"WINNER'S CIRCLE" BLAZES WITH GREAT TRACK THRILLS!

Flashing silks and flying hooves fill the screen of the Capitol Theatre today to bring local moviegoers a generous slice of the thrills, drama and excitement that only the "Sport of Kings" can provide.

Novel in its approach, the film blends a heart-warming story with the authentic excitement of all time scenes which were taken from actual newsworthy shots.

"The Winner's Circle" is the dramatic life story of a thoroughbred colt from his first wobbly-legged days of romping in the field to his pacing and cloaking

for his first suspenseful trial runs. Excitement increases as the story of this high-spirited colt-told through the voice of a commentator—proceeds apace until, as a three-year-old, the thoroughbred makes his triumphant entry into the winner's circle.

For exciting, fast-paced entertainment, "The Winner's Circle" is without doubt the outstanding racing picture in years, as the screen pounds with the re-enactment of historic newsworthy shots of triumphant Man O' War, Seabiscuit, Alsab and other "greats."

Lovely Jean Willes heads the professional acting cast, while Johnny Longden and Bob Howard were recruited from turfdom's racing notables to portray their real-life roles in "The Winner's Circle." Felix E. Feist directed from an original screen play by Howard J. Green.

"DARK PASSAGE" OPENING TODAY AT THE PRINCE EDWARD

Humphrey Bogart and Lauren Bacall are cast together for the third time in Warner Bros. dramatic "Dark Passage" which opens today at the Prince Edward Theatre. This is an action-packed screen version of the David Goodis novel of the same name, which has been directed by Delmer Daves. Daves is also responsible for the screen play, making this a double-scoring chore for him.

In support of the leading duo are: Agnes Moorehead, Bruce Bennett and Tom D'Andrea. Clifton Young and Roy Mallinson round out the roster of supporting players. Miss Bacall's assignment is a more sympathetic one than usual, as she depicts a serious-minded young lady here, instead of the sultry enchantress.

Bogart is cast as an escaped convict from San Quentin who tries to prove his innocence. All of this is shot in and near San Francisco, where the company spent a month shooting exteriors. The Golden Gate Bridge figures prominently in the action and the camera makes wide use of this engineering structure to motivate the more exciting moments in the picture. One of the stand-out scenes is a slugfest between Bogart and Young beneath the bridge.

TOOLE-MCKENNA WEDDING

A very quiet wedding was solemnized at St. Joseph's Church, Kelly's Cross on the morning of July 12th, when Mary Edna daughter of Mr. and Mrs. Hudson McKenna, Rutherford, Me., became the bride of James Theodore, son of Mr. and Mrs. Walter Toole, Green Road, Rev. Father W. A. Keefe solemnized the wedding ceremony and the Nuptial Mass.

The bride wore floor length gown of white rayon, dot marquette over rayon with shoulette length veil and carried a bouquet of pink carnations and maiden hair fern with pink streamers. She was attended by her cousin, Miss Della McGaughey, who wore floor length gown of peach satin with shoulder length veil, and carried a bouquet of white carnations with white streamers. The groom was attended by his brother, Mr. Arnold Toole.

Immediately after the ceremony a reception was held at the home of the bride's uncle and aunt, Mr. and Mrs. John E. McGaughey. Bonshaw. The immediate members of both families were present. After breakfast, short speeches were made by Rev. W. A. Keefe and Rev. R. Malone, which were responded to by the groom on his behalf and of the bride.

The bride and groom left on a honeymoon trip to the mainland. They intend to reside in Rutherford, Me., where the best wishes of their many friends will follow them to their new home.

Service Rifle To Have Innings At D.C.R.A. Shoot

OTTAWA, Aug. 1—The Canadian army service rifle, criticized by Canadian marksmen at the big Bley meeting in Britain, will be tested again next week at the annual shoot of the Dominion of Canada Rifle Association.

The rifle, which its critics claim is inaccurate at 600 to 1,000 yards, will be used throughout the week-long championship shoot which starts Aug. 9 at Connaught Rifle Ranges at South March, 14 miles west of here.

The rifle was specially developed by the Defense Department during the war and incorporates features of several leading makers, notably Lee Enfield. Its official designation is No. 4 Mark III Star.

"We haven't learned the secret of adjusting the rifle to get its full capabilities," said Maj. W. J. Strachan of Ottawa, a member of the Bley team. "As a weapon in wartime it was superb. It only needs a finer adjustment."

Maj. Strachan, who flew back from England with some other service members of the team on July 24, said that as a member of the D.C.R.A. council he would fight any move to have the rifle replaced in the Association's competition.

The advantage gained by competitors who can afford to buy expensive rifles is eliminated when all use a standard service model, he said.

U.S. Negro Wins 100-Metre Event At Olympic Games

By Jack Sullivan

LONDON, Aug. 1 (CP)—Harold Dillard, 26-year-old American Negro who almost missed a place on the American team, streaked down the Olympic Stadium track here Saturday to win the 100-metre and earn the nickname "fastest man in the world."

It was a photo-finish between Dillard and another Negro, Barney Swell, 30, of Lancaster, Pa., in the race which is regarded as the most important in these 14th (or any other) Olympic Games.

Dillard tied the Olympic record time of 10.3 seconds, set by still another Negro, Eddie Tolson, in 1932. Jesse Owens equalled the mark in the 1936 games. Not since Frank Perry Williams of Vancouver won the 100 in 1928 has the title "fastest man" gone to a white.

