PILES

Dr. Chase's Ointment is a certain and guaranteed cure for each and every form of itching, bleeding and protruding piles. See testimonials in the press and ask your neighbors about it. You can use it and get your money back if not satisfied. 60c, at all dealers or EDMANSON, BATES & CO., Toronto.

DR. CHASE'S OINTMENT.

An Absolute Cure for Rheumatism

If the skin or bowels are unhealthy, they won't throw off enough urea. This urea is changed into uric acid—carried by the blood to the nerves—and causes Rheumatism.

Fruit-a-tives surely cure Rheumatism and Sciatica

because they act directly on bowels, kidneys and skin—and so strengthen and invigorate these organs that there is no urea and uric acid retained in the system to irritate the nerves and bring Rheumatism, Sciatica and Neuralgia.

"Fruit-a-tives" are intensified fruit juices with tonics and intestinal antiseptics added.

WIRE WOUNDS.

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal although I tried many different medicines. Dr B ll advised me to use MINARD'S LINIMENT, diluted at first, the stronger as the sores began to look better, until after three weeks, the sores have healed and best of all the hair is growing well, and is NOT WHITE as is most always the case in horse wounds.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province

WHEN YOUR BACK HURTS.

Of course it's hard to work. Stooping over hurts, lifting is tedious, and you wonder what to do. Ever try Nerviline? Nothing like it for weak or lame back. It penetrates to the core of the pain; eases from the first application, brings cure that defies a relapse. No liniment is so clean, so soothing, so certain to kill muscular, rheumatic or sciatica pains. Your dealer sells Polson's Nerviline in large 25c. bottles. Why not try it?
