FRUIT-A-TIVES Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE
95 St. Rose St., Montreal, April 4th.
"For over two years I was sick and miserable. I suffered from constant headaches, and had palpitation of the heart so badly that I feared I would die. There seemed to be a lump in my stomach and the constipation was dreadful. I suffered from Pain in the Back and Kidney Disease.
I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After taking three boxes, I was greatly improved and two boxes made me well. Now I can work all day and there are no headaches, no palpitation, no heart trouble, no constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health!"

The death of Marjorie W. Whitelaw, wife of Mr. James Whitelaw, Bridge Engineer of Canadian Government Railways, occurred Tuesday morning 9th October at the family residence, 112 Dufferin Street, Moncton. The deceased was thirty five years of age and had only been ill about two weeks, death being due to "tomatine poisoning." Mrs. Whitelaw leaves besides her husband, one little daughter Marjorie, also her father and mother in Edinburg, Scotland, one brother in Nova Scotia, and one brother living in the United States. The funeral took place on Friday afternoon at 112 Dufferin Street. The deceased visited Charlottetown this summer where she was the guest of Mr. and Mrs. Alec. Scott and Mrs. DuMont, making many friends who will sadly mourn her sudden and untimely death. The heartfelt sympathy of many go out to Mr. Whitelaw and little Marjorie in the great loss they are called upon to bear.

At the Charlottetown Hospital, on Tuesday evening, Oct. 16th, Thomas E. Murphy, of South Shore, passed peacefully from this life to Eternity. He entered the Hospital two weeks previously, suffering from a fractured bone of the leg, caused by a kick from a horse. Skilful medical aid and careful nursing proved unavailing, the effects of the injury being fatal, and he breathed his last on Tuesday evening, surrounded by members of his family and Sisters of the Hospital and St. Joseph's Convent.

The late Mr. Murphy was a man of sterling character and unbending integrity, honest, upright and truthful, he commanded the respect of all who knew him. Through his ability and industry he prospered in his chosen profession and became one of the leading agriculturists of the province, as his magnificent home and well tilled and stocked farm amply attested. Kind, considerate and hospitable, he will long be remembered by his large circle of friends and acquaintances. A widow, four sons and two daughters survive him. Three of the sons, Michael, Wellington and Seymour are settled at South Shore, the other, Alfred resides in Calgary. Of the daughters, Stella is a trained nurse in Boston and Annie is at home.

The funeral took place at South Shore, on Thursday and was very largely attended. Solemn high Mass of Requiem was chanted, with Father McQuaid Celebrant, Father Poirier Deacon and Father McLellan Sub-deacon. Mr. W. J. Brown, led the choir assisted by members of the St. Dunstan's College choir. The pall-bearers were Senator Prowse, Donald Nicholson, M. P., John T. McKenzie, John Quinn, John Currie and William Leonard. After the Absolutions were sung, the remains were laid to rest in the adjoining cemetery. Eternal rest grant unto him O Lord and let perpetual light shine upon him.

Ouch ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezezone when applied to a tender, aching corn stops soreness at once, and soon the corn dries up and lifts out without pain. He says freezezone is a sticky substance which dries immediately and never inflames or even irritates the surrounding tissue or skin. A quarter of an ounce which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.

HOW THE TROUBLE STARTS

If more people knew how Rheumatism and kindred ills started there would be infinitely less suffering.

It should be a matter of popular knowledge that the blood stream completes the circulation of the body in approximately three minutes, gathering up waste matters. It is the function of the Kidneys to remove these impurities or poisons from the blood and eliminate them from the body. Should there be any derangement of the Kidney action the poisons are not eliminated but are carried around again in the blood stream, to accumulate slowly and occasion sickness and distress. Then follow pains in the back, in the region of the Kidneys, Rheumatism, constant headaches, and the many complaints arising from derangements of the Kidneys or Bladder. First, the Kidneys must be put in order and until these organs are healed and regulated no real health is possible. Gin Pills contain the medicinal and tonic properties that the Kidneys require.

You can get Gin Pills at all dealers—50c a box or 6 boxes for \$2.50, or a sample will be sent free upon request to the National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U.S. address, 202 Main St., Buffalo, N.Y. 124

The death of Mrs. E. O. Barbour of Alberton took place on Friday, Oct. 12. She had been in delicate health for some years and this spring she tried a change of climate by a visit with friends in Alberta. The change however benefited her but a little and her death occurred a few weeks after her return. Mrs. Barbour came to Alberton about four years ago and all her many new friends soon learned to admire and love her very greatly; and a wide spread and very deep sympathy is felt for Mr. Barbour and the two children Alberta and Hilton, left behind. Mrs. Barbour was a daughter of Mr. William Guard of Mill River East, and is survived by two brothers and one sister, Henry living on the old homestead, Elijah in Charlottetown and Mrs. John Hardy of Portneuve Cove. The funeral procession was a large one and deep solemnity pervaded it on the way to the cemetery at Bloomfield, and while they passed the scenes so familiar to Mrs. Barbour from her childhood. The funeral service at the home was conducted by the Rev. George Miller and at the grave by the Rev. Robert Murray.

