Monster program for Eschylus Oct 4 on Exhibition night. Enlarged program that will last 50 minutes instead of usual 30 minutes. Price of admission will be adults 15 cents, of children 10. The exhibition for that night have set the price as above, 10 cents and 15 cents. Eschylus will present the biggest performance ever put on in any moving picture house in Canada as follows: No. 1 The Herring fleet at sea. The most interestingly interesting picture ever shown on this Island showing the fleet after herring off the Newfoundland coast. No one can fail to appreciate this picture which made a big hit in St. John and Charlottetown. No. 2 The Guldin Bell, one of the wonderful transformation pictures which mystify and delight all and young alike. No. 3 An Indian's Friendship. There is no moving picture subject that seems more popular than a dramatic scene of the west where cow boys and Indians figure prominently. This picture is 1200 feet long and represents the adventures of an Indian girl who is abducted by a band of blood thirsty Indians. This thrilling scene is followed by the dramatic rescue by her cowboy lover. This picture is longer than two ordinary pictures and was a head line attraction at the St. John Opera House this present week. No. 4 Scherlock's first smoke, a very funny picture. No. 5 The Holo Hero intensely interesting. Illustrated Song, Farewell Forget-me-not.

In the Bedouque Methodist Church on Sunday evening last an interesting missionary service was held under the auspices of the Woman's Missionary Auxiliary, Mrs. Steel's presiding, Mrs. Fred Dixon and Mrs. H. Humphrey of Sackville and Miss Clara Leach and Miss Jessie Cunningham of St. John (guests at the parsonage) and Mrs. J. R. Davidson of Bedouque taking part.

On Monday the 30th ult. a social was held in the Bedouque Methodist parsonage. The object was to present all the life members of the Women's Missionary Auxiliary with certificates of membership and to make Mrs. J. M. Wright a life member as an expression of good will previous to her leaving for British Columbia. Wm. Callbeck on behalf of the school presented a teacher's bible to Miss Mabel Wright, Miss Irene Lord and Roy Wright; and a hymn book to Dora Wright and Vickers Wright all of whom leave shortly for the West. Thomas Moyle and the pastor also made remarks at the time of the presentation. Jesse Wright contributed to the pleasure of all by his gramophone. The usual refreshments were served. There was a large gathering.

A WAY TO BETTER BREAD.

Good housekeepers, it is said, are known by the bread and pastry they provide for their homes. When we come to think of it, is there any one thing in which a housekeeper should excel in which she should take more pride than in her snowy, delicious, whole home-made bread?

Any woman can make white, light, nourishing bread. One of the commonest causes of failure in the baking is the use of poor flour. Flour made of Ontario fall wheat alone, though not strong and faultless as to flavor, is not strong enough. Manitoba wheat, on the other hand, is deficient in fine flavor and delicacy, although full of strength.

A blend of the two has been found to give wonderful results. This does not mean that you can mix them at home—it is difficult to do that except with the finest and most delicate machinery. Many of the best millers are blending the rich Ontario fall wheat with the flinty Manitoba wheat thus bringing out all the good qualities of both.

With this Ontario Blended Flour, you will have no trouble in making light white bread—bread with that peculiarly sweet, wholesome taste which our naturally associates with home-made bread.

Beautiful and Reliable Furs

That this is going to prove a "Fur Season" is evident from the great demand. That this old reliable house is, as heretofore, headquarters for reliable furs, is equally eloquent from our usually large sales for this early season.

Our furs need little boasting—they speak for themselves—and our reputation for selling reliable guaranteed furs in the past, is now bearing good fruit.

We have as usual an immense range of all the best varieties such as Mink, Sable, Stone Marten, Marmot, Mock Fisher, Isabella Fox &c. in sets and separate piece, at all prices; according to quality, up to the very best.

Our stock of ladies fur coats is up to our usual high standard, both in quality and style, and come in all the best kinds such as Persian lamb, Russian lamb, Seal Astrachan &c.

Our men's Coon coats are splendid. There is no question of values here, they simply cannot be equalled much less surpassed. Come in and prove this. You will also find the prices moderate.

We have a nice range of ladies fur-lined coats at different prices. If what you want is not among them, we will take your order, and have a coat made to your own choice. This is by far the best method, as you can then have the combination of style, cloth, fur and price you require, which is so hard to get in a ready made. Your order can be completed in about 10 days.

All visitors to the exhibition are cordially invited to come in and view our immense showing, which is certainly well worth a visit.

Value of Life Insurance

An eminent speaker at the Underwriter's Convention ably defined Life Insurance and its good to the public in the following words:—"Life Insurance is one of the greatest forces for good this country has ever known. There is no future of our modern civilization that is so sanctified by the graces of love and hope as that institution that has for its object the preservation of the home when age and death have destroyed its natural support."
When placing insurance you should choose a company that gives absolute security. It uses a liberal policy, charges low rates and pays the highest dividends to policy holders.
