"SOME HA'E MEAT, AND CANNA EAT"

So Bobby Burns tersely describes the rich, but still poor, dyspeptics. But their case is not now so desperate as when Burns wrote. For the man who has the food now can eat without suffering for it, if he just follows the meal with a Na-Dru-Co Dyspepsia Tablet.

These remarkable tablets banish the troubles of the chronic dyspeptic—the man who is bilious—the sufferer from heartburn, gas on the stomach or occasional indigestion. You can eat hearty meals of wholesome food—and digest them, too—if you take Na-Dru-Co Dyspepsia Tablets.

Compound by expert chemists, after probably the best formula known to medical science, they are quick and certain in their action, giving prompt relief from all forms of stomach trouble, toning up and strengthening the digestive organs and bringing about permanent cures.

A man is no stronger than his stomach. Fit yourself for your best work by taking Na-Dru-Co Dyspepsia Tablets, sold at your druggist's. National Drug and Chemical Co. of Canada, Limited, Montreal.

WOMAN CONFESSES TO KILLING HUSBAND

CHICAGO, March 16.—George Penrose, who was on trial with Mrs. Louis Vankuren, charged with killing the woman's husband last June, received his freedom today after Mrs. Vankuren had confessed that she shot and killed her husband. Vankuren she said had broken down the door to his apartment and she shot without knowing who was attempting to get in the rooms.

The state rested its case after the confession had been read and the court took Penrose's case from the jury and gave him his liberty.

THE JAGSHIP OF THE TRENT.

By An Envious Tory. Hurrah for her gallant crew! As spick and span a little craft as ever the Grit flag flew.

Whenever the "boys" got thrifty, and all their money was spent, They boarded the Bessie Butler, the Jagship of the Trent.

The cargo she took was precious, and they stowed it all below, Rum and whiskey and lager, right down in the hold would go, And never was crew so nandy, with never a thought of care,

And the tools they carried were corkscrews, and each man had a pair. There was gin for the gallant captain, and beer for the bo'sun bold; They spiced the main brace every hour when the weather was hot or cold.

They sang and played the piano from eve until break of day, And the theme of the song was Stratton, and the chorus was Laurier.

Hurrah for her gallant crew! Boat to smart and trim As loaded with beer and vittals, she did great work for "Jim." She did her duty nobly, wherever she was sent, The good old Bessie Butler, the jagship of the Trent.

NAVIGATORS GO TO SCHOOL

Something new in schools is that now being conducted at Owen Sound by the Canada Steamship Line, Limited. It is for the benefit of their own men—a course in higher navigation. Last month the school opened in Toronto, and after a few weeks session at Owen Sound, it will be moved to Midland.

Captain Geo. D. Frewer, official Compass Adjuster of the Company's fleet of 101 boats, is the Instructor. To him come the captains, first mates, second mates and wheelmen in the employ of the Canada Steamship Lines. The course of instruction is, in effect, a post-graduate one; the examinations set by the Canada Steamship Lines for their navigators being fifty per cent. higher than the Government standard. This results in a high degree of efficiency on the part of the Company's officers. As instancing the thoroughness of the instruction, it is interesting to learn that it includes a course in the handling of package freight.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best liver and bowel cleanser and stomach regulator known.

Put aside—just once—the Salts, Pills, Castor Oil or Furgative Waters which merely force a passage-way through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

BERLIN, March 14—Rivers in Southern Bavaria are at flood stage today as a result of warm rains melting snow in mountains. Deep patches from Munich say hundreds of square miles of low lands are under water, and that much live stock has been killed. Bridges have been washed away, and railroad traffic is seriously crippled.

Those who prefer the past form of dentifrice are unanimous in declaring Rexall Pearl Tooth Paste in a class all its own. It is easy to use and has all the efficient qualities of Rexall Tooth Powder. IN MEMORIAM

Lines written to Mrs. McLeod, St. Avarids on the death of her husband, the late Norman N. MacLeod.

AT REST

There is one more hand to beckon, And one more voice to call, Yet another loved one waiting, Where Heavenly glories fall.

All His labors here are ended; And all his pain is o'er, He has found a loving welcome In that home forever more.

Oh why should we call this Death; 'Tis a glorious birth, Only passing along before, To that bright home above, Safe, at last, in the Father's arms, Happy now in His love.

Then morn and weep no more, Dear heart, Bend humbly to the rod, He has ended the earthly fight, And found true life in God.

MR. PHILLIP DUFFY

At Fort Augustus on Monday, March 9th inst., the death occurred of Mr. Phillip Duffy, who was one of the oldest residents in that community.

He had attained the age of ninety-four (94) years. Deceased was always a man of strong vigor, and during his long life was seldom ill, a few years ago he was seized with a paralytic stroke, from which he never fully recovered, but was able to go round as usual until a few weeks ago, he was confined to his bed, where he gradually grew weaker, and on Monday morning his spirit passed away.

He was always a devout Catholic, and during his illness, was attended to by his Pastor the Rev. Father Allen McDonald.

He lived with his son Patrick on the old homestead, which is one of the best in that section of the country, and from which his remains
