— ONE YEAR OLD — A large number of Air Force, W. D. personnel and air force wives met on Thursday at the Contact Club, Summerside to celebrate the first anniversary of the club. The room was nicely decorated with cut flowers. A birthday cake with one candle and "One Year Old Today" occupied the centre table. A delightful lunch was served and all enjoyed themselves very much. The club has made rapid strides in their one year of operation. It has been a meeting place for the R. C. A. F. Women's Division and air force wives who might not otherwise meet. The club meets regularly and devotes so much time for knitting for the Red Cross and air force hospitals. Much credit is due Mrs. A. Lewis for her energetic leadership in helping to keep up the enthusiasm of the club—S

— W. M. S. MEETING — Tuesday afternoon the North Bedeque Auxiliary of the Women's Missionary Society met with Mrs. Clement Carruthers when the president Mrs. R. W. Hogg conducted the meeting. During the devotional period hymns were sung and several passages of Scripture were read in unison. Prayer was offered by Mrs. Percy Marchbank. A temperance reading was given by Mrs. John Marchbank who also read a letter from the Presbyterian Temperance Secretary, Mrs. W. R. Clark. Other readings were given by Mrs. Harry Simmons, Mrs. Preston Bowness and Mrs. A. G. McCaull. An appeal was made by the Secretary to the members to attend as many summer rallys as possible. The Community Friendship Secretary reported 10 home and 1 hospital calls during May. The July meeting will be held in the class room of the Church. The meeting closed with Benediction by the President—S.

More Blood Donors Needed

Twenty three members of the personnel—14 women and 9 men— of No. 1 C. R. S. (R. C. A. F.) Summerside, donated their blood when the Red Cross Mobile Unit held its first clinic of this kind at the Station Hospital on Wednesday morning. The hospital staff — doctors, nurses, orderlies, hospital assistants and cooks all helped. Volunteer nurses from the Summerside Blood Donor Clinic, as well as two of the Charlottetown personnel, were also on hand. The Station is going to make every effort to enroll a arge list of donors in preparation for the return of the mobile clinic. The 23 donations received at the Summerside Airport, plus the 73 given at the Charlottetown Clinic on Thursday make up the largest number of donations yet received in Prince Edward Island—96. However, the objective for P. E. I. is 200 per week so the province is still very much behind its quota. Now that the invasion is in full swing more blood than ever is going to be required for transfusions on the battlefield. The blood we do not need may be the means of saving the life of someone near and dear to us. We can all get into the battle right here on the home front by enrolling as a blood donor.

The Summerside Donors' Committee, headed by Mr. Morley M. Bell, is signing up donors for the town's next clinic which will take place in the Canadian Legion Home next Wednesday morning. The mobile clinic will visit the Mt. Pleasant Airport on Wednesday afternoon where every co-operation has been assured.

Good Progress In Farm Operations Throughout Province

"Excellent progress has been made in seeding during the present year and in very few seasons in our memory has there been such ideal weather for farm operations and for growth," said Mr. W.R. Shaw, Deputy-Minister of Agriculture, in an interview with the Guardian yesterday.

"Pasture and hay are in an excellent condition and seeds seem to be germinating well. The sowing season is almost three weeks earlier than normally.

"Cattle are now well away to pasture," Mr. Shaw said. "Cheese receipts are increasing rapidly. Most of our cheese factories have now opened up."

"A meeting of the representatives of the P.E.I. Cheese Board was held in the office of the P.E.I. Department of Agriculture Thursday evening at which cheese-price levels for the coming season were discussed."

"Much interest has been taken in bee-keeping in this Province and a large number of new units have been added. Importations of honey bees have increased and Mr. W. A. Burns of the Experimental Farm and Mr. S.C. Wright have distributed packages of bees to various parts of the Province, and have also given the necessary information as to their proper care and handling. Perhaps the main reason for the increased interest in bee-keeping is the scarcity of sugar.

"The Department reports that the inspection of stallions has been completed in the Province, Dr. C.E. Taylor of Montreal represented the Federal Department of Agriculture in this work. The number of stallions inspected has been less than that of former years, which reflects the indifference our agricultural producers now seem to maintain in the horse industry," Mr. Shaw said.

"Suez" is Lone Wolf Smash Hit

—A timely and fast-paced Lone Wolf yarn, laid in the dark shadows of the Egyptian pyramids opened at the Capitol Theatre yesterday, and this reporter found it one of the most completely fascinating spy dramas yet to come out of the War. "Passport to Suez" it is called, and a solid hour of adventure it is.

