"Its Only a Cold, A Trifling Cough."

Thousands have said this when they caught cold. Thousands have neglected to cure the cold. Thousands have died of a Consumptive grave through neglect. Never neglect a cough or cold. It can have but one result. It leaves the throat or lungs, or both, affected. Dr. Wood's Norway Pine Syrup is the medicine you need. It strikes at the very foundation of all throat or lung complaints, relieving or curing Coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, and preventing Pneumonia and Consumption.

It has stood the test for many years, and is now more generally used than ever. It contains all the lung healing virtues of the pine tree combined with Wild Cherry Bark and other pectoral remedies. It stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts, loosens the phlegm and mucus, and aids nature to easily disengage the morbid accumulations. Don't be humbugged into accepting an imitation of Dr. Wood's Norway Pine Syrup. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cents.

Mrs. J. Brewster, Grafton, N.S., writes: "Two winters ago I suffered severely with a very bad cold and asthma. I was so bad I could not get my breath, and very often thought I would choke. My husband became very much frightened, and got me a bottle of Dr. Wood's Norway Pine Syrup and it gave me almost instant relief. I have since recommended it to anyone having the least kind of a cold."

Conditions Of Bible Study Contest

1. Persons may join the club at any time during the year, but must, of course answer the 22 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions for 15 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 x 11 inches, and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name set off so the examiner may know it by number only.

5. Students should be careful to understand the questions before answering. To do this, the lesson text must be read and especially the verses, or verses, upon which the question is based.

6. The answers from this Local Club must be delivered to this office, and they will be collected at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

WHEN YOU CAN'T SLEEP.

There is many a man and woman tossing night after night upon a sleepless bed. Their eyes do not close in the sweet and refreshing repose that comes to those whose hearts and nerves are right. Some constitutional disturbances, worry or disease has so debilitated and irritated the nervous system, that it cannot be quieted.

Or again, you have, a sinking sensation, a feeling you are going to die; or perhaps you wake in your sleep feeling as though you were about to choke or smother, and could not sleep at night without the lamp burning, but after taking four boxes of the Pills I became all right again."

Mrs. E. Nutt, St. Mary's, Ont., writes:—"I can gladly recommend your Milburn's Heart and Nerve Pills as I was greatly troubled with nervousness, and I was so bad I could not sleep at night without the lamp burning, but after taking four boxes of the Pills I became all right again."

Price, 50 cents per box; 3 boxes for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

Vapo-Resolene
Established 1879
Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant relief. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

Marine Gasoline Engines.

For the past six years we have been endeavoring to get a thorough knowledge of the very best quality of marine engines. We have found that the best quality of marine engines are those of the Maritime Provinces, to consider the requirements of their business, what style of engine will best meet all demands put upon it and still not take up too much room or interfere with the handling of sails, trys, etc., etc. The result of these years of study and is for all practical purposes far ahead of anything else sold in these Provinces. Our marine engines require little space, no delicate pieces, get in the way of swinging booms or sails; they are entirely free from mechanical complications that require mechanical training or special tools for their repair. Our chief aim has been to secure a durable and simple engine, one that would withstand the roughest test of constant usage, and we believe that our efforts in this regard have been entirely successful, and we now have a perfect engine to offer to the fishermen of the Maritime Provinces. We will be pleased to send catalogues and further particulars on request.
