Many More Pals Needed  
Make Your Donation, Today

- Santa Pals the situation is fast becoming desperate. Hundreds of needy children have not been assured of a "Happy Christmas", but nine days remain until the 25th. Will you be a Santa Pal and do your bit in providing for a few of these needy ones? Decide now and call the Guardian, 133, and make your welcome contribution to the happiness of others. True, many have responded since the Santa Pal fund opened but it takes a great deal to provide for more than 600 needy children, although the gift to each is but small. Make your contribution to this worthwhile work.

# HOW MANY Bricks In The Church

20 Prizes Offered For Best Answers. and surrounding walks?

The number of bricks in the church and surrounding walks is the total of the figures 2, 3, 4, 5, 6, 7, 8, and 9. The 9's may be distinguished from the 6's by the fact that the "tail" of the 9 is a straight line, whereas the "tail" of the 6 is bent over to the right at the top.

WHAT DO ALL THESE FIGURES ADD UP TO?

This contest is sponsored by The Charlottetown Guardian.

## 20 Prizes Offered

For the correct, or nearest correct, solution, cash prizes as shown below will be paid:

1st prize	-----	\$15.00	6th prize	-----	\$ 1.00
2nd prize	-----	5.00	7th prize	-----	1.00
3rd prize	-----	4.00	8th prize	-----	1.00
4th prize	-----	3.00	9th prize	-----	1.00
5th prize	-----	2.00	10th prize	-----	1.00

and TEN MORE prizes of 50c each. Twenty prizes in all.

## CONDITIONS

- Rule 1.—The competition closes February 12, 1938. All solutions to be considered must reach The Guardian Office by that time.
- Rule 2.—Any subscriber who is paid in advance to Dec. 31, 1938, is eligible to compete for the above prizes. Also any and all members of the subscriber's immediate family, living in the same house, are eligible to compete. No money need be sent with the solutions, but see Rule 5 regarding double prizes. All correspondents are considered eligible under this rule.
- Rule 3.—Any subscriber who is in arrears may compete on condition that the arrears are paid and the subscription renewed to Dec. 1938. Such persons should immediately write to or call at the office of The Guardian to learn the amount of the arrears payable. Any and all members of such a subscriber's family may compete also when the subscriber has paid the arrears and renewed to Dec. 1938.
- Rule 4.—Anyone not eligible under Rule 2 and not becoming eligible under Rule 3 may qualify for competition by sending in his or her new subscription, and this shall also qualify any and all of the members of his or her immediate family living in the same house.
- Rule 5.—Every competitor, already qualified under Rule 2, 3, or 4, may, if he or she so desires, qualify the entry for a chance to win DOUBLE the amount of the prize that might otherwise be won. To so qualify the entry it is necessary to have it accompanied by a new subscription. Thus if a person, qualified under Rule 2, sends in a new subscription with the entry and wins first prize, that prize will be \$30.00 instead of \$15.00. A subscriber in arrears would have to pay all arrears, renew to Dec. 31, 1938, and send in a subscription for someone else in order to qualify for a chance to win a DOUBLE prize. A person not now a subscriber would have to subscribe himself, and also send a new subscription for someone else, to qualify his entry for a chance to win a DOUBLE prize. It is not obligatory to qualify under Rule 5, but such qualification gives a contestant a chance to win DOUBLE the prize that otherwise might be won.

## CONDITIONS (Continued)

- Rule 6.—Each competitor, by sending in his or her solution, agrees that the decision of the judges will be indisputable and final.
  - Rule 7.—All solutions must be sent on the printed form below.
  - Rule 8.—In case of a tie, the prize will go to the one who had sent in a new subscription with his or her solution in accordance with Rule 5. If those who tied have both, or all, sent in new subscriptions, then the prize will go to the one whose subscription on which he or she became eligible is paid furthest in advance in the year 1938. If both or all are paid in advance of Dec. 31, 1938, then the money will be divided evenly among those trying for the prize. For example: If four people are tied for first place, then the first four prizes will be pooled and divided evenly among the four people.
- Cut out this form along the border lines, fill in and mail early to the Charlottetown Guardian.

## Solution Number of Bricks Competition

(a) My solution of the number of bricks in the church and surrounding walks is -----

(b) I am eligible for the competition on the subscription addressed to the following subscriber:

Name ----- Address -----

(c) Amount enclosed on account of the above subscription, \$ -----

(d) New subscription. Name ----- Address -----

Second new subscription. Name ----- Address -----

Amount enclosed for new subscriptions, \$ -----

Name of contestant -----

Address -----

Date ----- 1937

NOTE: Sections (c) and (d) are for use only if subscription is not paid in advance of Dec. 31, 1938, or if sending in one or two new subscriptions. All new subscriptions must be paid for one year each.