Dillard, already recognized as the world's greatest hurdler, scored the most spectacular victory of the day for a United States team that stole the show in track and swimming.

Dillard failed to qualify for the United States Olympic team in the 100-metre dash in the preliminary round. He sailed aboard the ship to England by virtue of a third-place sprinting victory in the tryouts.

In all, eight Olympic champions were decided Saturday. The United States provided five of them; Austria, Hungary and Sweden one apiece.

Canada's best effort was by Pat Jones, the New Westminster, B.C., sprinter. She became the first Canadian to win a heat in any track event, leading her section of the field in the 100-metre women's dash. Blonde Viola Myers of Toronto was second in her heat at the same event.

All Canada's men who qualified to track preliminaries now have been eliminated, though they can compete in events not yet staged. The Dominion's basketball team scored its second consecutive victory in the round-robin preliminary, beating Britain 44-24.

Besides Dillard, these are Saturday's champions: Flashy Roy Cochran of Los Angeles stirred the more-than-60,000 Olympic crowd with a record-smashing win in the 400-metre hurdles. His time was 31.1 seconds—just fast enough to beat off the challenge of Ceylon's Duncan White, a virtual unknown.

Bruce Harlan of Ohio State University won an easy victory in the springboard diving competition, and his team-mates made the event an American sweep. Canada's Dr. George Athans, of Vancouver, finished ninth.

Wally Ris, free style swimmer, from University of Iowa, covered the 100-metre distance in 1:01.5 in the Olympic record time of 1:01.3 seconds.

Wills Steele, collegiate champion from California, won the broad jump with a leap of 25 feet, eight inches. Tom Bruce of Australia was second; it would have been another American sweep if he hadn't made the grade.

Miss H. Baume of Austria won the javelin throw for women with an Olympic-record heave of 118 feet, six inches.

Irmy Nemethy of Hungary, won the hammer throw with a tremendous 183 feet, 11 1/2 inches, just short of the Olympic record set in 1936.

Sweden's J.A. Lunggren was declared winner of the grueling 50,000-metre road walk, in four hours, 41 minutes and 52 seconds. Those were the only titles, but the record-shattering parade doesn't end there.

New Swimming Record Spectacular Nel Vilet of the Netherlands, broke the 200-metre breast stroke swimming record for the second day in a row. Friday she swam a preliminary heat in 2:02.4, and Saturday, in 2:01.8.

Jimmy McLane of Andover, Mass., broke the 400-metre free style swimming record at four minutes, 42.2 seconds.

And Greta Anderson of Denmark tied the Olympic record for the women's 100-metre free style swimming, with a time of 65.8 seconds.

Saturday's victories pushed the United States total to 101 in the unofficial national standing. Second-place France has 26, Sweden 26, Australia 15, Hungary 14, and Austria and Britain 12 each.

Canada's basketball team is tied with Brazil for first place in its section of the preliminary round-robin. The top two teams in each section go into the formal Olympic tournament.

The Dominion has only one wrestler left in the free-style competition — heavyweight Bernard Payette of Montreal who has won two bouts by falls and another by unanimous decision of the judges. All five other Canadian grapplers suffered elimination Saturday under the demerit system used in the tournament. The free-style wrestling ends Monday night and the Greco-Roman style starts Tuesday. Champions are crowned in the seven weight divisions for each style.

Fencers Rhoda Martin of Vancouver and Betty Hamilton of Montreal were eliminated Saturday in individual competition, following the men's fencing team out of the game.

Jack Hutchins of Vancouver, who Friday got safely through the preliminaries of the 800-metre run, was eliminated in the semifinals.

Red Sox Win From Vics 11-5

Last evening on the Knights of Columbus diamond the Red Sox turned the tables on the Vics, taking a nine inning softball game by the score of 11 to 5.

Four home runs with runners aboard gave the winners the edge in the early stages which they held throughout.

They lined up as follows: Red Sox — Connors, Wright, Prunty, Bevans, Thacker, Hoyt, Birt, Ward, McDougall.

Vics — Drew, MacDonald, Pinseau, M. MacDonald, Weatherbie, Tullis, LeClair, Murnaghan, Locke.

Next game Tuesday evening at 6 p.m.

GEORGE WALTERS

(Continued from Page 7)

In addition to Walters and Brawley's fine showing, fleet-footed Dave Boswell of Victoria chalked up convincing wins in the 440 and 880 yard dashes. Walter LePage, flashy sprinter, the team which ran his first race of the season with very little training, placed first in his heats in the 100 and 220 yards dash, led for 55 yards in the 100-yard final but was nosed out by John and Barry King, to finish third. In the 220 LePage pulled a muscle in his left leg, and had to withdraw.

The return of big Ernie Matheson to his place on the team produced good results, with his second throw in the hammer far outclassing the field.

Johnnie Cash, a newcomer to the Abbies was also a tower of strength, placing second in three events. The seventh member of the squad, Fred Foy, ran into some tough luck in the six-mile run when he irritated an old ankle injury and had to withdraw.

Following is a summary of points won by Abbies: 100 yd. dash—LePage 1 pt. 220 yd. dash—J. Cash 3 pts. 440 yd. dash—D. Boswell 5 pts. 880 yd. run—D. Boswell 5 pts.
