

INCALCULABLE GOOD, AN EXPRESSION OF FAITH.

Dr. Ward's Blood and Nerve Pills have done me an incalculable amount of good. I think they are the best, surest and quickest acting cure for nervousness, unhealthy action of the heart, insomnia or sleeplessness, anemia or impoverished blood, loss of appetite, general debility and ill-health. For nine years, before I commenced taking Dr. Ward's Blood and Nerve Pills, my heart was weak and in an unhealthy state. Its action was so much impaired that I could not walk across the street without suffering great distress, my heart fluttering and beating so rapidly that I could scarcely breathe, causing faintness, loss of strength, and leaving my nerves all unstrung. My sleep was very much disturbed, I had no appetite and there was little strength or vitality in my blood; I was always excessively nervous. I have now taken three boxes of Dr. Ward's Blood and Nerve Pills and since taking them I have not been away from my business an hour. Before taking these pills it was a frequent occurrence for me to be away from business. As a result of taking Dr. Ward's Pills my heart is perfectly healthy and strong and gives me no distress or trouble whatever. They removed all nerve trouble, made my nerves strong and gave me healthy sleep. These pills also made my blood rich and strong and gave me a healthy appetite. Dr. Ward's Pills have given me perfect health, restoring my lost strength, in place of continual ill-health, weakness, heart trouble and nervousness. In justice I cannot speak too highly of this wonderful medicine. Signed, Miss N. Millward, Walton St., Port Hope, Ont.

GOOD HEALTH FOR WOMEN

Dr. A. W. Chase's Nerve Food Restores Weak, Sickly Women to Robust Health. Any irregularities in the monthly uterine action is sufficient cause for women to be alarmed about their health. Whether painful, suppressed or profuse menstruation, the cause can be traced to some derangement of the nerves. A few boxes of Dr. A. W. Chase's Nerve Food will completely build up the exhausted nerves and restore the regular monthly action which removes from the body the clogged matter that would otherwise cause pain and serious disease. It is as a restorative for pale, weak women that Dr. A. W. Chase's Nerve Food has been singularly successful. It counteracts the debilitating diseases peculiar to women by feeding the nerves and creating new nerve fluid, the vital force of the human body. Dr. A. W. Chase's Nerve Food has restored scores of hundreds of weak, sickly women to robust health. 50c. a box at all dealers, or Edmondson, Bates & Co., Toronto. Dr. Chase's new illustrated book "The Ills of Life and How to Cure Them," sent free to your address.
