THE FORUM DANCE

With a nice dancing floor laid and all details attended to, the Forum management are now all set for one of the biggest dances ever staged in the Province. Next Thursday night hundreds of couples will dance to the strains of music, supplied by Dixon's Orchestra. This gigantic affair is being staged under the patronage of His Worship Mayor Prowse, and shows every indication of being one of the most successful ever held in this city.

BOXERS WILL TRAIN HERE

Jack McKenna and Billy Holm, the "Fighting Dane," will arrive here the latter part of this week or early next week to taper off in preparation for their ten round bout, scheduled for Thursday night, August 20th.

This will be the second meeting between this pair, Holm getting the first clash by a very close margin. McKenna, who is at present in Halifax, has been training faithfully for this coming bout which has all the ear marks of a thrilling battle. This bout together with a number of good preliminaries, will be staged at the Forum, an ideal location for a bout of this importance.

SIX BOUTS FOR DEMPSEY

Leonard Sachs, manager for Jack Dempsey, announced last night that he had closed with Nate Ruxman and Joe Waterman, Seattle promoters, for the former heavyweight champion to box six four-round exhibitions in the Pacific Northwest. Sachs said Dempsey had been guaranteed \$35,000 for the six appearances with the privilege of retaining 50 per cent of the gate.

CITY COUNCIL

Continued from page 1

Councillor Holman stressed the necessity for arranging a new contract with the electric light company before the present contract expired.

Resolutions were passed authorizing the extension of the sidewalk on the North Side of Prince of Wales College, and the placing of a new roof on the fire hall and the new annex.

His Worship stated that the secretary of the Lieutenant-Governor had asked him what part the City was prepared to take in connection with the reception on Oct. 14 of the Governor General, Earl Bess-

C. Aug. 28, with dates yet to be chosen for bouts at Tacoma and Spokane and one other place. Opponents are to be selected by the promoters.

YOUNG WINS SWIM

Setting a pace throughout the full 5-mile course, George Young, of Toronto, won the championship swim staged at Lake Ontario. Young set the record time of 15:30 for the distance. George Glasgow, of Memphis, Tenn., finished 300 yards behind Young in 2:13, and Margaret Ravier, winner of the 1930 women's swim at the Canadian National Exhibition, Toronto, was third, her time being 2:11.0.

TOLAN FAST

Eddie Tolan, the negro sprinter from the University of Michigan, led Ralph Adams, of Hamilton, Ont., to the tape by eight feet in the 100-yards dash at the Canadian Legion track and field meet at Cornwall, Tolan's time was 9 4-5 seconds, which equalled the Canadian record. Tolan also won the 220-yard dash in 22 2-5. In the hundred he took the lead from the gun and increased his advantage to the finish line. In the 220 Tolan gave his competitors little chance, bursting into the lead at the halfway mark. Tolan was presented with a gold cup for his splendid performances.

RUTH GOOD AFIELD

Babe Ruth not only distinguished himself at the bat, but in the field. In a recent game with Boston, the New York Herald says: "Ruth's catch in the sixth was even more spectacular. There is a steep, grassy bank at the base of the score board in left field. Sweeney hit a liner at the scoreboard, but Ruth ran up the hill and flung himself upward and backward against the board, catching the ball in one hand and coming down in a heap."

MRS. ALBERT PARKMAN

Entered into rest at her home New Glasgow, P. E. I., June 8, 1931. Mrs. Albert H. Parkman, at the age of seventy-three years, after a long trying illness, during which she was never known to murmur or complain. Deceased was formerly Nina MacGregor, born at Southport, Lot 48, and since her marriage resided at New Glasgow, where she was ever ready and willing to support and help any good cause for the betterment of the community.

A faithful and zealous worker in the Christian Church, and Ladies' Aid and in her home, where her love and devotion to her little grand-children will be sorely missed, and where any worthy comer found a hearty welcome and many kind and near will remember her kind hospitality and will long for the touch of the vanished hand, and the sound of the voice that is still-
Married to Albert H. Parkman fifty-three years ago, to this union there were born fourteen children, ten of whom survive, namely, Avery, James, Crawford, Mrs. C. Leuthener and Mrs. Wm. Moore, North Dakota, Howard, Jamaica Plain, Mass.; Mrs. M. McSwain, Kingston; Mrs. Max Ferguson, Bay View; Mrs. George Beers, Charlottetown, and Stewart on the homestead, with whom she resided, also one sister, Mrs. Frederick Parkman, East Royalty, and three brothers, Edna and Dan, Mass., and Willard, Hunter River, her husband having predeceased her some two years ago, after a long and trying illness of almost twenty years duration, during which she tenderly cared for him through those trying years, with the greatest patience and as one had named her, she might well be called "the model of patience," but since his demise worn out with years of trial her strength gradually weakened and when that dread disease "pernicious anaemia" set in her weakened constitution could not fight it off and on the above mentioned date her gentle spirit passed to the great beyond.

The funeral, which was held on Thursday, June 11th, was very largely attended, showing evidence of the esteem in which she was held, service being conducted by her pastor Rev. Wm. Quigley, assisted by her former pastor, Rev. C. E. Armstrong, Montague, and Rev. J. M. Murchison, St. John. Other ministers present were Rev. W. L. Out-house, Rev. W. J. McLeod, and Rev. Mr. McWalker. Hymns sung were favorites of the deceased, chosen some time before her death, "Jesus Lover of My Soul," "Abide With Me," "When I Survey the Wondrous Cross," and the quartette of the Christian Church sang very feelingly "The Old Rugged Cross," also a solo, "The City Four Square," softly rendered by Mrs. Allan Wyand.

