STOCK QUOTATIONS

Stock Markets At A Glance

CHICAGO, June 20 — (AP) — Rye broke the five-cent limit after noon today and other grain futures markets were sharply lower under general liquidation.

WINNIPEG, June 20 — (CP) — Rye futures prices showed a declining tendency during an active and nervous session on the Winnipeg Grain Exchange today. Weakness at Chicago was the prime factor. Considerable selling appeared here by locals, and commission houses. Dealings turned dull toward the end of the session.

TORONTO, June 20 — (CP) — The gold stocks ended today's Toronto Exchange session .29 down in the index but prices were tightening in the final period. Base Metals closed .12 lower and a minor gain was held by the Western Oils.

Paymaster traded in volume of 129,000 shares and advanced 8 cents to close at 73. Other strong juniors were Bagamac, Aubelle, Bevcourt, Bonville, Goldcrest, Hasaga, Kayrand, Lexindin and Inspiration. East Sullivan gained 15 cents, Quemont 10, Giant 25 and East Malartic 15.

MONTREAL, June 20 — (CP) — Industrials and golds gave a lower slant to trading today on the Stock Exchange and Curb Market with new highs in the indices registered by utilities and banks and strength displayed by individual issues did not offset.

Papers slumped as a market reaction to speculation initiated in London concerning a rumor the Canadian dollar might be placed on a parity with the United States dollar.

Trading box score: total sales: 255,900 shares; industrials, 67,200; mines, 188,700; stocks higher, 50; lower, 51; unchanged, 71.

NEW YORK, June 20 — (AP) — Rails resumed their recent buoyancy to lead a rally among steels, low-priced motors utilities and oils in today's Stock Market although some favorite industrials went begging.

Carriers developed strength just before midday and several hit new highs for 1945 or longer, including Colorado & Southern 1st and 2nd preferred; Southern Pacific, Southern Railway and Union Pacific. Gains in this group ranged from fractions to around 3 points, Santa Fe closed at 99 7-8.

American zinc touched its best price for the year after declaration of the first common dividend since 1917 and a $139,500 disbursement on $6 preferred clearing all arrears. Others at 1945 summits were Cruicible Steel, Republic Steel, Jones & Laughlin, Sperry, Aviation Corp, American Telephone, Public Service of N.J. Johns-Manville, Homestead Mining and Hayes manufacturing.

The Associated Press 60-stock composite rose .4 of a point to 67.4.
