### SECOND DAY'S HORSE RACING WELL CONTESTED

#### Matinee Was Held in Conjunction With Caledonian Club Sports.

The second days racing of the Charlottetown Driving Club held in conjunction with the Caledonian Club yesterday afternoon was very much enjoyed by the large crowd of spectators present. The three heats were won by the three heat winners of the first day. The program finishing shortly after 5 p.m.

Keemah Aubrey owned by Mr. E. Stewart French driver carried off the biggest share of the honors by winning the first heat in excellent time. Mack Aubrey owned by Mr. Wellington McNeill accounted for the class C Pace and Canadian Belle owned and piloted by Mr. Hugh Walker proved the best in the class C Trot. As on the previous day there were many close finishes which elicited great cheering from the Grand stand. The track was in ideal shape and the weather perfect when the first heats were called but a stiff wind sprang up at 3.30 p.m. which slowed up the horses somewhat.

Yesterday concludes the most ambitious programme ever staged by the Charlottetown Driving Club and its directors must be congratulated on the excellent arrangements of the club's material, making snappy racing with close contests. The out of town horsemen who took part must also come in for praise as their presence lent dignity to the racing and brought in a lot of friends to witness their performances.

The first race called was the Class A Pace with four starters. Considerable scoring ensued before the word was given. Keemah Aubrey quickly assumed the lead and was never headed. Colonel Waltz and Emotionless who could have given her a good argument but she held on to the lead and won by a length. The second heat was won by the same horse.

Keemah Aubrey being eliminated through winning the first two heats the remaining trio fought out the third heat with Waltz the best. Emotionless second and Edgarton who showed some of his old time ability.

The Class C Trot had the biggest field of starters of any event in the programme, no less than 12 horses parading for the word.

Canadian Belle a tiny mite but all horse, piloted by the popular and hefty Hughie Walker from his elevated box had too much trot for the others and won the first two heats and race pretty comfortably. Jack Todd giving her a good try in the first heat and Saint Sis in the second. With "Hughie and Belle" out of the way there was a great race the third heat between Saint Sis and Mickey B for first with Poch a very close third and Devonport Prince fourth. Some promising slow class trotters showed up in this event. Devonport Prince although not having a particularly brilliant summary showed some mighty speedy flashes and a very marked improvement over a few weeks ago, he is a most attractive trotter out of the popular "Devilish Dorothy."

This was the initial performance of a number of pacers some of whom no doubt destined to be good performers in the future. Mack Aubrey was the class of the field and a reserve of speed on top for the critical moments. He won the necessary two heats and went to the barn. Grace Hastings gave Mack a bit of a scare the first heat but Mack Oia a close third and Gager Boy fourth. In the second heat Mack had another tussle with Gager but brushed away from her in the wire with Gager Boy and Pansy York fourth. Mack Aubrey out of the way Gager Boy and Grace Hastings

### EARL SANDE MAY QUIT THE TURF

#### American Rider Has Great Difficulty in Making the Weight Required, 116 Pounds.

(United Press)

NEW YORK, July 17.—Unless a change is made in the Jockey Club rules, this may be the last season that Earl Sande, justly popular rider for the Rancocas Stables will be seen in action on the American turf. It is to be hoped that some change will be made for the tall youngster is the greatest jockey produced in this country—not excepting the great Tod Sloan—and it would be a shame to lose him. The trouble is that Sande has great difficulty in making the low weight required of riders on our turf. Earl has to take Turkish baths and undergo all sorts of nerve racking and often physically weakening exercise and torture to get down to the 116 pounds so of ten required of him.

Sande would not quit riding if he had to give it up over here. He is the recipient of more flattering offers from the other side, especially from England, where they want him to ride. The scale of weights in the British Isles and on

EARL SANDE

The Continent is considerably higher than here, and Sande would undoubtedly win much fame in Europe.

The former South Dakota cowboy has already shown that he can give Steve Donoghue, who, until this year, was England's premier jockey, cards and spades and beat him rid on any day in the week. Some say it is Mrs. Sande who is raising the chief objection to Earl's continuing to ride here. She believes it is injuring his health to constantly subject him to the severe strain of taking off weight.

Of course, there will be many races in this country at weights suited to the Rancocas Stables' star rider, but riding but once in a while would rob Sande of the "feel" of the game and deprive him of the popularity he has so justly earned. Aside from his ability to boot some winners, young Sande is distinguished—and a word is used advisedly—for his gentlemanly manner and sportsmanship. Among men, he they stewards, owners, trainers, or riders, who have brought credit to the American turf, Sande ranks high. This tow-headed lad rode his first winner seven years ago, down in New Orleans, and has since kicking them home ever since. There are lots of race fans who back Earl, not not his mount. And they're right often than they're wrong.

