Origin of Military Uniform.
 Military uniforms were not originally especially splendid. It was the Prussian army, and then Napoleon, who set the example of adorning the soldiers' dress all over with fur, gold lace and so on. The Napoleonic armies suffered from a perfect mania for showy trappings.
A BUNDLE OF NERVES
 Nerve force is the very life of man and every organ of the human body is dependent upon it. Just as soon as the blood gets thin and watery and fails to supply nourishment to the nerves there comes a train of nervous disorders, nervous prostration, paralysis, epilepsy, insanity, and death. Dr. Chase's Nerve Food rebuilds and revitalizes the nerve cells wasted by disease, overwork and worry. It is beyond doubt the world's greatest restorative. Recommended by your family physician. All Druggists recommend and sell it.
