She is of scow-built pattern, schooner-rigged and registers about 40 tons. She is also equipped with two 12 h. p. Imperial motors which will give her a speed of about 8 knots.—S. —The many friends of Miss Bessie Elderkin are deeply regretting her immediate departure from Alberton. Miss Elderkin leaves the last of the month for the Pacific Coast, where in Vancouver she will be met by her brother, John Elderkin, and will be united in marriage to William Robert Bell, formerly of Alberton, now of Everett, Washington, and a son of Robert Bell, Alberton. On Tuesday evening last, when Miss Elderkin arrived to spend the evening at the home of her friend, Mrs. Mabel Morris, Upper Victoria St., she was greeted by a bevy of her girl friends with merry tinkling "bells" and confetti. When Miss Elderkin had recovered her breath, a much jeweled and "belled" crown was placed upon her head, and she was escorted through the parlors, gay with flags and bells, to her seat upon a throne, under a beautiful wedding bell, over which floated with cross sticks the Union Jack and the Stars and Stripes. A large decorated barrel at the foot of the fair, young queen upon her throne fairly bursting with wee and great mysterious looking parcels, contained the miscellaneous "shower gifts" of her friends. Miss Pearl Wigle, dressed to represent a fairy Princess read a poem entitled "Our Bess." As Miss Elderkin opened and admired each gift, Miss Wigle read the accompanying funny original verse of good wishes and much spicy advice for the bride to be. During the evening Miss Campbell sang "The Bungalow Built for Two" and Miss Wigle from the interior of the empty barrel gave a funny reading "Billy and Bess." The scheme of hearts and bells was carried out at supper which was daintily served at midnight. With the joining of hands "Auld Lang Syne" was sung and with the spirit of well-wishing still pervading the atmosphere, the young friends departed for their homes voting the "shower" a pleasing success.—Amherst News.