The picture opens with the Lone Wolf, suavely played by Warren William, arriving in Alexandria with his man Jameson (Eric Blore). He meets an old friend, Johnny Booth, portrayed by Sheldon Leonard (who, believe it or not, is on the side of the law in this one) and in no more time than it takes to down a quick drink, is inextricably involved in the machinations of one of the several spy rings intent on pilfering the defense maps of the Suez Canal.

Bishop Boyle Visits Queen Square School

His Excellency Most Rev. James Boyle received a warm welcome when he visited Queen Square School yesterday. Mr. Pius Callaghan, principal of the school acted as chairman and welcomed the Bishop at the same time pledging the support of his staff and pupils to the work His Excellency heads.

Two pupils followed, Bobby Kelly reading an address and Ivan Dowling making a presentation on behalf of the school.

The Bishop replied to both teachers and pupils thanking them for their expressions. In closing he imparted his blessing.

The program opened with O Canada and Land We Love by the pupils and closed with God Bless Our Canada and the National Anthem.

Several other clergymen also attended, including Rev. W.J. McCardle, Rev. Louis A Dougan and Rev. Kenneth MacMillan of the Basilica staff and Rev. Father Edward from the Redemptorist parish.

Following is the text of the address:

Most Reverend James Boyle, D.D.,
Bishop of Charlottetown
Your Excellency:

Today, we, the pupils of Queen Square School, are indeed honoured as we have the privilege of welcoming you, our Bishop, among us.

We have read and heard much of your abilities in the various duties which have been yours up to the present time. We know fullly well your capabilities for your now exalted position. We pray God to shower His blessings upon you and upon us, your parishioners, throughout your entire time in Charlottetown.

As the coming men of this City, we, your boys, pledge to you our loyalty and devotion. We will endeavour always to be a real help whenever we are called upon, and we hope that you find us, Catholic boys, who are worthy of our name.

It is indeed hard for us to find the proper words to express our pleasure at having you, Your Excellency, with us today. We are extremely happy—that's probably the best way we can express it.

During your term as our Bishop, we hope to have many pleasant visits from you. We will always be glad to have such a privilege.

We ask you, Your Excellency, to accept from the teachers and pupils of our school, this gift as a remembrance of your first visit to Queen Square School.

Queen Square School

Conway—Taylor Wedding

The marriage took place in St. Anthony's Church, Montreal, on May 24th, of Mary Evelyn, daughter of Mr. Frederick S Taylor and the late Mrs. Taylor, and John Arthur Conway, son of Mr. and Mrs. Michael J. Conway, of this city.

Rev. Father O'Brien performed the ceremony and celebrated the Nuptial Mass.

The bride, given in marriage, by Mr. Gerald Callaghan, was gowned in a poudre blue organza dress with small flowered hat and matching accessories and had a corsage of American Beauty roses. She was attended by her sister, Miss Florence Taylor who wore a beige and brown ensemble with matching accessories. Her corsage was of yellow Talisman roses.

Mr. Ralph Taylor, brother of the bride, acted as best man.

During the ceremony Mrs. Dorah Hobbs sang "Ave Maria" and "Just for to-day."

Immediately after the ceremony the wedding break-fast was served at the Queen Hotel.

Previous to her marriage, the bride was guest of honor at a linen shower at the home of Mrs. Gerald Callaghan, Montreal.

Mr. and Mrs. Conway will reside in Charlottetown.

Farmers' Credit Bill Introduced

OTTAWA, June 9—(CP) — The Commons tonight gave first reading to a bill to encourage the provision of intermediate term and short term credit to farmers for the improvement and development of farms and for the improvement of living conditions.

The bill, sponsored by Finance Minister Ilsley, was introduced at the conclusion of a short discussion on a resolution asking leave to introduce the legislation. The bill, known as the farm improvement loan act, 1944, will come up for second reading at the next sitting of the House.

Under the bill banks would be entitled among other things, to loan farmers money to purchase agricultural equipment, livestock, or an electric system.

The government would guarantee the loans provided they did not exceed $3,000; the rate of interest did not exceed five per cent and the loan was payable in not more than 10 years.

