

# HE NEVER SAT DOWN TO EAT

## Lived on Eggs and Milk for Years

### How "Can Eat Anything" Thanks to Kruschen

A good appetite is usually a sign of good health. And a poor appetite is a sure sign that something is wrong somewhere. If you do not eat your meals and enjoy them, without any unpleasant after-effects, read this letter. The treatment that put this man right would surely be good for you, too.

"I have much pleasure to be able to inform you that by regularly taking Kruschen Salts I regained my appetite, and have been completely released from pains which I had suffered in body and limbs.

"For years I disliked all eating, especially solid food. I never sat down at table during meals, and lived on milk and two eggs daily. One month ago, I started to take Kruschen Salts, and now I can eat anything with the greatest appetite."—J. F. D.

"There are six salts in Kruschen, and every one of them is necessary to perfect health. If you lead a strenuous life in the open air, if every organ in your body performs its functions perfectly, if your diet is exactly balanced, then you can extract from the food you eat and breathe that is necessary to keep you fit. But if you spend the greater part of

your life indoors, if you cannot get all the fresh air and exercise you need, if your eliminating organs don't do their work easily, naturally, and regularly, if your diet is not exactly what it should be, if you wake unrefreshed, eat without appetite, work without zest, and play without enjoyment—Kruschen is what you need, and Kruschen will put you right.

Kruschen sweetens and cleanses your blood, sets your internal machinery working smoothly, sends you out into sunshine or shower with the same cheery readiness for the day's work or the day's play.

Kruschen Salts is obtainable at all Drug Stores at 45c. and 75c. per bottle.

—CELEBRATES FIRST MASS—Rev. Joseph Douglas MacNeill, who was ordained to the Holy Priesthood by His Excellency Bishop O'Sullivan, on Sunday in St. Paul's Church, Summerside, said his first Mass on Monday morning at 7.30 in St. Paul's church. At the commencement of the Mass the hymn "Veni Creator" was sung by his six sisters created by the Sisters of St. Mary's Convent. Sister Saint Lydia played the organ. During the Mass his sisters chanted hymns. Rev. Dr. McLellan assisted the new priest and his brothers, Masters Bernard and James served the Mass. About one hundred of the congregation took Communion.—S

—SCHOOL BOARD REQUEST GRANTED—Dr. E. T. Tanton, chairman of the Summerside School Board received a letter from Hon. Dr. MacMillan, Minister of Education, yesterday morning granting a third teacher for the 12th grade if required. The text of the letter is as follows: Dr. E. T. Tanton, Chairman of the Summerside School Board: Dear Sir: In answer to your letter of May 6, I may say that it is the opinion of the Board of Education that, with proper re-arrangement of your teachers in your higher grades, one additional teacher for Grade XI and one additional teacher for Grade XII would be sufficient, but if it is found necessary that a second teacher in Grade XII must be engaged to carry out your programme the Government will also engage that teacher. Hoping this is satisfactory, I remain, Yours Sincerely, W. J. P. MacMillan, Minister of Education.

—RECORD AUCTION—At Mill Valley when the estate of Edwards & Co., Ltd., was offered the largest farm auction ever seen in this Province was held on Saturday afternoon and was a grand success. The five farms were knocked down to W. E. Bentley, representing Tharen Edwards, for \$28,100.00 and comprised 566 acres. Seventeen horses sold at from \$25 to \$125, several cattle, feed, implements and other equipment were auctioned off aggregating \$6000 and bringing the grand total of the sale to \$34,000.00. For five hours Auctioneer High F. Morrison averaged over \$6000 per hour which is not only a record for him in his career of over 25 years auctioning but probably a record for farm auctions in all Canada. The sale was for cash and the bidding was just as brisk as in the days of "war prices" which shows that there is still a surplus of money in Prince Edward Island. Approximately 2000 people representing various districts in the three counties were present.

# Make Your Own Repairs

ANY man who can drive a nail can put up fire-safe ceilings and partitions of Gyproc.

Measure the area to be covered, then order as many sheets of Gyproc as you need. It cuts to size like lumber and you nail it to the studs, joists or over old plaster.

Paper it, panel it, or finish it with Gyptex or Alabastine and you have an inexpensive wall of professional appearance.

—APPROPRIATE SERVICES FOR MOTHERS' DAY—Summerside Churches observed Mothers' Day on Sunday with appropriate

sermons and music. The flowers were also suitable for the occasion and were very beautiful. In the Christian Church in the morning Rev. Berry S. McLean's text was "Canada's Uncrowned Queen" and in the evening "Ecce astical Poverty." Miss Cannon sang a solo in the morning and Mrs. (Rev.) McLean and Miss Clara McLean a duet in the evening. In Trinity United Church there were large attendances at both morning and evening services. Rev. Mr. Campbell's text in the morning was "His Mother, who was a mother to me." A duet "Mothers Prayers Follow Me" was sung by Mr. Stanford and Mr. Philpott. The anthem, "Make haste and see how great the Lord is," was sung by a full choir at the evening service. At the Presbyterian Church the morning was devoted to a special service for children with the junior choir. Rev. Mr. Jeans told the story of the Mothers of Palestine bringing their children to Jesus. The service was very beautiful. At the evening service Rev. Mr. Jean's text was taken from St. John 19-25. "Now there stood by the Cross of Jesus His Mother." Special music was rendered which was much appreciated. Mrs. Jack McLeod sang a solo with a supporting chorus. The W. M. S. thank offering was taken up and amounted to a tidy sum. Rev. Mr. Wilson, pastor of the Baptist Church, preached both morning and evening on "Mothers." In his sermon in the morning he

paid a very high tribute to mothers. In the evening his address was on Women and the high place they hold in the church and community. A solo, "I'll wear a white flower for you" was sung by Mrs. McLeod, at the morning service. In the evening the anthem "Mother of Mine" was sung by Miss Taylor and Mrs. McLeod with a supporting chorus. Mrs. McLeod also sang "Our Mothers Way."—S

### CAMPBELL—LECLAIR

On Saturday evening, April 30, the Baptist parsonage was the scene of a very pretty wedding when Miss Anne Campbell and Mr. Vincent Leclair of this city were united in marriage by Rev. A. C. Vincent.

The charming young bride wore a dainty gown of lavender satin with hat and shoes to match and carried a bouquet of mixed carnations; she was attended by her sister, Miss Margaret Campbell, who was gowned in beige crepe with hat and shoes to match and wore a corsage bouquet of pink roses. Mr. Leigh Bearsto was groomsman. After the ceremony the happy young couple and attendants drove to the home of the bride where a dainty supper was served. The many presents and expressions of best wishes for a happy married life that were showered on the principals showed the esteem in which they were held by their host of friends. Mr. and Mrs. Leclair will reside in this city where the groom is a valued employee of the Queen Hotel. (Patriot please copy).

Shields: Man cannot well face life without some shield between. He may fight ever so bravely but the spears of life will be too many and too sharp for him. And no shield will thoroughly defend him but God. The weakest calls out for the strongest.—Theodore Munger.