SERIOUSLY ILL.—Mrs. Annie Pidgeon, Wheatley River, has received a telegram informing her that 1261446 Mr. Thomas Dewey Pidgeon, artillery, is officially reported seriously ill at Vitley Hospital, Hampstead.

There passed away at Mount Stewart on Monday, Oct. 8th, Margaret Cameron, widow of the late Joseph McEwen, of West St. Peters.

The deceased was apparently in her usual good health and was preparing to visit relatives a few miles away when, without a moment's warning, the summons of death came to her. This sudden demise was a great shock to her family, friends and the community at large. Mrs. McEwen was for many years a faithful member and strong supporter of the Presbyterian church, a woman of a kind and sympathetic nature. The remains were laid away in the West St. Peters cemetery on Wednesday forenoon, Oct. 10th, the services at the house and grave being conducted by Rev. Frank Coffin, of Harbor Grace, Newfoundland. Three sisters are left to mourn their loss. Mrs. Robert Douglas, Mr. Stewart, Mrs. James Smallwood and Miss Mary Cameron, Hd of Hillsboro.

WEDDING BELLS.—A very pretty wedding took place at St. Andrew's Church, on Tuesday, morning, Sept. 25th, when Miss Jennie McKinnon, daughter of Mr. Charles McKinnon, and one of the most popular young ladies of the parish, was united in the "holy bonds" of matrimony, to Mr. John McCormac of Point de Roche, Rev. A. P. McLellan, P. P. officiating. The bride, who was becomingly attired in a tailored suit of navy blue with hat to match was attended by her cousin, Miss Minnie Doyle of French Village, Mr. Mark McCormac ably supported the groom immediately after the ceremony the bridal party left by train for Charlottetown, where they had dinner at the Revere Hotel, returning the same evening to the home of the bride, where a number of invited guests, had assembled to welcome them. Supper being served shortly after their arrival, the remaining hours, were spent in music, and dancing, interspersed, by a visit from a party of serenaders, who after paying the customary tribute to the newly wedded pair quietly dispersed to their homes. The bride and groom were the recipients of many, and costly presents all of which, testified to the respect and esteem, in which they were held by their many friends.

Lieut. Heber R. Large, R.F.C., veteran of Givinchy, Festaubert, Ypres, La Bassee and many of the earlier Canadian engagements—one of the "first six" to leave the Island for overseas duty—has been rewarded by the appointment to a post at the aviation school in Toronto and leaves for that city tomorrow morning.

He is the third Island officer to receive a similar honor and will have as fellow instructors at the school Major Sherren, R.F.C., from Craupaud and Lieut. Ronald Stewart, R.F.C., City.

It was during one of these engagements that Lieut. Large received his injuries which resulting in him being invalided home. His machine, with several others, attacked a fleet of Zeppelins which were attempting a raid on London, July 15th and during the fighting Lieut. Large's machine was struck in the petrol tank, which burst into flames. At a height of 700 feet Heber lost consciousness a bullet having wounded him in the thigh some minutes before—and the machine with its pilot and gunner fell to the earth.

Lieut. Large was badly burned in the face and arms, besides the wound in his leg and was for over two months in hospital before getting his short home leave. His many friends are delighted to know that the genial and popular "flier" will remain in Canada. And needless to say, this appointment takes a heavy load of care and

worry from the shoulders of his parents, Mr. and Mrs. A. P. Large, Bayfield St.

Last night the Lieutenant was presented with a beautiful monogrammed gold cigarette case by the Royal Edw. Chapter, I.O.D.E.

WEDDING CHIMES.—One of the prettiest weddings of the fall season was solemnized at St. Michael's Church, Kinkora on the morning of Oct. 16th, when Miss Marion Jeanette Croken, daughter of Mr. and Mrs. Francis Croken, Kinkora, became the bride of Mr. Gratton Noonan, son of Mr. and Mrs. Joseph Noonan, Albany and one of the most highly esteemed young men of that district. The wedding ceremony was performed by Rev. A. J. McIntyre. The bride who was one of Kinkora's winsome and popular young ladies was neatly attired in a suit of blue serge with peach colored blouse and large black picture hat. She was attended by Miss Ceila Noonan, sister of the groom, who was nicely attired in a suit of blue with hat to match, while the groom was ably rendered the customary aid, by Mr. Vincent Croken, brother of the bride. Immediately after the ceremony the wedding party had breakfast at the home of the bride and from there left by auto owned and driven by Mr. Russel Ahearn for Charlottetown where a special prepared dinner was awaiting them at the Revere Hotel. In the afternoon they enjoyed the principal sights around the capital city, returning in the evening to the home of the bride where a reception was held for their near relatives and friends of the bride and groom. After partaking of a well prepared feast, dancing was begun and con-
