anywhere and is in better health than she had been for some time. Now, isn't it reasonable to suppose that if Doan's Kidney Pills could give Mrs. Brown freedom from pain and build up her health, they can do the same for you?

See that it's the genuine Doan's Kidney Pills you get, as imitations never cured any one.

"Just think of it!" sighed the girl in blue the morning after her arrival at an island resort. "Three hammocks and not an eligible man on the premises."

DEAR SIRS,—I have great faith in MINARDS LINIMENT, as last year I cured a horse of Ring-bone, with five bottles.

It blistered the horse but in a month there was no ring-bone and no lameness.

S'SIDE AND PRINCE CO

MR. R. BEARSTO, of Charlottetown, spent yesterday in Summerside.

ONE of the best business stands in S'side, is being offered for sale or to let, by Mr. J. R. Noonan, in this column.

THERE were about 30 W. F. M. S. delegates from the Northumberland to the W. F. M. S. Convention which meets today at Charlottetown.

MR. H. H. HARVEY and Mr. Wm. Wright the wellknown commercial travellers took passage by the Northumberland yesterday evening.

LOST about three weeks ago on the Railway at the rear of A. C. Rogers & Co.'s warehouse a silver headed cane. Finder will be rewarded by leaving at Currie's Book Store.

MR. WILFRED GAFFNEY, Attorney-at-Law, of Boston, is visiting his father, Sheriff Gaffney, the condition of whose health is still the cause of anxiety to his many friends.

MR. J. R. NOONAN having purchased the Terrace Hotel, he is about to dispose of his grocery store on Central St. This fine property will be leased or sold. Mr. Noonan solicits correspondence on the subject.

AMONG those who left yesterday by the Northumberland, to attend the Halifax Exhibition were: Messrs. Jesse A. Wright, Bedeque; John McKenzie, Wm. Stewart, John Campbell, P. W. Morrison, I. N. Schurman, S'side, and Wesley Newsome, Bedeque.

MUCH sympathy is felt for Mr. and Mrs. Charles R. Rogers, in the death of their youngest child, Jennie Renfrew, aged 6 months and 13 days, which sad event occurred Sunday evening at their home here after an illness of only a few hours. The funeral will take place at Alberton this morning at 10 o'clock.

MR. C. A. MCNUTT, Kensington, shipped twenty-three fat cattle by the Northumberland yesterday morning to J. A. Leaman & Co., Halifax. This was a handsome lot, one of the best shipments made during the season, the animals weighing from 900 to 1300 lbs. each. Mr. McNutt has already shipped this season 1400 sheep and lambs, besides a large number of cattle.

Carpet Rags,

NO TIME TO TRIFLE.
Diarrhoea and Dysentery are too dangerous to experiment with untried remedies.

Dr. Fowler's Extract of Wild Strawberry has over 40 years of cures to its credit and never fails in the severest cases.

Diseases such as Diarrhoea, Dysentery, Inflammation of the Bowels, Cramps, Colic and Summer Complaint, are recognized by everyone as exceedingly dangerous.

When you or any member of your family is attacked, you want a remedy you are positive will cure. These diseases are too serious, too rapidly fatal, if neglected, for experimenting with cheap and dangerous imitations of the genuine Dr. Fowler's Extract of Wild Strawberry. You want something that will, without fail, touch the spot and check the advance of the disease promptly.

Mrs. Middleton Wray writes from Schomberg, Ont., as follows: "Dr. Fowler's Extract of Wild Strawberry is the best remedy I know for Summer Complaint and Bowel Diseases of children. I have used it in our family for the past seventeen years and never had occasion to call in a doctor for these troubles, as Dr. Fowler's Extract always worked like a charm."

Refuse all imitations, many of which are highly dangerous.
The beauty—I've had lots of poems written to me, but I have only kept those that were humorous.
The Poet (tenderly)—And why did you not keep the serious ones?
"Oh, because they were ridiculous!"

NEVER BURN A CANDLE AT BOTH ENDS."
If you do your light will soon be gone and you will be in the dark. Don't think you can go on rawing vitality from the blood for nerves, stomach, brain and muscles, without doing something to replace it. Hood's Sarsaparilla gives nerve, mental and digestive strength by enriching and vitalizing the blood. Thus it helps people who are overworked and tired.
Hood's Pills are non-irritating, mild, effective.

WOMAN'S TROUBLES.
Are usually the result of an exhausted nervous system which can be full restored by the use of Dr. A. W. Chase's Nerve Food. Women made nervous and irritable by the wasting disease which drain their system find new life new vigor new energy, in Dr. A. W. Chase's Nerve Food the world's greatest blood and nerve builder.

You Cannot Afford to Experiment When Health is in Danger.

Paine's Celery Compound
Gives Sure and Honest Results.

It Makes You Well and Enables You to Stay So.

When ill health comes and the symptoms of disease cause alarm, many consult a physician, who, with the best intentions, prescribes a certain medicine to-day and something entirely different the following week. This kind of experimenting is frequently carried on for a long time, and at a cost to the patient that is hard to bear.

How vastly different the position of sick people who make use of Paine's Celery Compound that marvellous prescription of Prof. Edward E. Paine, M. D. The first dose of the world-famed medicine inspires an immediate confidence and faith, because the virtues of the medicine produce feeling and sensations that promise health and new life, and the cost to the sick in every case is one-tenth that of the ordinary medical charges.

There is no home in Canada that can afford to be without Paine's Celery Compound; it is within the reach of every class of our people. It gives an honest promise of health, strength and long years to the rheumatic, neuritic, dyspeptic, nervous, sleepless, and those afflicted with blood diseases and kidney and liver troubles. The testimony of thousands in the past shows that Paine's Celery Compound makes people well and enables them to stay so.

"Good news from the Philippines," he said as he looked up from his paper.
"What is it?"
"It is reported that Aguinaldo is overtrained."

"I suppose so. Love has been described as an inexplicable yearning, hasn't it?"

"I believe so."

"Then it was love all right enough. She yearned for a title."

A Hamilton Man's Bad Sprain.

Mr. Joe A. Sutton, marble polisher for Forness & Sons, Hamilton, writes: About a year ago I fell on a piece of ice, causing a very painful injury to my shoulder. The pain troubled me with the least exertion until a few months ago, when I was advised to try Griffiths' Menthol Liniment. It has completely taken out all the pain and soreness, and during the past three months since using this remedy the pain has not returned. I think this merit should be known by all. It is a wonderful remedy. Sold by druggists 25 cents.

Apple Jelly.

Use good sour apples, slice them, skin, seeds and all, and simmer them with only the addition of one-half cupful of water until well cooked and soft. Strain through a cloth, add a pound of sugar to each pint of juice, boil a few minutes, skimming until clear, pour into glasses, and cover when cold.

Grocers say their other teas are dead letters, nearly every customer buying tea asks for Union Blend with the key.
