SUCCESSFUL

ESTABLISHED BUSINESS

William Conroy's Increasing Business on Pownal St Compels him to Seek more Extensive Quarters.

Among the successful shoe stores of Charlottetown must be ranked that of William Conroy, Pownal Street. Mr. Conroy has been in the shoe trade in this city for six years and during that time has built up a most creditable business. Purchasing his goods for spot cash from the largest and best manufacturers in Canada, he is able to secure the best discounts, which enables him to sell his goods at remarkably close prices. He is receiving fresh stock every month, which insures the purchaser new goods and latest styles. Being a practical mechanic himself and having had eight years experience in the wholesale and retail shoe trade in some of the best houses of the United States, he is in a position to understand all the details of construction and cost, the different qualities of leather, etc. etc. This is an advantage possessed by few other shoe dealers in P. E. Island. It is a mistaken idea among many people that small stores have to pay more for their goods than large ones. The wholesale prices are the same to all, whether large or small dealers. Of course the cash buyer gets a discount that his competitor who buys on credit does not, and as a consequence he can afford to sell his goods at a less price. Mr. Conroy carries a large and varied stock of the best boots and shoes on the market, including the famous Duke and Duchess brands made by the Ames Holden Co. of Montreal, which for style, comfort and wearing qualities cannot be surpassed. In the spring he intends to move up town, when he will show one of the finest and largest stocks of boots and shoes in the city. These goods are now being manufactured by the Ames Holden Co. of Montreal and will arrive here in the spring. In the meantime his excellent stock will be closed out at a large discount to save expenses of moving.

INSPECTOR OF CAVALRY.

LONDON, Jan. 17.—A telegram from Johannesburg announces that General Baden-Powell has been appointed an Inspector-General of Cavalry, and that he will come to England in June to take up his appointment. The General has been in charge of the South African Constabulary.

ONCE WAS ENOUGH

J. J. McDonald Cured by Dodd's Kidney Pills, has had no Return of his Rheumatism and Dropsy.

WINDSOR, Ont., Jan. 19.—(Special).

The case of John J. McDonald, a well-known farmer now living at 130 Langlois avenue here, is one more striking proof that Dodd's Kidney Pills will cure Rheumatism and Dropsy, that they will drive the disease clear out of the system and keep them out.

For two years Mr. McDonald suffered terribly with Rheumatism and Dropsy. His legs were swollen and the pains he suffered were most acute. He used Dodd's Kidney Pills and was cured.

That was five years ago. Speaking recently he says, "I have had no return of the trouble up to the present. I acknowledge that Dodd's Kidney Pills cured me." Cure the Kidneys with Dodd's Kidney Pills and the Rheumatism will cure itself.

JAPANESE INDIGNANT.

LONDON, January 19.—Japanese advice show deep indignation in Japan at the attitude of British Columbia towards the Japs. The Anglo-Japanese Gazette says: "The Japanese will not forget this attempted exclusion of their fellow countrymen."

We have not advanced the price of our tobacco. Amber smoking tobacco, Bobs, Play chewing tobaccos are the same size and price to the consumer as formerly. We have also extended the time for the redemption of Snowshoe Tags to January 1st, 1904.

PIERPONT MORGAN COMING.

OTTAWA, Jan. 16.—One of the ministers stated to-day that he understood that J. Pierpont Morgan would visit Ottawa during the session of parliament.

MANY WOMEN ARE NERVOUS.

Suffering from Severe Headaches, Dizzy Spells and Bodily Weakness.

Dr. Chase's Nerve Food

Is Especially Valuable to Women.

Woman's system demands a plentiful supply of blood—of pure, rich, life-sustaining, tissue-building blood. If the blood is lacking in quantity or quality the nervous system must suffer and the nerve cells dwindle and die for want of proper nourishment.

Then comes headache, dizzy spells, weakness and fainting derangements of the digestive system, sleeplessness, discontenance and despondency.

Dr. Chase's Nerve food cures such ailments thoroughly and well by increasing the quantity and quality of the blood. You can depend on it absolutely as we shall endeavor to prove by quoting the opinions of residents of the city:—

Mrs. J. McLeod, Chestnut Street, Charlottetown, P. E. I. states: "For some time I have been troubled with attacks of nervous sick headache, accompanied by indigestion. I began to use Dr. Chase's Nerve Food some time ago, and have greatly benefited by it. My digestion has been improved; and headaches have disappeared, and I have gained in flesh and weight, I consider Dr. Chase's Nerve Food a splendid health builder.

Mrs. N. S. Warl, Douglas street, Charlottetown, P. E. I. and whose husband is a carpenter, states: "I was all run down in health this spring, and felt I needed a tonic. I frequently had severe dizzy spells and headaches and my nerves were weak and unsteady. The use of Dr. Chase's Nerve Food has proved of great benefit to me, and I can recommend it as a great tonic. My whole system has been built up by using this preparation, my nerves are steady and the headache and dizzy spells have entirely disappeared.

Dr. Chase's Nerve Food 50 cents a box; 6 boxes for \$2.50; at all dealers, or Edmanston, Bates & Co., Toronto.

PROTECTIONISM GROWING.

LONDON, January 16.—An article in the Manchester Guardian from its correspondent, on trade and politics in Canada, says that his recent tour through the Dominion convinced him that the people are becoming more and more inclined to high protection. This feeling is strongest in western Canada. The new United States settlers in the Northwest are high protectionists to a man even against the country which they have just quitted.

FRENCH POLAR EXPEDITION.

PARIS, Jan. 16.—Dr. Jean Charcot has announced the plans for the Arctic expedition, under the patronage of the Academy of Science and the ministry of public instruction. A ship for the voyage is now under construction at St. Malo. She will be specially equipped to resist ice. The party will leave France May 15 for Spitzbergen, and thence will start for Franz Josef Land.

HENRY WELLS DEAD.

LONDON, January 16.—The death is announced of Henry Tamworth Wells, the artist. He was born in 1827.

SCORES OF USES.

While Dr. Chase's Ointment is best known on account of its wonderful control over eczema, salt rheum and piles, it is found to be in almost daily demand in many homes as a cure for children, chafing, pimples, sunburn, burns, scalds, and such and every form of itching, irritated or inflamed skin. It is invaluable in every home and as a soothing and healing application known no equal.

CURLERS FOR OTTAWA.

MONTREAL, January 16.—The Scottish curlers wound up their visit to Montreal to-day by participating in a bonspiel of old country born curlers vs. Canadian born. Twenty-two rinks participating. Victory went to the native born by 100 points. To-night the visitors were entertained at dinner at the Windsor by the Montreal curlers. They leave for Ottawa in the morning.

Piles

To prove to you that Dr. Chase's Ointment is a certain and absolute cure for each and every form of itching, bleeding and protruding piles, the manufacturers have guaranteed it. See testimonials in the daily press and ask your neighbors what they think of it. You can use it and get your money back if not cured. 50c a box, at all dealers or Edmanston, Bates & Co., Toronto.

Dr. Chase's Ointment

THE HAY BOND TREATY.

Boston, Jan. 26.—Private advices from Washington indicate that the defeat of the Hay Bond Treaty is practically certain. It is asserted that the opponents of the measure have made trades with certain other party leaders, the result of which will be that the treaty will probably never get out of committee at this session of Congress.