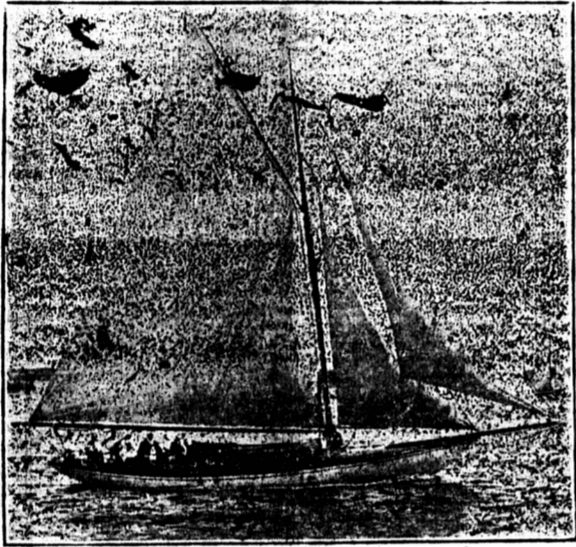

One of those who would be sorriest to see Sande leave is Sam C. Hildreth, trainer and part owner of the Rancocas outfit. Much of the credit for Zev's great year in 1923, and for the big purses the stable has been acquiring of late, goes to Sande. American riders, especially Sloan, Frankie O'Neill, Everett Hayes and Frank Keough, have been tremendously successful on European turf. Sande is considered their peer. He should turn out one of the most successful riders of all time, if he goes.

### GREAT INTEREST IN TODAY'S BIG REGATTA PROGRAMME

#### Charlottetown Yacht Club Will Start The Day's Doings With Yacht Race 10.30 This A.M.—Aquatic Sports Commence at 1.30 This Afternoon

Numerous entries have been received by the committee in charge of the regatta for today and the donations of prizes and money show that a very lively interest is being taken in the first event of this kind to be held in Charlottetown for many years. The sports will be held beside W. D. Gillis & Co's wharf, and the diving stage and several of the pontoons are already in place.

The regatta will commence with a yacht race starting at 10.30 a.m., the special prize for the race being donated by Reddin Bros. This event will finish about one o'clock and from 1.30 to 5 o'clock the aquatic sports will take place, following one another in the order:

Succession. Spectators are advised to be on hand at W. D. Gillis & Co's Wharf from 1.30 onward to see the best sports of the show.

The committee wishes to acknowledge their indebtedness to Mr. Gillis for the use of the wharf and his assistance in many ways. One of the best boosters of the Yacht Club has is Mr. H. V. Buntain, who has given unsparingly of his time and money to make the water events of the Carnival Week successful. At his own expense he has had the diving stage (which is nearly 40 feet high) built and placed; he has contributed the prizes for the boat parade on Wednesday evening, besides several other actions that only a man of his high standing in the community could perform.

### THE GAMENESS SCOTCH GAMES OF HUBBARD

#### Negro Broad Jump Champion Notwithstanding a Pulled Muscle Won His Event by Sheer Grit.

(Associated Press)

NEW YORK, July 17.—For an example of gameness, the performance of the negro lad, Dollard Hubbard of the University of Michigan, in the finals of the broad jump in the Olympics at Paris is hard to beat. On his first leap, something more than 24 feet, Hubbard suffered a painful injury to his leg—pulling one of the muscles badly. Refusing to quit, although the coaches would have had him do so, assuring him that his negro teammate, Gourlin would win, Hubbard took one more jump. He was suffering torture from his injury but he hit the take-off gamely and hurled himself through the air, his jump measuring 24 feet 6 inches.

Then flesh and blood could withstand no more, and the game little negro lay in agony until he was carried into the dressing room. Half an hour later, while trainers still were working over him, he learned that his effort had been successful and that he had the honor of being a first-place winner for Uncle Sam.

### Canadian Eight Loses to Americans

(Can Press Cable)

ARGENTHA, July 17.—Yale's champion varsity eight today won the Olympic eight oared race; Canada was second. Yale crossed the finish line three and a half lengths ahead of Canada, setting a new record for the course of 6 minutes 33.25 seconds. The victory of the United States in the eight oared event made her winner of the Olympic rowing competition, giving her 33 points to Switzerland's 32. Italy came third and Great Britain fourth in today's contest.

### Maritime Field And Track Meet To Be Held Aug. 16th

ST. JOHN, N. B., July 17.—A. W. Covey, President M. P. B. A. A. U., announces that the Maritime track and field championships which were scheduled to be held in Halifax on August 16 have been set for or until September sixth, owing to the Halifax carnival regatta date conflicting.

### Sun Flash, Dead

SPRINGFIELD, Mass., July 17.—Sun Flash, 2:04 1/2, who was raced over the Grand Circuit for two years by Walter Cox died at the Eastern State track here yesterday, following an attack of acute indigestion. The horse was owned by Frank D. Whitcombe of this city, who bought him from Cox last fall for a reported price of \$50,000.

### U. S. Tablet is Unveiled in York

(Canadian Press)

YORK, England, July 17.—"Good will from her American god child, the city of New York," was expressed on a tablet unveiled in the ancient guild hall here today by the Duke of York in the presence of a group of distinguished English and Americans. The tablet is a gift of citizens of New York City.

### BASEBALL THIS EVENING AT A. A. GROUNDS

#### League of the Cross And S'ide Torontos Will Clash.

This evening at the Abegweit grounds at 6.00 a red hot baseball game will take place between the Summerisle Torontos and the League of the Cross team.

In the last game between these two teams the western team nosed out the local boys by the score of 4-3.

Summerisle are bringing down a strong team for this evening's game, and will endeavor to take the measure of the local team.

The League boys have been working good of late and feel that they are able to reserve the decision when they go up against the Torontos.

As there has been no baseball games played this week this will afford the public a splendid opportunity of seeing the boys from both towns play a snappy baseball match. The game will start at 6.15 and will be over in plenty of time for those attending the ball in Prince of Wales college to get their dressing legs on.

Let us along and cheer the boys, and the same time give baseball the boost it deserves.
