—MOASE JEWELLERS are prepared to help last minute shoppers with a fine selection of Watches, Ear Rings, Silver in Chests, Diamonds, Billfolds, Ronsons, etc.

—HOME, SCHOOL AND WELFARE GROUP — The December meeting of the Home, School and Welfare Group was held on Tuesday evening in the Summerside High School with the president, Mrs. Creelman MacArthur, in the chair. After roll call and the reading of the minutes, a letter of appreciation was read from Mr. D. O Stewart, chairman of the School Board, thanking the Group for the donation of $375.00 toward the Household Economics Department. A pleasing report of the results of Tag Days was submitted and thanks extended to the committee in charge. A special discussion followed on ways and means of getting wood-working tools for the industrial arts class which begins in the New Year, and the members were requested to send to the school any tools they can spare. Parents realize this is a long-felt need for the boys of the community and helps to offset tendencies toward juvenile delinquency. It was moved that the next meeting, which will be on January 18, will be men's night and Chief Justice Campbell will be the guest speaker. $50.00 was voted toward the expenses of the School Art Department, which is under the direction of Miss Elaine Harrison, who is doing a splendid work. It was decided to put on a one-act play and variety concert the latter part of January, and Miss Estelle Bowness was appointed convener for the play, and Mr. J. H. Leuty for the music.—S.

—THE SWEETEST GIFT and so little fuss, give Ganong's Delecto Chocolates, the Finest in the Land.

New Curling Rink At S'side Almost Ready

—The new Curling Rink on Notre Dame Street is rapidly nearing completion and it is expected that it will be in operation early in the New Year. Work on the installation of pipes and the artificial ice plant is now going on and as soon as this is completed the laying of ice will be commenced.

All the exterior of the building which is cement blocks and brick, is completed and the ground has been rough graded. The hardwood flooring is being laid in the first floor club room and the fireplace and chimney is about complete. The interior walls of the clubroom are attractively finished in knotty pine.

A drive for new members is now on and anyone who would like to curl can obtain full information from the secretary, Mr. R. L. Willet, or any club member. S
