

THE OLD FOLKS AT HOME Are Never Without Peruna in the House for Catarrhal Diseases.

W. D. WATSON, Clovis, Fresno County, Cal., writes: "God bless you for what you have done for me. The rheumatism has all disappeared, and today all I exclaim, 'How well you look!' I tell them yes, and I owe it all to Dr. Hartman for his good advice to me. Today finds me free from pain as I ever was. The rainy season has set in here, but the change hasn't affected me as it used to. I am very thankful that I have found out that you can and will help the suffering ones that will follow your advice. Several have asked me what cured me, and I tell them. They get the medicine then. We keep Peruna in the house. My daughter has two sons, and they keep well and go to school, and they take the medicine every day. My wife was troubled with a pain in her side for years. Now she is taking your medicine and is real smart. I will do all I can for you and for those who need your advice." Mr. Jno. O. Atkinson, Independence, Mo., Box 272, writes: "Your remedies do all that you claim for them, and even more. Catarrh can not exist where Peruna is taken according to directions. Peruna completely cured my wife and I of catarrhal troubles of twenty-five years standing. In my rounds as a traveling man I am a walking advertisement of Peruna."

Why Old People are Especially Liable to Systemic Catarrh. When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people. This explains why Peruna has become so indispensable to old people. Peruna is their safeguard. Peruna is the only remedy yet devised that meets these cases exactly. Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is. If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Blood Disorders

Are simply kidney disorders. The kidneys filter the blood of all that should not be there. The blood passes through the kidneys every three minutes. If the kidneys do their work so impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most limited blood medicine there is.
