

Sore Lungs We want everybody who has a hard cold in the chest to use Ayer's Cherry Pectoral. Our long experience with it, over sixty years, tells us there is nothing its equal for coughs, colds in the chest, bronchitis, hoarseness, sore lungs, weak throats, and weak lungs. Doctors tell us the same thing. Ask your doctor about it.

A VERY pretty wedding took place on Wednesday evening last at the residence of William and Mrs. Vickerson, Kingston, when their daughter, Elia Maud, was united in marriage to Stephen M. Richar's, Sydney, Cape Breton. The ceremony was performed by Rev. W. Harrison in the presence of a large number of relatives and friends. After the tying of the knot, the guests sat down to a bountiful supper and a most enjoyable evening was spent by all present. The presents were both numerous and valuable and displayed excellent taste on the part of the friends of the bride. Miss Vickerson will be much missed in the community in which she has resided. As a member of the Methodist Choir, Kingston, and teacher in the Sunday School, her services were highly appreciated. The happy couple left Charlottetown on Thursday morning for Sydney, where they are to reside, followed by the good wishes of a very large circle of relatives and friends.

MANY Islanders are graduates of King's College Windsor and many are members of the Alumni. Among those who are striving hard to establish the College solidly is Rev. C. W. Vernon editor of Church work. Mr. Vernon was at one time connected with St. Peter's Cathedral Charlottetown. In a recent letter on the question he concludes as follows: In view of the results of Rev. S. Weston Jones' enthusiastic and persistent canvass it is manifest that the Church of England people in the maritime provinces either cannot or will not contribute towards the support of a separate university. The authorities and those interested in King's College have once more an opportunity to be sacrificed in a vain and frantic effort to keep up a university. Today many of the best candidates for the military are going out of the provinces for their arms and divinity courses, and many alas, never return. With a strong maritime university at Halifax, and an efficient divinity school at Windsor, possessing the confidence of the church people, this lamentable exodus might reasonably be expected to cease.

At High Bank, Lot 61, on the 8th. Inst., the death took place of Annie Mac Kinnon, relict of the late Donald Mac Kinnon, aged 95 years, leaving three sons and four daughters. She was a native of the Isle of Skye, Scotland, and emigrated to this country with her family in 1811. She became a member of the Free Church of Scotland at a very early age, and has since lived a most exemplary Christian life. Her amiable disposition and genuine piety has endeared her to all who knew her. She died as she had lived, implicitly trusting in the atoning merits of Christ. [Montreal Witness and Star please copy.]

HER SKIN WAS YELLOW. "I had only to try Dr. Hamilton's Pills to appreciate their merit," writes Miss Annie S. Bryce, of Woodstock. "My system was out of order. My blood was weak and thin. I had a nasty, murky complexion. My skin was hard and dry. The first box of Dr. Hamilton's Pills made a complete change. I felt better at once. Healthy color came into my face. In about three weeks I was cured." Dr. Hamilton's Pills effect an easy cure. Try these good pills, 25c. per box, or five boxes \$1.00 at all dealers.
