

# WORTH MOUNTAINS OF GOLD

### During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength, and never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weakness, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

**THE MORNING PAPER.**  
Some Reasons Why it Makes The Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it. The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for thirty or more.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of

**One Doctor**  
Have only one doctor—just one! No sense in running from one doctor to another! Select the best one, then stand by him. No sense in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it.

# A HORSE IN A LAUNDRY

New York.—A horse, attached to a laundry wagon, became frightened and made a wild dash up Broadway. Spying a sign with a shirt on it, the horse plunged into the laundry, and, ridding itself of the wagon, landed with all four feet upon the lingerie and shirts that a dozen laundresses were sorting.

When the horse went through the door, the laundresses went out the windows amid a shower of hot irons, starch and bluing bottles. When the excitement was over, the horse was found calmly munching a bundle of laundry tickets.

It is "a horse of another color" when there is pain in the back, when the legs ache, when the stomach is upset and there is indication of kidney trouble. "Fruit-a-lives", the famous fruit juice medicine, is giving wonderful results in all cases of weak and strained kidneys. "Fruit-a-lives" acts directly on the kidneys, relieving the inflammation, and at the same time, regulating bowels, stomach and skin.

**WHAT every cook should know is, which wheat makes the best flour, and why.**

Winter wheat is put into the ground in the fall, but does not ripen until the following July. It matures slowly, is soft and very starchy.

Spring wheat is sown in April or May, and ripens in August. It's a flinty, translucent wheat, rich in gluten and contains nearly twice as much nutriment as winter wheat.

**Royal Household Flour**

is made entirely from the hard, nutritious spring wheat, carefully selected from all the wheat of this kind grown in Canada.

Royal Household is fine, light and pure—milled by the most improved methods—in a mill as clean as your own kitchen.

Ask your grocer for Ogilvie's Royal Household—just enough to try. You won't mind the slight advance in cost when you see the results in your bread and pastry. 21