The remains were interred in New Glasgow Cemetery, there to await the glorious resurrection.

The pall-bearers were Horace Ling, Cecil Laird, George Stevenson, and Brenton Dickison, Preston Camp-

ROVERS SHUT C.N.R.C.'S OUT THREE TO NIL

George Ayers Hurls Winning Ball For Losers But Errors Prove Fatal.

Turning the Rovers back without a single hit, but nevertheless being forced to take a three to nil defeat, was the tough medicine handed big George Ayers, C. N. R. C. hurler in the opening tilt of the City League championship series played at the Abegweit Grounds last evening.

It is a rare occurrence in Maritime baseball where fate deals a moundman such a severe blow, but Ayers, through errors was forced nevertheless to bend to the inevitable.

Rovers scored two runs in the third inning when catcher Mahoney let the third strike go by him, and again repeated the performance in the sixth when another run crossed the platter. Apart from this the fast and clever "North Enders" were held in check and could do nothing with the stellar pitching of Ayers.

"Puddy" Connors, the ace of Island slabsmen and opposing Ayers last evening, was a bit of color. He allowed several "walks", while the C. N. R. boys nicked him for three singles. However, the superb fielding of his team mates kept him out of serious trouble over the entire route.

The Rovers deserved their win. They played cagey ball, never let an opportunity go by without making the best of it.

The Rovers played winning ball last night, and if they continue to do so, the Railway boys will have to attend to their knitting in the next clash.

Speaking Of Sports

Fusses Over Umpires Enliven Baseball Season

The unusually large number of arguments between umpires and ball players during the last few weeks has been interpreted to mean one or two things:

One—Major league umpiring is not up to standard this season, or

Two—Close games resulting from the less lively ball, have encouraged the players to fight harder on the playing field.

There were a lot of suspensions, banishments and fines during July, especially in the National League. John J. McGraw, manager of the New York Giants, was chased out of sportsman's Park, St. Louis, for disputing a decision by Umpire Bob Clarke. An appeal to President John Heydler brought McGraw a three-day suspension. A few days later Danny Bancroft, acting manager of the Giants, was banished from the field at St. Louis.

In a game between Chicago and Brooklyn Manager Rogers Hornsby and Coach Ray Schalk of the Cubs and Outfielder Lefty O'Doul of the Robins all were put out of the game for disputing decisions. They were fined \$50 each by President Heydler.

President Heydler was accused of protecting "incompetent umpires" by John McGraw. At least 1000 Cubs fans had "murder" in their minds when Umpires McCreary, Reardon, and Magekurth held up a game between the Cubs and Robins 45 minutes despite the fact that the rain had stopped after 30 minutes' duration. Heydler happened to be in the Cubs' press box that day and he left his seat and paced nervously up and down the runway while the crowd jeered the officials for continuing to hold up the game although the rain had stopped.

Many ball players are sincere when they say that the only good umpire in the National League is Bill Klem. Players seldom kick at his decisions.

Umpiring in the American League hasn't been criticized so much since Tommy Connolly, dean of all umpires, was appointed chief of staff. Three members of the St. Louis Browns, Kress, Gray and Levey, however, were banished from the Yankee Stadium for disputing a decision on a ball hit near the foul line.

President William Harridge said he had several complaints early in the season about the umpiring, especially from the Cleveland Club, but that the Indians stopped complaining when they broke a long losing streak and started winning again.

"The losing players always think they get a little of the worst of it," said Harridge. "We have a fair and competent staff of umpires and I believe they make as few mistakes as is humanly possible."

THE MARKETS

(Canadian Press)

MONTREAL, Que., Aug. 10.—Produce—Butter and egg markets at Montreal today had a firm tone while cheese and potatoes were just about steady. The butter market was quoted at 20 3-4 to 21 cents per pound up 1-4 from Saturday's levels. There was very little available at the lower figure, most houses asking 21 cents. Light offerings imparted the firmness to the market dealers showing an inclination to hold on to their butter than sell lower than the 21 cent mark. Receipts were 559 boxes. On the egg market carlots ruled firm at last week's closing levels of 26-27 cents for extras, 23 24 for first and 21-22 cents for seconds, with the most sales at the higher figures. British Columbia's were one cent higher. Advances to retailers announced over the week end were put into effect today and amounted to two cents per dozen for eggs in cartons and loose. Receipts were 1,732 cases. The cheese market was mostly 12 cents for Ontarios and 11 1-2 cents for Quebecs. Receipts were 2,753 boxes. The potato market was almost steady with few Montreal potatoes selling from 50 to 60 cents per 80 lb. bags.

HONEY PRODUCTION CROWS

The report of C. B. Gooderham, B. S. A., Dominion Apiarist, for 1930 which has just been issued, contains some interesting figures with respect to the production of honey in Canada. In 1925 the total crop amounted to 19,342,978 pounds; the crop last year totalled 31,169,632 pounds. Production in Ontario has fallen off during the past year or two but still amounts to 12 million pounds. Manitoba has made the most interesting increase, production during the past six years having grown from 4,107,120 pounds in 1925 to 10,110,128 pounds for last year. While production has been steadily increasing in most of the provinces the greatest proportional gains have been made in the western provinces.