During the discussion of the resolution W. Bryce (C.C.F.—Selkirk) said interest rates on loans to farmers should be lower than five per cent. If at all possible the loans should be provided at cost.

Ch'town Naval Officer In Charge

In these critical days of the war it is good to know that the men who command the Canadian warships now escorting the troops who are hourly landing on the shores of France, are men thoroughly versed in naval science and seamanship.

Such a one is Lt.-Commander W. J. McIsaac, Charlottetown, who is mentioned in a Canadian Press dispatch as commanding H.M.C.S. Prescott now busily engaged with other Canadian ships of war in convoying the men and material which is being rushed across the English Channel. It is not an accident that W. J. McIsaac today commands one of His Majesty's ships of war.

(Another Islander who is serving on the "Prescott" is Signalman Frank Johnson of Charlottetown. He is a brother of Lieut. William Johnson who lost his life on the "Itchen.")

Lt.-Commander McIsaac was born in Bayfield, P.E.I., May 25th, 1910. He received his education at Queen Square School, Prince of Wales College, and St. Francis Xavier University from which he graduated in 1931. But long before that he had had much sea experience. At the age of fifteen he joined the training ship "Saguenay" as a cadet and from her went on the "Champlain" in the same capacity. It was while on the "Champlain" that he caught his first glimpse of the West Indies.

Before getting his commission as Sub-Lieutenant in 1938, Lt.-Cmdr. McIsaac had served on several ships of the Royal Navy including H.M.S. "Capetown." Since 1939 he has served as First Officer on the "Elk" and the "Batleford" and was in command of the minesweepers "Adversus" and "Suderoy." In July, 1943, he was promoted Lieut.-Commander and given charge of the "Prescott."

He is the son of Mr. and Mrs. J. A. McIsaac, 44 Water street, City, and his wife was the former Mary Hughes, also of this city, and daughter of Mr. John J. Hughes and the late Mrs. Hughes. They have two children, John and Paul.

Off The French Coast

Following is the Canadian Press story, as related by Sub. Lt. Wesseley Hicks, RCNVR and dated June 8 "From a United Kingdom port:

"We spent six hours off the coast of France today as the Prescott, one of the Royal Canadian Navy's corvettes, commanded by Lt.-Cmdr. W. J. McIsaac of Charlottetown, fulfilled her job. We are going back now for another convoy.

"As we moved into the coast at 2 p.m. the hills of northern France appeared dim and hazy, like a picture out of focus. Out from the shore came a flotilla of Canadian minesweepers — H.M.C.S. Mina, Malpeque, Wasaga, Blairmore, Milltown — helping to keep the sea lanes clear of mines.

"From the Milltown as she passed to port come the laconic query: "'How's Red?'

"Equally casual, the Prescott's skipper assured the Milltown the state of his health was perfect.

"A short time later the corvette H.M.C.S. Drumheller steamed past us with a convoy. She, too, was greeted vociferously by our crew.

"Looking for a place to dump her convoy, the Prescott then signalled an American cruiser: 'Do you know where the port authorities are?'

"The answer came back to us: 'No, I'm a stranger here myself.'

"From the shore came the rattle of heavy machine-gun fire. Heavy cruisers were shelling the coast. Our vessels shuddered and lifted with each salvo.

"In close to shore, the waters were well swept of enemy mines. The little minesweepers had done their work well.

"Shortly after 3 p.m. our immediate job completed, we put our nose into the Channel and headed back for England. Ahead of us, like good housewives, the sweepers could be seen still at their work of tidying up the shipping lanes.

"The Royal Canadian Navy's new destroyer, the Algonquin, crossed our bow. From McIsaac went the signal: 'How are you enjoying it, Debbie?'

"And Lt.-Cmdr. D. W. Piers of Halifax, commander of the Algonquin, replied:—

"'Everything fine and dandy here'."

Lappin—Harle Wedding

St. Dunstan's Basilica was the scene of a very pretty wedding Monday morning June 5th when Annie Margaret, daughter of Mr. and Mrs. James Lappin this city, was united in the holy bonds of Matrimony to L.A.C. Paul Harle of Regina Sask., Rev. J.W. McCardle performed the ceremony and celebrated the Nuptial Mass in the presence of a large number of friends of the popular young couple.

The bride given in marriage by her father, was attractively gowned in Cocoa brown tailored suit with accessories to match and wore a beautiful corsage of yellow roses and carried a white prayer book.

