The futurity stake races will be held at Summerside some time in August. A two year old, three year old, a four year old and a 2-35 class will be held. Nominations must be made with the secretary, G.M. Reid on the first day of April, 1907. Payment \$2.00 3-25061

On account of the funeral of the late Jack Rogers and the consequent absence from town of the Rev. R. G. Scobie, the preparatory services to have been held last night in the Presbyterian Church, was postponed until next Friday. The sacrament of the Lord's Supper will be observed on Sunday, the 7th, instead of tomorrow, as at first intended.

The concert held in Malpeque on Wednesday was one of the most successful ever given there. A lengthy and interesting program was rendered by the pupils of Fanning School—the only assistance they had being a song and encores from Miss McLeod, of Hamilton which was very much appreciated. The proceeds, which amounted to \$23.55 will go to purchase an outfit for the school baseball team.

The building committee of the Baptist congregation, Summerside, met Thursday afternoon to consider tenders received for the building of the new church. Two offers received, one from J. M. Clarke & Co. for \$4,300, and one from M. F. Schurman & Co. for \$4,270.83. The tenders did not include glass, heating or other fixtures, which will probably mean \$500 additional. The tender of M. F. Schurman & Co., being the lowest, was accepted.

A gang of thieves have been doing considerable raiding in the vicinity of Summerside during the past two weeks. From the warehouse of Joseph Reid & Co., the home of William Schurman, Mrs. Alex. Laird, Patterson Walker, Bedeque, and others, large quantities of oats, harness, meat, butter, etc., have been taken. Strong suspicion points to a certain gang who are being watched, and who will probably spend a term in the penitentiary before long.

Wall Papers on the Move

Our Wall Papers might well be characterized "moving pictures" for the simple reason that the papers themselves are as pretty as pictures, while they have been constantly moving out, at a rate which gives us boundless pleasure, in that it shows, that our venture has met with universal approval and support.

The quality, the beauty, and the cheapness of our Wall Papers is already a household word, not only in the City, but in the surrounding country as well, to which we have already sent many substantial bundles.

This is only as it should be, as the people realize that they can now procure the very cream of Wall Papers, at the prices they have been accustomed to pay for the buttermilk.

Remember we have upwards of 300 different designs, all new, and ranging in price from 6cts. per double roll up, with beautiful borders to match at the same price as the silk wall papers.

We cordially invite all our customers and the public generally to give us a call when in need of Wall Papers of any kind. Your trade will be most thoroughly appreciated. Sets of sample books will be cheerfully sent out, and called for.
