Borden Notes

A very interesting concert was held in Borden Hall Friday April 1st.

The program was as follows:—"The Mission of a Rose" was most beautifully rendered by Miss Mary Mutant, as was also her encore "Pretty Kitty Kelly." Miss Beatrice Murphy delighted the audience with a solo entitled "Drifting & Dreaming" (encored) and Mrs. McLean also sang in her usual good style "Lay my head beneath a Rose" (encored).

Then came a very interesting lecture by Rev. Dr. Monaghan on his European trip. As he only had a limited time to speak and a large amount of ground to cover he could not give in detail his whole trip. But we all hope that in some future time he will again address us on this interesting subject.

A comedy farce entitled "Rastus, Manly and family takes a trip to town." This sketch was written by a local author and presented by local talent, which was very creditably produced. Their family of two little piannies causing considerable laughter.

A step-dance by Mr. K. McLean was an enjoyable number.

Last but not least Mr Mark Bernard as "The Returned Coon" with his witty jokes and comic antics, kept the audience delighted from curtain to curtain. He was ably assisted by Mr. Everett Slav-

in. Mrs. James MacAlear presided at the piano, assisted by Mr. Lester MacRae on the violin.

Mrs Murray, wife of Mr. John Murray, is confined to the house through illness. Her many friends wish for her speedy recovery.

Among the visitors to Borden this week was Mr. J. B. Hughes, of Ch'town.

The friends of Mr Larry Keough and family learn with sincere regret of the death of Mrs. Keough who died at Victoria early Tuesday morning. Her remains were brought to Borden Wednesday and funeral took place Thursday morning.

Mail Order Prices

We'd like to publish a catalog like the mail order houses do, but if we did, we'd probably have to raise our own prices to the level of theirs. This would mean a raise of 11% on the twenty seasonal articles of staple hardware listed below. The prices in the first column are taken from the GOODS DISPLAYED ON OUR SHELVES; and those in the second from the GOODS PICTURED IN A LARGELY CIRCULATED MAIL ORDER CATALOG. We show the goods as well as the price.

Senate Passes Maritime Bills

(From Our Own Correspondent) OTTAWA, April 8.—Practically the whole of the day was taken up with immigration matters, the details of which are hard to explain briefly. All they did was to repeal a section in reference to foreigners and the amendment to the immigration act passed.

IT PAYS TO GET THE FACTS

A large proportion of all the queries generated in a normal day are answered in the net of seeing. Eyes are often found to be defective, but the real cause of the trouble is often not even suspected until a thorough examination of the facts.