She was assisted by her girl friend Miss Ena McLellan who was becomingly gowned in a dress maker suit of baby pink and matching accessories wearing a corsage of pink and white carnations.

L.A.C. Earnest Chesney of Yorkton Sask., supported the groom.

At the conclusion of the Mass a wedding breakfast was served at the Queen Hotel at which were present immediate friends and relatives. This was followed by a reception at the home of the bride where a large number of young friends extended hearty congratulations and where a buffet lunch was served.

Mr. and Mrs. Harle, later left by plane for Moncton N.B. where they will reside.

The large number of wedding presents consisting of cheques and silverware etc., testified the popularity of the young couple.

Previous to her marriage the bride was the guest of honor at a miscellaneous shower tendered at the home of her girl friend Miss Ena McLellan.

Presbyterian General Assembly In Session

(Special To The Guardian)

Knox Church is one of the historic churches of the good city of Toronto, and one of the wealthiest congregations, owning the lots on which Simpson's, Woolworth's, etc., are erected in Yonge Street. In the old days, Knox Church occupied that site, but moved later to the present locality. The church was crowded with commissioners and worshippers when the Assembly was constituted on Wednesday night, the retiring Moderator, Rev. Dr. Beverly Ketchen, of Hamilton, presiding and delivering a masterly address by way of sermon on the appropriate text for "Fathers and brethren": "Seek ye first the kingdom of Heaven," pointing out that all the trouble in the world was due to neglect of this divine command. He expressed heartfelt regret that the objective of the Foundation Fund of $500,000 had not yet been attained, and hoped in the present year that Presbyterians would dip into their pockets and put the Fund "over the top."

The principal business of the sederunt was then proceeded with, viz., the election of the new Moderator. Several names had been submitted, but before the vote was taken almost all were withdrawn at the desire of the ministers concerned, including Rev. G Carlyle Webster of Zion. The names actually voted on were, Rev Alex C. Stewart, Midland, Ont., Rev. John M. MacGillivray, Sarnia and Rev. Dr R.G. Stewart, St Mary's Toronto. The first named had an overwhelming majority, and his election was made unanimous.

The second day's proceedings opened with administration of the Sacrament of the Lord's Supper, the new Moderator, Rev. Mr. Stewart, presiding. Then the Lieutenant Governor officially visited the Assembly, and welcomed the Commissioners. He delivered a brief, patriotic address, remarking on the coincidence that this was also the official birthday of His Majesty, who would be more than usually pleased this day to receive a message of loyalty and devotion from the Presbyterian Church in which he and his Queen were intensely interested. The Lt.-Governor was followed by delegates from other churches and church organizations, all extending the hand of fellowship to their Presbyterian brethren.

Prominent among those in attendance on the floor of the Assembly are the Rev. Mr. Webster, Rev. Dr. Scott Fulton, Rev. H Lloyd Henderson Rev J.R. Carson, Rev. H.R. Pickup, Rev. T.W. Goodwill.

Among those recommended for pension are Rev. S J MacArthur and Rev. George S Mitchell, D.D., both of whom have ministered in Prince Edward Island.

Borden Man Has Legs Crushed In Accident

Mr. Prosper Bernard, 60-year-old guard at the Canadian National Railways station at Borden was severely injured yesterday morning about 8:15 when he was struck by a shunting train which was backing past the station. Both legs were crushed so badly that it was found necessary to amputate them after he was removed to the Prince County Hospital at Summerside.

Last night his condition was described as satisfactory although he was still considered seriously ill. During the day he was given blood transfusions.

From information available it would appear that Mr Bernard walked across the track without noticing the approaching freight cars In addition to injuries to his legs he was bruised about the head.—S

Ontario Airmen First In France

WITH THE R. C. A. F. IN ENGLAND, June 9 — (CP CABLE) — Flt. Lt. Harry Dowding of Sarnia, Ont., A Canadian spitfire pilot, is believed to have been the first Allied airman to make a "both wheels down" landing on an emergency strip established on the French invasion area.

Dowding did it yesterday, coming down after beachhead flak had punctured his gas tank and gas was spraying into his cockpit.

A companion, Flt. Lt. G. Keltie of Edmonton, "beat up" the strip a few times to warn persons on it that an aircraft was coming in. Everyone cleared off but a French farmer who was pitching hay, and when Dowding landed he ran smack into the load of hay, escaping unhurt. Dowding returned to England by boat.
